

Find your global admin to add an external user on Partner Center.

docs.wetransact.io/find-your-global-admin-to-add-an-external-user-on-partner-center

Finding your Global Admin ensures you can request the necessary permissions to add an external user in Partner Center, enabling them to collaborate on managing offers, customers, and programs. Please check the below steps:

Type "Microsoft Entra ID "

The screenshot shows the Microsoft Azure portal interface. A search bar at the top contains the text "Microsoft". Below the search bar, a dropdown menu displays search results for "Microsoft Entra ID". The results list several services, including "Microsoft Entra ID", "App Services", "Azure Cosmos DB", "Azure Database for MySQL servers", and "SQL databases". The "Microsoft Entra ID" service is highlighted. Below the search results, there is a table of resources. The table has columns for "Name", "Type", and "Last Viewed". The resources listed include "Microsoft Azure Sponsorship", "AnotherTest3", "Isitest", "wetransact.io", "poligmasas", "webx-poligmasasapi", "mona-poligmasasdatanoow", "Sigilium_WeTransact", "joausen", "madmePlan", and "webx-madmeapi".

Name	Type	Last Viewed
Microsoft Azure Sponsorship	Subscription	a week ago
AnotherTest3	SaaS	4 weeks ago
Isitest	SaaS	4 weeks ago
wetransact.io	DNS zone	a month ago
poligmasas	Resource group	2 months ago
webx-poligmasasapi	App Service	2 months ago
mona-poligmasasdatanoow	Resource group	2 months ago
Sigilium_WeTransact	SaaS	2 months ago
joausen	Managed application	3 months ago
madmePlan	App Service plan	3 months ago
webx-madmeapi	App Service	3 months ago

Click on Roles and administrators

The screenshot shows the Microsoft Azure portal interface. The top navigation bar includes the Microsoft Azure logo, a search bar, and the user profile 'johan.aussenac@wetran...'. The main content area is titled 'WeTransact | Overview' and shows the 'Microsoft Entra ID' overview. The left sidebar contains a navigation menu with options like 'Overview', 'Preview features', 'Diagnose and solve problems', 'Manage' (with sub-items: Users, Groups, External Identities, Roles and administrators, Administrative units, Delegated admin partners, Enterprise applications, Devices, App registrations, Identity Governance, Application proxy, Custom security attributes, Licenses, Cross-tenant synchronization, Microsoft Entra Connect, Custom domain names, Mobility (MDM and WIP)), 'Add', 'Manage tenants', 'What's new', 'Preview features', and 'Got feedback?'. The main content area displays 'Basic information' for the tenant 'WeTransact', including the Tenant ID 'cc399a02-f38a-4820-a991-894e8c59d676', Primary domain 'wetransact.io', License 'Microsoft Entra ID P1', and counts for Users (52), Groups (25), Applications (287), and Devices (18). An alert banner at the bottom states 'Microsoft Entra Connect v1 Retirement'.

Type "Global Administrator"

The screenshot shows the Microsoft Azure portal interface for 'Roles and administrators | All roles'. The left sidebar contains a navigation menu with options like 'All roles', 'Protected actions', 'Diagnose and solve problems', 'Activity' (with sub-items: Access reviews, Audit logs, Bulk operation results), and 'Troubleshooting + Support' (with sub-item: New support request). The main content area displays 'All roles' for 'WeTransact - Microsoft Entra ID'. It includes a search bar with 'Global Administrator' entered, a table of roles, and a section for 'Administrative roles'. The table has columns for Role, Description, Privileged, Ass..., and Type. The first row is 'Global Administrator'. The 'Administrative roles' section explains that these roles are used for granting access for privileged actions in Microsoft Entra ID.

Role	Description	Privileged	Ass...	Type
Global Administrator

📘 Get just-in-time access to a role when you need it using PIM. Learn more about PIM →

⚠️ There are currently 13 privileged role assignments. It is recommended to not exceed 10.

📘 Your Role: Global Administrator and 2 other roles

Administrative roles

Administrative roles are used for granting access for privileged actions in Microsoft Entra ID. We recommend using these built-in roles for delegating access to manage broad application configuration permissions without granting access to manage other parts of Microsoft Entra ID not related to application configuration. Role	↑↓	Description	Privileged	↑↓	Ass...↑↓	Type	↑↓
☐ Global Administrator		Can manage all aspects of Microsoft Entra ID and Microsoft services that use Microsoft Entra identities.	PRIVILEGED		9	Built-in	...
☐ Global Reader		Can read everything that a Global Administrator can, but not update anything.	PRIVILEGED		1	Built-in	...

docs.wetransact.io · 3/4

Here is the list of global administrators that can invite external users from your Partner Center. Please direct them to Partner Center so they can add WeTransact.

The screenshot shows the Microsoft Azure portal interface. The top navigation bar includes the Microsoft Azure logo, a search bar, and the user's profile (johan.aussenac@wetran... WETRANSACT (WETRANSACT.IO)). The breadcrumb trail indicates the path: Home > WeTransact | Roles and administrators > Roles and administrators | All roles > Global Administrator. The main heading is 'Global Administrator | Assignments'. Below this, there are several action buttons: '+ Add assignments', 'X Remove assignments', 'Download assignments', 'Refresh', and 'Manage in PIM'. A warning message states: 'You currently exceed the recommended number of Global administrator assignments.' There are also two informational messages: 'You can also assign built-in roles to groups now. Learn More' and 'Your delegated admin partner(s) can use this role to manage your tenant. See your Delegated admin partner(s)'. A search section is present with a 'Search by name' input field and a 'Type' dropdown menu set to 'All'. Below the search section, a table lists the global administrators. The first entry is 'Johan Aussenac' with the email 'johan.aussenac@wetransact.io', role 'User', and source 'Directory'.

Name	Email	Type	Source
Johan Aussenac	johan.aussenac@wetransact.io	User	Directory
