

MICROSOFT MARKETPLACE ONBOARDING

Onboarding playbook – roles & responsibilities

Everything your team needs to get live on Microsoft Marketplace in one week. Built for the Alliance Manager: the checklist on the next page has one owner per block – share it with your Global Admin, Finance and Marketing leads and the work is clear.

Share this playbook · wecalendar.github.io/WeTransact-Onboarding-Playbook.pdf

Global Admin

Partner Center enrolment, legal validation and access – **only this role can complete the setup**. About 45 minutes plus call 1.
[Download & forward this PDF to your Global Admin →](#)

Finance

Tax and payout profile details, and how Marketplace money flows – fees, payout timing, taxes.
[Download & forward this PDF to Finance →](#)

Marketing / PMM

The listing collateral checklist – logo, screenshots, copy, links – plus call 2 where we build and publish.

**Not sure who your Global Admin is?**

This guide shows who holds Global Admin & Owner status »

The onboarding checklist

Three owners, two short calls, one week. More details: bestpractices.wetransact.io/onboarding

Why the Global Admin must join call 1 · Microsoft only accepts enrolment, legal validation, access and payout setup from the Partner Center **Global Admin** – without them on the call, go-live slips.

Global Admin

on call 1 – Partner Center setup (30–45 min, with your CSM)

- ☐ **Domain hosted on Google?** Create a Microsoft work account first [guide →](#)
- ☐ **Enrol in the commercial marketplace** – Partner Center account + E-SIGN agreement
- ☐ **Validate the company's legal information**
- ☐ **Give WeTransact access to Partner Center** [guide →](#)
- ☐ **Complete the tax & payout profile** – 48 h Microsoft validation [guide →](#)

Finance

provides before call 1 – for the tax & payout profile

Legal company name

Legal address

Beneficiary email & contact

IBAN

Tax ID

Marketing

provides for call 2 – platform walkthrough (30–45 min); we build & publish the listing

- | | |
|--|---|
| ☐ Logo – 216 × 216 px | ☐ 3 search keywords |
| ☐ Screenshots – up to 5, ≥ 1280 × 720 px | ☐ One-pager PDF + optional video URL |
| ☐ Tagline – max 100 characters | ☐ Privacy, support & terms URLs |
| ☐ Description – max 5,000 characters | ☐ Pricing plan(s) – at least one |
| | ☐ Azure subscription ID guide → |

Your **CSM** runs both calls, submits everything, monitors Microsoft validation and builds the listing – you review and approve.

DAY 1

Kickoff – portal access via Microsoft SSO, owners identified.

DAYS 1–3

Call 1 – Partner Center setup; tax & payout submitted.

DAYS 3–5

Call 2 – listing built and submitted for certification.

DAYS 5–7

Go-live – listing live and transactable.
