

Error: looping to same page

docs.wetransact.io/error-looping-to-same-page

If you get the error below 🖱️ after clicking **Login and giving consent**, it loops you back to the same page. Please follow this guide.

User Rights in Partner Center

To set up the Deal Registration tab in the WeTransact portal, you will need the Referral Admin user rights in Partner Center.

Note: Only a Global Admin can assign you the Referral Admin user rights.

🚀 Please check the [loom](#) to assign the Referral Admin user rights in Partner Center.

Note: Please make sure you have set up the **Finance Tab** in the Wetransact portal. You can follow this guide [here](#) to set it up. To set this tab, you will need **Global Admin** and **Owner** user rights in the partner center.

🚀 Once you set up the **Finance tab**, please click on **Login and Give Consent**. It should setup **Deal Registration** tab.
