

Guide to Submitting the Claim for AI Build & Publish Marketplace Incentives FY27

docs.wetransact.io/guide-to-submitting-the-claim-for-ai-build-and-publish-marketplace-incentives-fy27

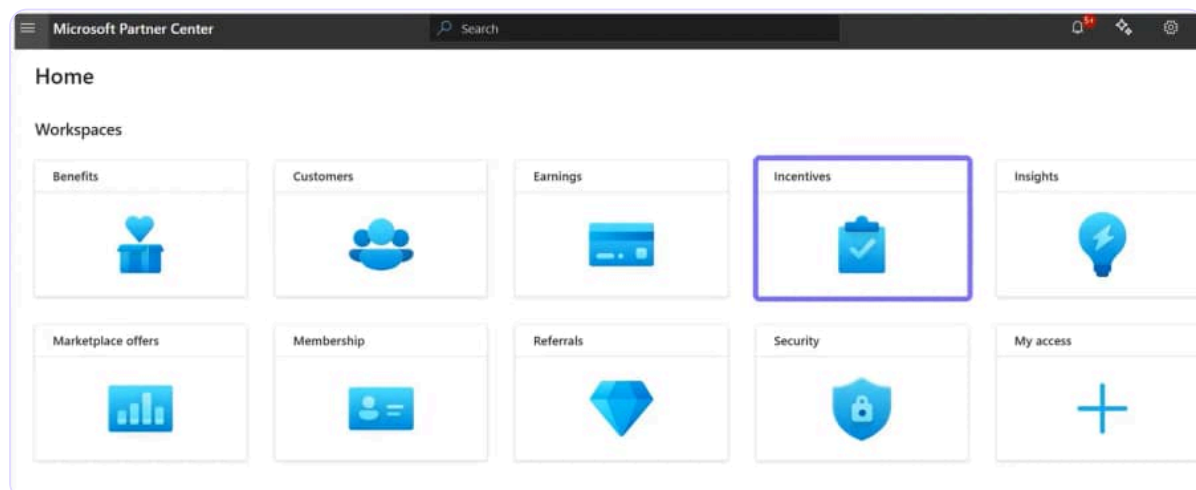

✓ Pre-Application Gates

Before applying, ensure you meet all of the following requirements:

Requirement	Details
Enrolment	Enrolled in the Microsoft Commercial Incentives program
Tax & Banking Setup	Tax and banking profile fully configured
Incentive Admin Role	Confirmed Incentive Admin role assigned
Solution on Azure	Solution uses Azure services (Azure AI or Azure Analytics)
Performance Gate	Achieve \$100K+ in marketplace build sales OR \$1M+ in MRR from a customer

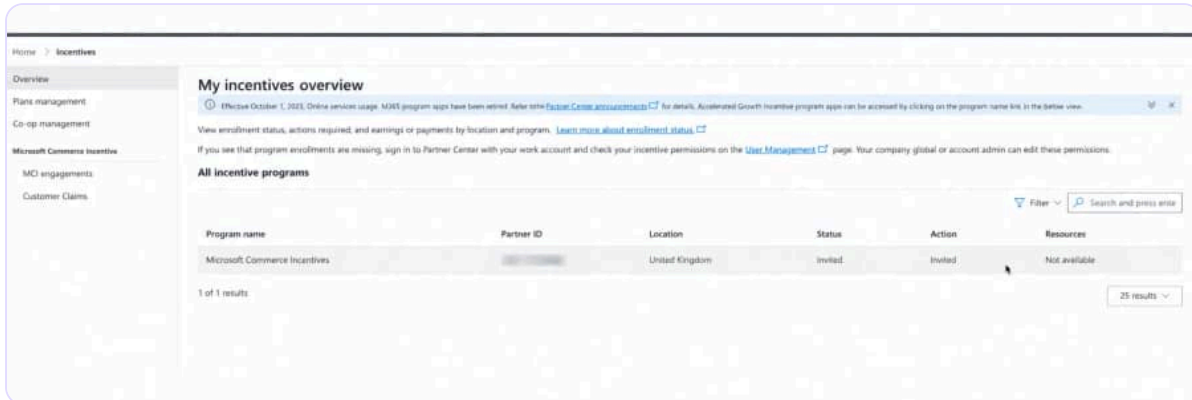

✓ Application Process

● Access Partner Center and Click on Incentive Workspace.

✓ Check Enrolment and Complete your Tax Profile

● If you are invited but not yet enrolled, the page will look like this (below). In that case, complete the enrolment

My incentives overview

Effective October 1, 2023, Online services usage, M2S5 program apps have been retired. Refer to the [Partner Center announcements](#) for details. Accelerated Growth incentive program apps can be accessed by clicking on the program name link in the below view.

