

Step 3 – Enroll in the Required Partner Center Programs

docs.wetransact.io/step-3-enroll-in-the-required-partner-center-programs

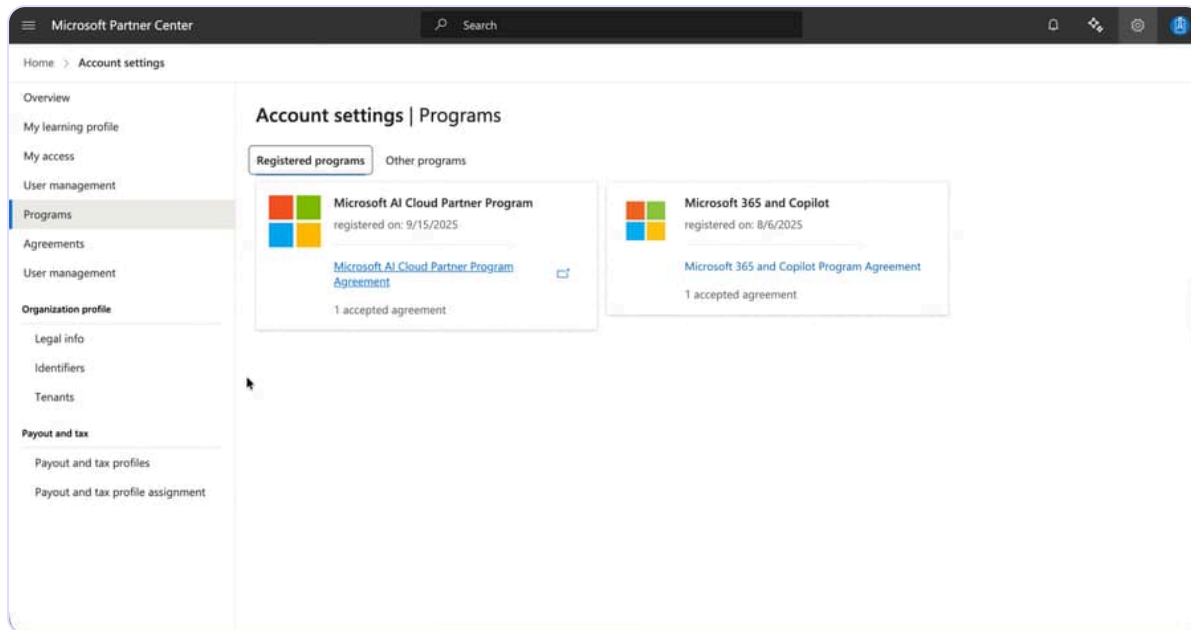

To start selling on the Marketplace, an ISV must enrol in both the Microsoft AI Cloud Partner Program and the Commercial Marketplace program. To enroll, log in to Partner Center, select Become a Partner, and follow the steps to join the required programs.

User Rights: You will need Global Admin and Owner user rights to complete this step

