

# How do I determine who has Global Admin & Owner status in Partner Center?

[docs.wetransact.io/how-do-i-determine-who-has-global-admin-and-owner-status-in-partner-center](https://docs.wetransact.io/how-do-i-determine-who-has-global-admin-and-owner-status-in-partner-center)

---

Determining who has Global Admin and Owner status in Partner Center ensures you know which users hold the highest-level permissions, allowing them to manage users, offers, settings, and program enrollments across the account. Please check the video below or follow the steps:

## Select the filter by role option

The screenshot displays the Microsoft Partner Center interface, specifically the 'Account settings | User management' section. The left sidebar contains various navigation options, with 'User management' highlighted. The main content area shows a list of users with their roles. The 'Users' tab is selected, and the 'Filter by role' dropdown is set to 'Owner'.
