

How do you assign Referral Admin user rights?

docs.wetransact.io/how-do-you-assign-referral-admin-user-rights

This loom shows you how to give someone the Referral Admin role in Microsoft Partner Centre. A global admin can assign this role to other users.

The **Referral Admin** role is required to enable and configure the **Deal Registration** tab in the WeTransact portal. Only a **global admin** can assign you the referral admin user rights.

It provides step-by-step guidance to ensure proper role assignment for seamless integration.
