

How to download the incentive justification?

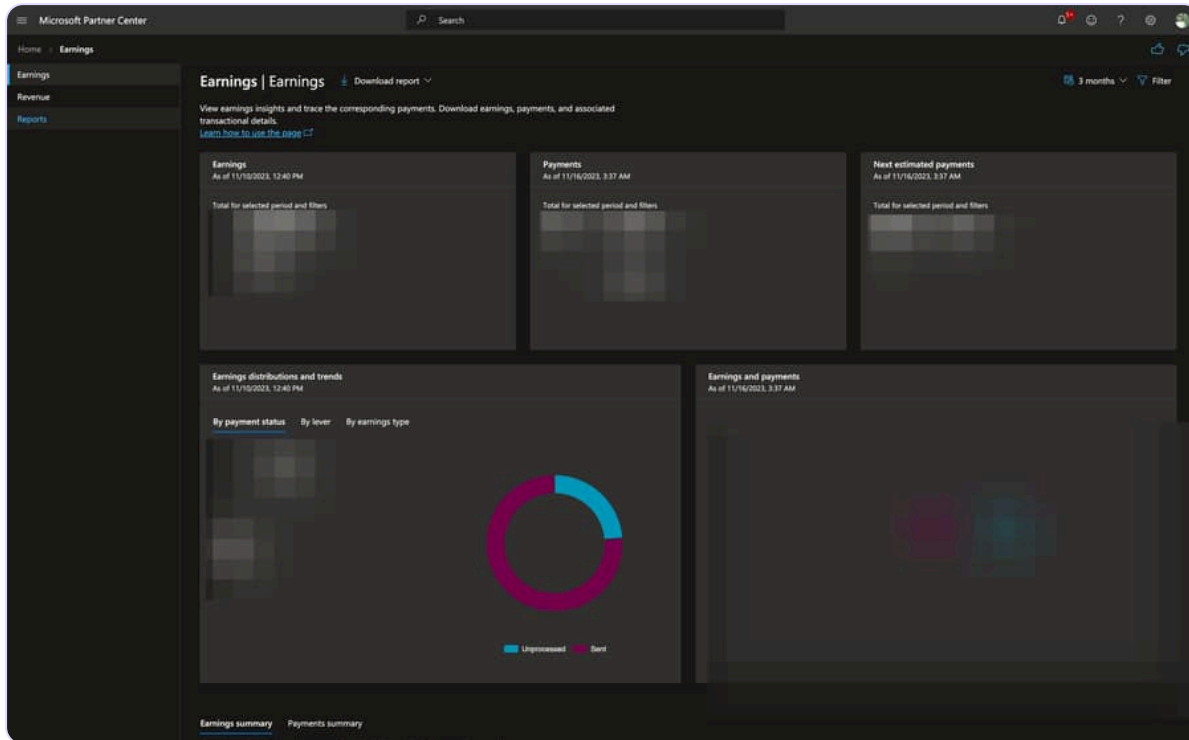

docs.wetransact.io/how-to-download-the-incentive-justification

Downloading the incentive justification allows you to access Microsoft's detailed breakdown of your incentive earnings, helping you verify transactions and understand payout calculations. Please check below:

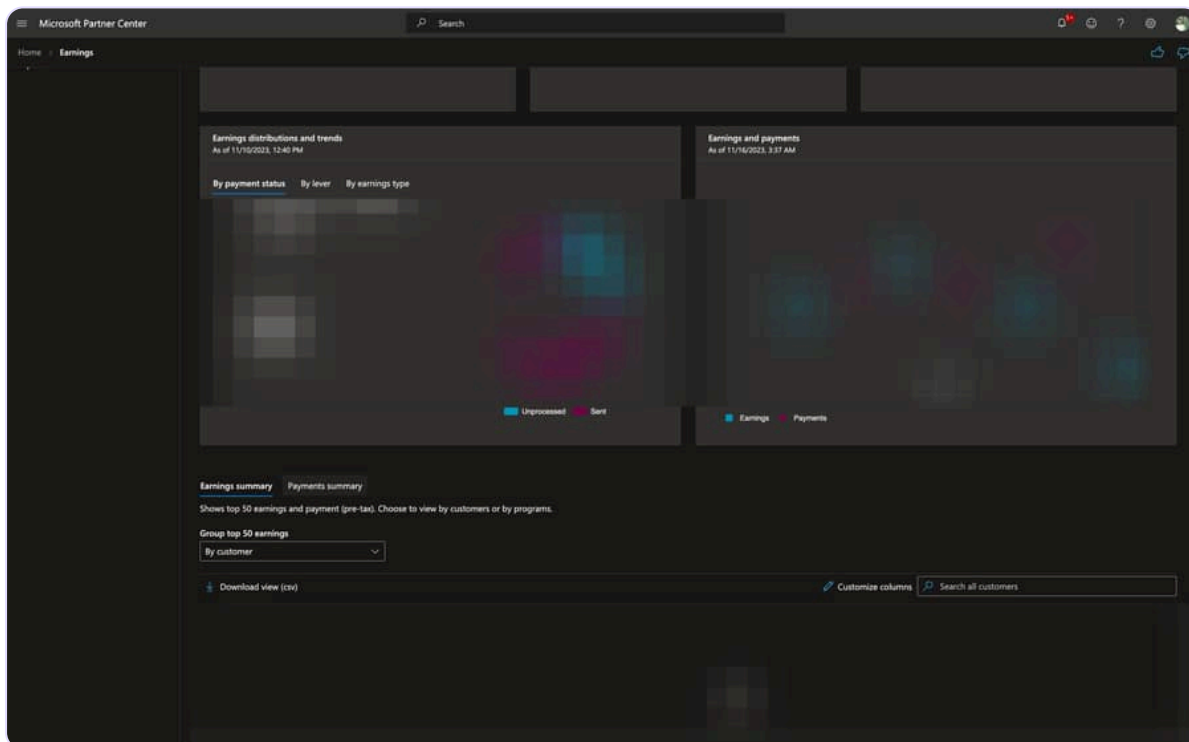

● Click on Earnings

2. On that page you just need to scroll down.

● Click on Payment Summary

● Click and download the payment remittance. This is the justification.

Earnings summary Payments summary

Shows all payment orders, sorted by most recent. Only time, program, earning type, enrollment ID, location, payment status, and payment ID filters apply.