1. Log in to [Partner Centre](#).
2. Click on Settings and Account Settings

3. Click on Programs & Other Programs.

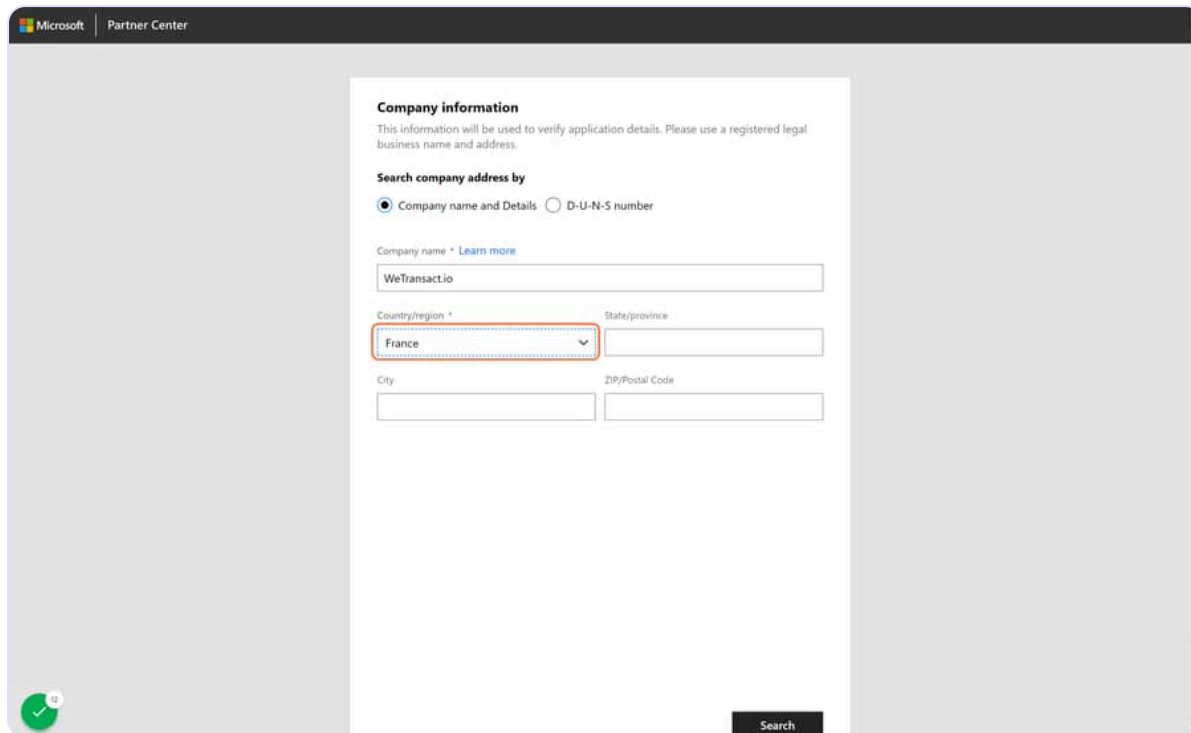

4. Click on Commercial Marketplace

! You will need your company details, such as legal address, DUNS number, registration number

5. Enter the company address, and if you have DUNS, search by DUNS or by the address.

The screenshot shows the 'Company information' form in the Microsoft Partner Center. The form is titled 'Company information' and includes a note: 'This information will be used to verify application details. Please use a registered legal business name and address.' Below this, there is a section 'Search company address by' with two radio buttons: 'Company name and Details' (selected) and 'D-U-N-S number'. Under the 'Company name and Details' section, there is a text input field for 'Company name' with a 'Learn more' link. The 'Company name' field contains the text 'WeTransact.io'. Below this, there are four input fields: 'Country/region' (a dropdown menu), 'State/province', 'City', and 'ZIP/Postal Code'. At the bottom right of the form, there is a 'Search' button. A green checkmark icon is visible in the bottom left corner of the page.

6. Select the country you are incorporated in

Microsoft | Partner Center

Company information

This information will be used to verify application details. Please use a registered legal business name and address.

Search company address by

☒ Company name and Details ☐ D-U-N-S number

Company name * [Learn more](#)

WeTransact.io

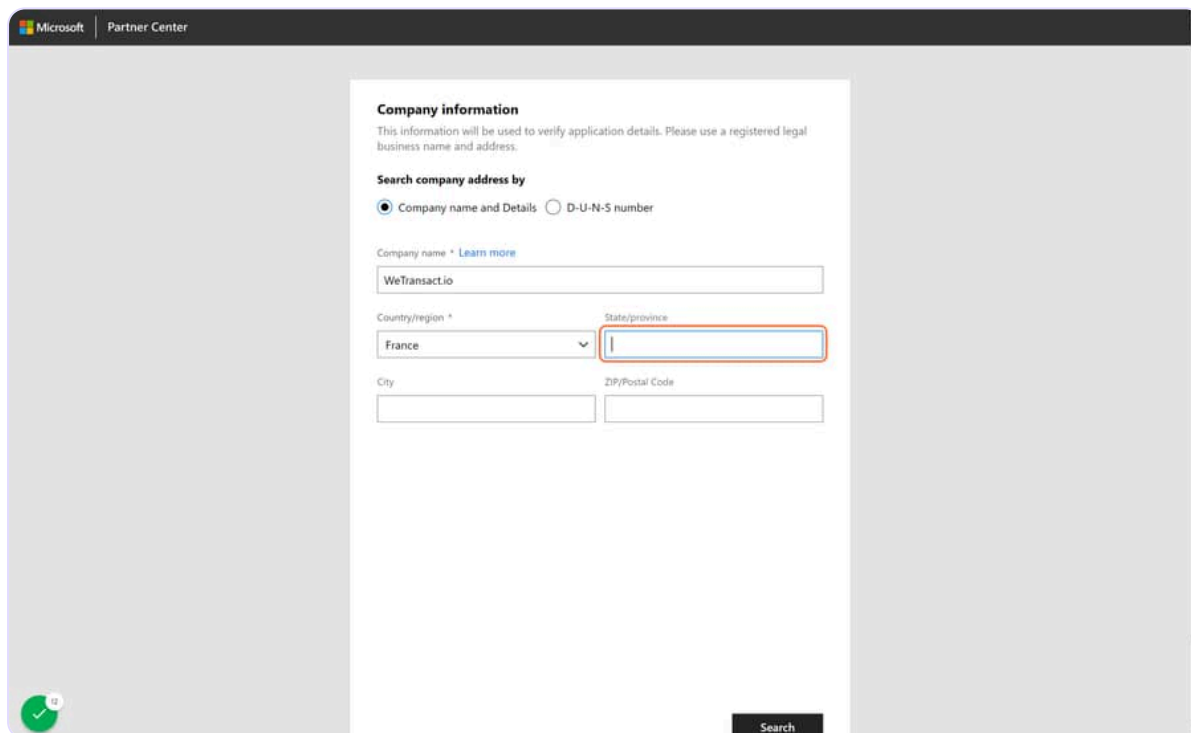

Country/region * State/province

France

City ZIP/Postal Code

Search

7. Fill state, province and city
