The screenshot shows the Microsoft Partner Center interface. The left sidebar contains navigation links: Overview, My learning profile, My access, User management, Programs, Agreements, Activity log, Organization profile (Legal info, Identifiers, Tenants, Microsoft Entra ID profile, Billing profile, Account merge, Company profile, CPV profile), Payout and tax (Payout and tax profiles, Payout and tax profile assignment), and Security center (Administrative relationships, Multi-factor authentication). The main content area is titled 'Account settings | Payout and tax profile assignment'. It includes a table with columns: Program and location, Tax profile status, Payment profile status, and Verification status. The table lists several programs, including Azure Marketplace, Campaigns, and Microsoft Commerce Incentives, with their respective statuses. A blue notification banner at the top indicates that multi-factor authentication (MFA) is recommended and that there are 3 enrollments requiring payment and/or tax profile assignments.
