

# How to create a Private Offer?

docs.wetransact.io/how-to-create-a-private-offer

Creating a private offer in the WeTransact portal lets you provide a custom, non-public deal to a specific customer with tailored pricing and terms. You define the offer details, select the target customer, set the validity period, and publish it so only that customer can view and accept it through the Marketplace.

You can create up to 120 months or 10 years subscription length in Private Offer.

## Prerequisites for Private offer

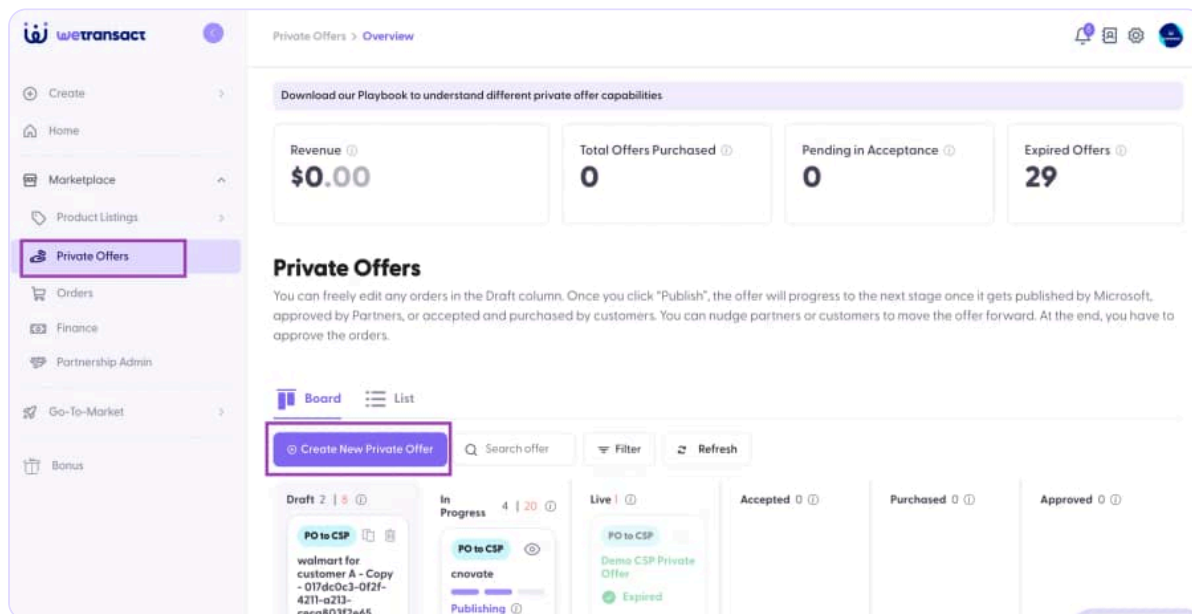

Billing ID of the customer

Terms and Conditions (Optional)

Acceptance before the start date

Final negotiated price

## Sign in to WeTransact portal and click on Private offer tab

## Choose 'Direct private Offer' option

Wetransact Private Offers > Create New Private Offer

**Discover Exclusive Deals with Private Offers**  
Unlock tailored solutions designed to fit your unique business needs. Private Offers in Microsoft Marketplace gives you access to exclusive deals, custom pricing, and personalized terms from trusted partners.

**Create New Private Offer** Draft

Step 1 of 3

**Select your offer type**

**Direct Private Offer** Private Offer to CSP Multiparty Private Offer

**Offer Name**  
Enter name

**Offer Starts** **Offer Ends**  
Starts when the customer accepts the offer Select date

**Customer's Billing ID**  
Enter the Billing ID

**Need a hand? We're here to help!**

**How to Set Up Direct Private Offers**  
Learn step-by-step how to create and customize direct private offers.

**Accepting a Private Offer**  
Send this to your customer to ensure they complete the offer purchase.

**Where to Find a Private Offer**  
Your customer will get an email to accept the offer, but this is another way for them to access it.

