WETRANSACT DOCS

Free Trial & Self-Setup

docs.wetransact.io/free-trial-and-self-setup

WeTransact is a Microsoft-native platform built to help software companies publish, sell, and grow on the Microsoft Marketplace, without needing a dedicated tech team or months of setup. From creating your listing to managing private offers, co-selling with Microsoft, and tracking revenue, WeTransact handles the complexity so you can focus on closing deals.

Start your free trial

Start your free 30-day trial

This section covers the two things that are specific to your setup:

How to add users to your account

This guide walks you through the steps to add a team member to your WeTransact portal under free trial. To add a user or team member.

Know More>

How to upgrade your plan when you're ready

This guide walks you through the steps to upgrade or change your subscription plan in the WeTransact portal.
