

How do I determine who has Global Admin & Owner status in Partner Center?

docs.wetransact.io/how-do-i-determine-who-has-global-admin-and-owner-status-in-partner-center

Determining who has Global Admin and Owner status in Partner Center ensures you know which users hold the highest-level permissions, allowing them to manage users, offers, settings, and program enrollments across the account. Please check the video below or follow the steps:

Select the filter by role option

The screenshot shows the Microsoft Partner Center interface. The left sidebar contains navigation links: Overview, My learning profile, My access, User management (selected), Programs, Agreements, Activity log, Organization profile, Legal info, Identifiers, Tenants, Microsoft Entra ID profile, Billing profile, Account merge, Company profile, CPV profile, Payout and tax, Payout and tax profiles, Payout and tax profile assignment, Security center, Administrative relationships, and Multi-factor authentication.

The main content area is titled "Account settings | User management". It has tabs for "Users", "Groups", and "Microsoft Entra applications". Below the tabs, there is a message: "Add, edit, or remove user accounts and assign permissions. [Learn more](#)". A link "Export learning users" is also present.

Below the message, there is a notification: "You are currently signed in as Alexandre.Pascal@wetransact.io. To manage a different Microsoft Entra tenant, sign out, then sign back in as a user with the Manager role. [Sign in as a different user](#)".

At the top of the user list, there are buttons for "Add user" and "Delete", and a dropdown menu for "Owner".