**Next**

## Fill out the details

| Offer Name                                | Enter the Name of the private offer                                   |
|-------------------------------------------|-----------------------------------------------------------------------|
| Offer Starts                              | When you want the offer to start                                      |
| Offer Ends                                | Offer end date                                                        |
| Customer's Billing ID                     | Customer's billing ID                                                 |
| Renewal Toggle                            | If the private offer is a renewal, use this toggle                    |
| Who needs to be notified?                 | Customer's email, up to 5 emails can be added                         |
| Prepared By                               | Email of the user who's preparing the private offer                   |
| Customer Acceptance Deadline              | You can set a deadline, if the date passed, offer will be expired.    |
| Select Publisher Location                 | If you have more than one location                                    |
| Choose Product Listings                   | if you have more than one listing choose the listing you want to use. |
| Attach Terms & Conditions File (Optional) | MSA or any agreement that you wish to be accepted by the customer     |

## Pick the public plan this offer is based on

Now, you will need to pick an existing public plan to base the offer on,

Private Offers > Create New Private Offer

Step 2 of 3

**Choose your template**

Pick the public plan this offer is based on – it's your pricing starting point and the plan the subscription can renew into. You can set any contract term (1–120 months or 1–10 years) and billing frequency on top of it, then set **Order Approval** per plan.

Choosing the length of the subscription / contract term

Private Offers > Create New Private Offer

Contract term ⓘ

e.g. 18 Months Years

1–120 months or 1–10 years. Multiples of 12 months are shown as years.  
Enter a term between 1 and 120 months (1 to 10 years).

Do you want to use flexible billing?

Flexible Billing lets you set milestone payments, quarterly cycles, delayed billing, or annual price increases.

☒ No

Billing Interval ⓘ Currency Price Multi-currency

One-time EUR 10999 Total for the term: 10,999 EUR

12499 USD 10999 GBP 19999 AUD

Add

Need a meter that isn't on this plan? A public plan must be created first – [create one in Product Listings](#)

AFTER THE TERM

## Renewal

The screenshot shows the 'Create New Private Offer' page in the WeTransact interface. The left sidebar contains navigation links: Create, Create Private Offer, Create Product Listing, Home, Marketplace, Product Listings, Private Offers, Orders, Finance, Partnership Admin, Go-To-Market, and Bonus. The main content area is titled 'Private Offers > Create New Private Offer'. It features a '10999' price field with a currency dropdown set to 'GBP' and a trash icon. Below this is a note: 'Need a market that isn't on this plan? A public plan must be created first - [create one in Product Listings](#)'. The 'AFTER THE TERM' section is highlighted with a red box and contains the following options: 'Renewal' (At the end of the term, the subscription renews into your template plan **TransactCertified** (the public plan this offer is based on). Choose when that happens.), 'Renew into this private offer' (Keeps these terms while the private offer is active, then falls back to the public plan.), 'Renew into the public plan' (Goes straight to the public plan at the end of the current term.), and 'Public term to renew into' (Select...). Below this is an 'Order approval' section with a toggle switch set to 'No'. The bottom right corner has a 'Next' button.

## Review the private offer and publish it

The screenshot shows the 'Create New Private Offer' page in the WeTransact interface, displaying the 'OFFER DETAILS' and 'PRICING DETAILS' sections. The left sidebar is the same as in the previous screenshot. The main content area is titled 'Private Offers > Create New Private Offer'. The 'OFFER DETAILS' section includes: 'Offer Name' (WeTransact), 'Customer Acceptance Deadline' (30 Jul 2026), 'Offer Starts' (When offer is accepted), 'Offer Ends' (31 Dec 2026), 'Customer Billing ID' (123456789), 'Who needs to be notified?' (null@we-transact.io), 'Prepared By' (null@we-transact.io), 'Selected Product Listings' (WeTransact (PP)), 'Publisher Location' (Default), and 'Terms & Conditions' (N/A). The 'PRICING DETAILS' section includes a table with columns: Product, Subscription Length, Billing Interval, Price, and Multi-currency. The table has one row: 'WeTransact (PP)', '2 Years', 'One-time', '10999 EUR', and '12499 USD, 10999 GBP, 10999 AUD'. Below the table is a 'RENEWAL' section with the text: 'Renews on these terms while the offer is active, then into the public plan - 1 Year, One-time'. The bottom right corner has a 'Publish' button.