View enrollment status, actions required, and earnings or payments by location and program. [Learn more about enrollment status](#)

If you see that program enrollments are missing, sign in to Partner Center with your work account and check your incentive permissions on the [User Management](#) page. Your company global or account admin can edit these permissions.

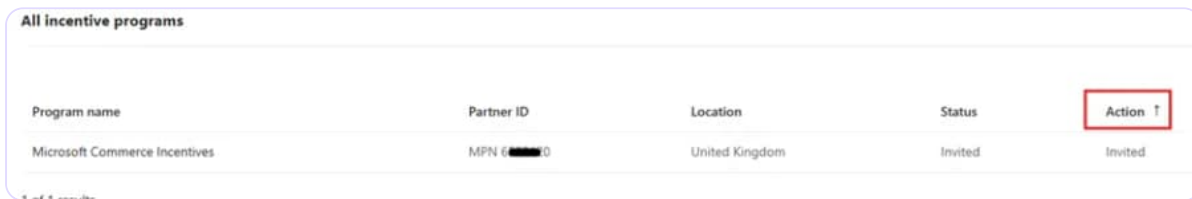

All incentive programs

Filter Search and press enter

Program name	Partner ID	Location	Status	Action	Resources
Microsoft Commerce Incentives	MPN 6	United Kingdom	Invited	Enroll	Not available

1 of 1 results 25 results

● Click on Action.

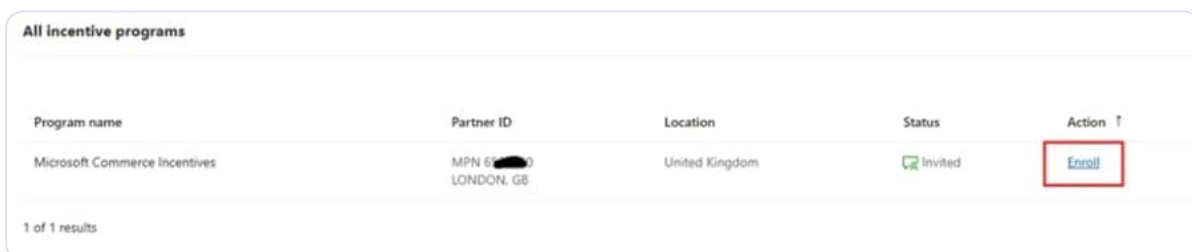

All incentive programs

Program name	Partner ID	Location	Status	Action
Microsoft Commerce Incentives	MPN 6	United Kingdom	Invited	Enroll

1 of 1 results

When a client shows Status = Invited and Action = Enroll, that Enroll button won't work directly. You need to first select the button next to the program name. That refreshes the display, and only then can the client click Enroll.

● Then the enrolment form will show; click on Enrol

All incentive programs

Program name	Partner ID	Location	Status	Action
Microsoft Commerce Incentives	MPN 6	United Kingdom	Invited	Enroll

1 of 1 results

● If you do not see the button, then check your email with the subject: 'Partner Incentive Enrollment Invitation'.

Note : If not found, raise a ticket using this [guide](#)

● Complete the Tax profile and payout profile.

