● Click on Subscribed to page notifications from people you may know. Click to manage.

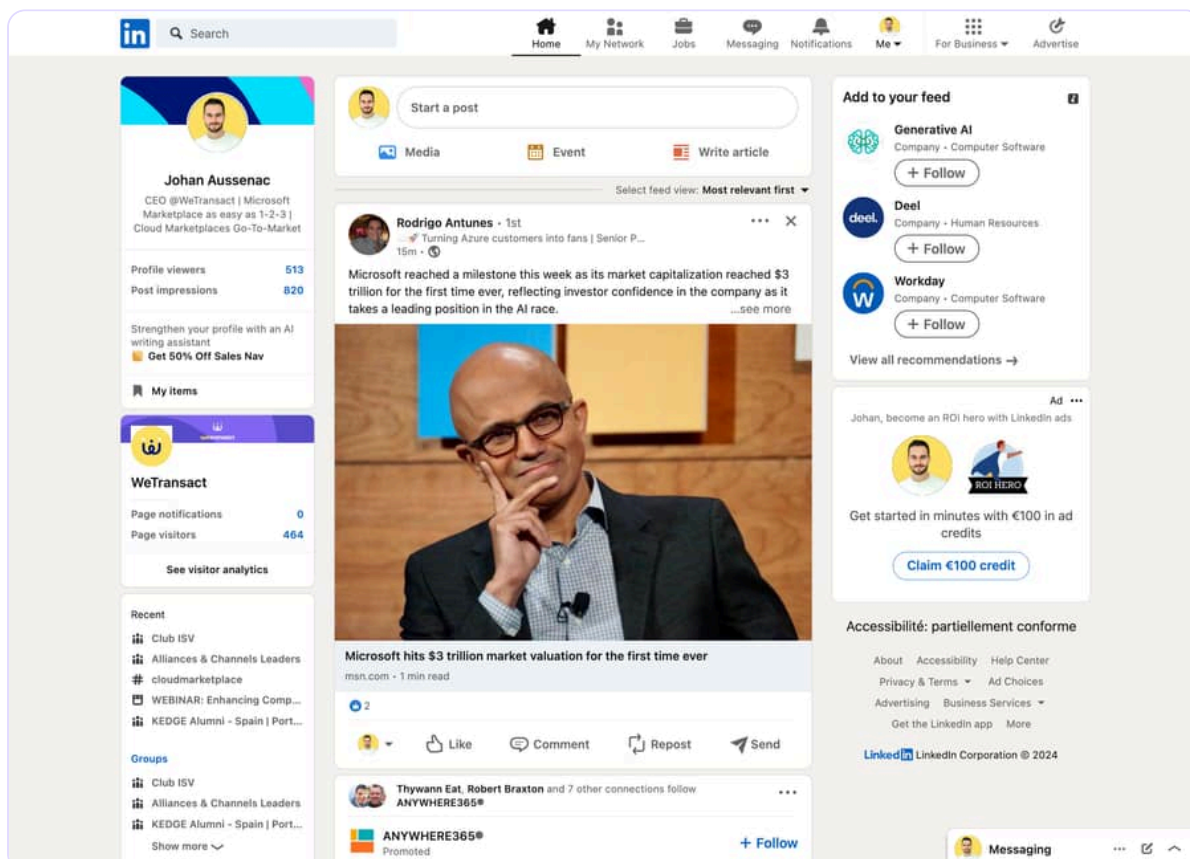

The screenshot shows the LinkedIn profile of WeTransact. The header includes the LinkedIn logo, a search bar, and navigation icons for Home, My Network, Jobs, Messaging, Notifications, Me, For Business, and Advertise. Below the header, a blue bar indicates "You are viewing this page as a member" with a "View as admin" button. The main profile section features the WeTransact logo, name, and a tagline: "Say goodbye to tedious listing processes and hello to cash!". It also lists the location (Lyon, Auvergne-Rhône-Alpes), number of followers (1K), and employees (2-10). A section titled "Juan Jose & 12 other connections work here" is visible. Below this are buttons for "Message", "Following", and