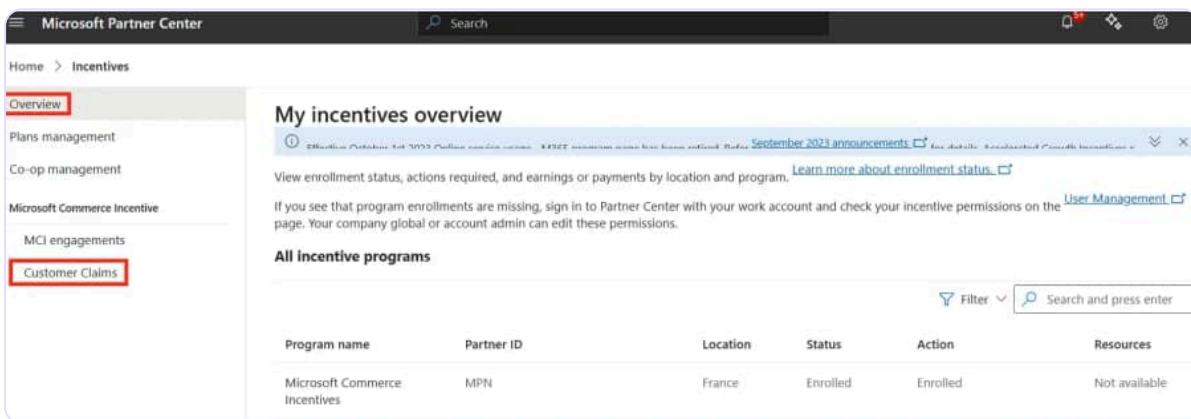

Campaigns	MPN  WeTransact, FR, Lyon	France	Enrolled	Not available	Program guide
Microsoft Commerce Commerce Incentives	MPN  Amerique WeTransact Inc., CA, Montreal	Canada	Action required	Update payment profile	Program guide
Microsoft Commerce Commerce Incentives	MPN  Grumble Chronicles, IN, Mumbai	India	Action required	Update tax profile	Program guide
Microsoft Commerce Commerce Incentives	MPN 	Australia	Enrolled	Not available	Program guide
Campaigns	MPN 	South Africa	Action required	Update payment and tax profile	Program guide
Campaigns	MPN 	Canada	Enrolled	Not available	Program guide

● Please follow the [guide](#) to complete the tax and payout profile

✓ Customer Claims

Once the tax and payout profile is complete, submit a claim.

● Navigate to the Customer Claims section.

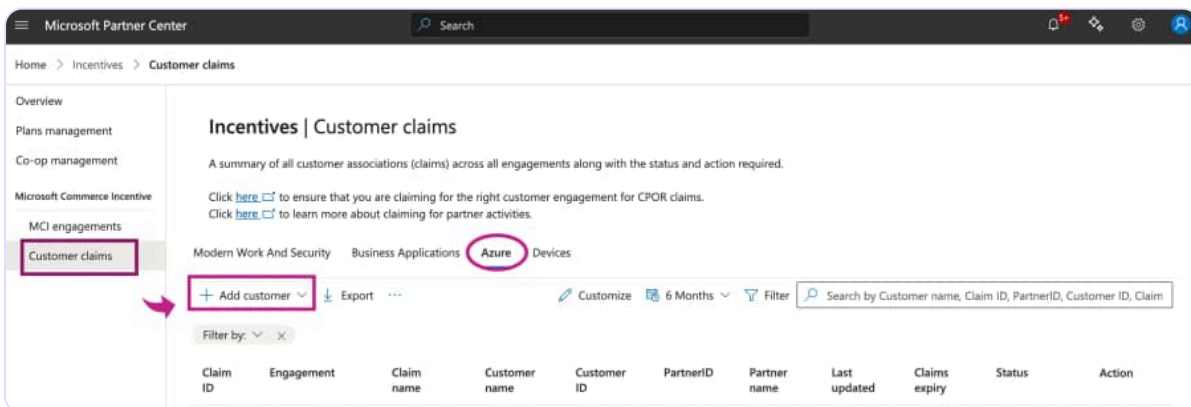

The screenshot shows the 'My incentives overview' page in the Microsoft Partner Center. The left sidebar has 'Overview' selected, and 'Customer Claims' is highlighted with a red box. The main content area shows a table of all incentive programs. The table has columns: Program name, Partner ID, Location, Status, Action, and Resources. The first row shows 'Microsoft Commerce Incentives' with Partner ID 'MPN', Location 'France', Status 'Enrolled', and Action 'Enrolled'.

Program name	Partner ID	Location	Status	Action	Resources
Microsoft Commerce Incentives	MPN	France	Enrolled	Enrolled	Not available

✓ Add Customer

● Go to Customer Claims, select Azure, and click on Add customer

The screenshot shows the 'Incentives | Customer claims' page in the Microsoft Partner Center. The left sidebar has 'Customer claims' selected. The main content area shows a summary of all customer associations (claims) across all engagements along with the status and action required. The 'Azure' tab is selected. Below the tabs, there is a '+ Add customer' button highlighted with a red box. Below the button, there is a table with columns: Claim ID, Engagement, Claim name, Customer name, Customer ID, PartnerID, Partner name, Last updated, Claims expiry, Status, and Action.

Claim ID	Engagement	Claim name	Customer name	Customer ID	PartnerID	Partner name	Last updated	Claims expiry	Status	Action
----------	------------	------------	---------------	-------------	-----------	--------------	--------------	---------------	--------	--------

1. Associate Customer

- Assign a **name** to the claim for tracking.
- Select your **Partner Location**.
- Set **Customer ID Type** to **Tenant ID**.
- Enter your **Tenant ID** (since you're applying for the incentive).

All active, enrolled and eligible PartnerIDs formerly MPNIDs, that you have access to are shown in the dropdown below. The tenant id associated with the domain name provided will be used to determine customer eligibility. If a tenant id can't be found using the domain name, you will need to provide the tenant ID or TPID for the customer. For variable pay engagements you will need to provide the Opportunity ID for the customer. [Manage enrollments](#)