a menu icon. The "About" section describes the company's mission: "After dealing with the hassle of publishing over hundreds of SaaS apps, We knew there had to be a better way. So, we created WeTransact – a solution that's perfect for any SaaS company, big or small. WeTransact makes publishing into Microsoft Marketplace as easy as 1-2-3. So why wait?". It also provides contact information (wetransact.io, +33 7 56 83 03 89) and funding details (Funding via Crunchbase, Non equity assistance). A "Show all details" link is present. The "Featured" section is partially visible at the bottom. On the right, there are two promotional cards: one for finding skilled professionals and another for pages people also viewed, including SkillVill, Factorial, and Crayon.

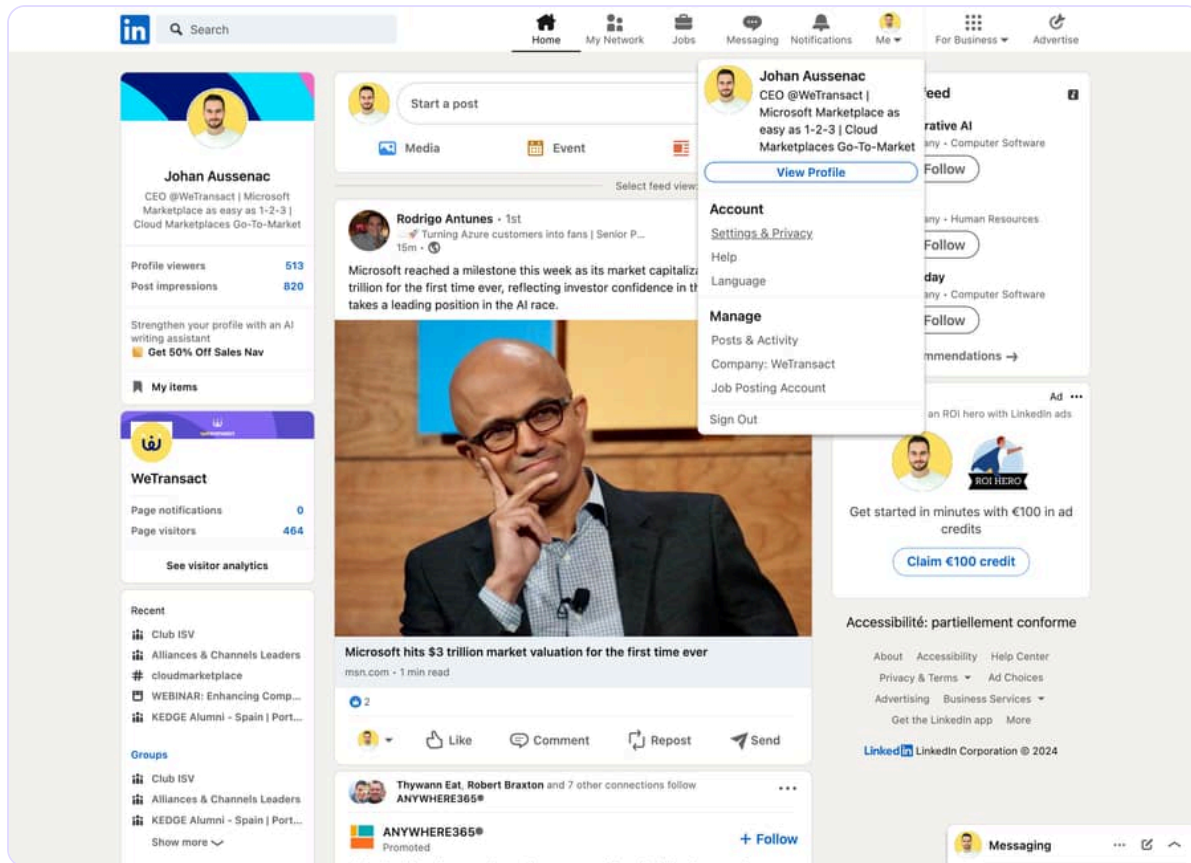

Select All new posts...

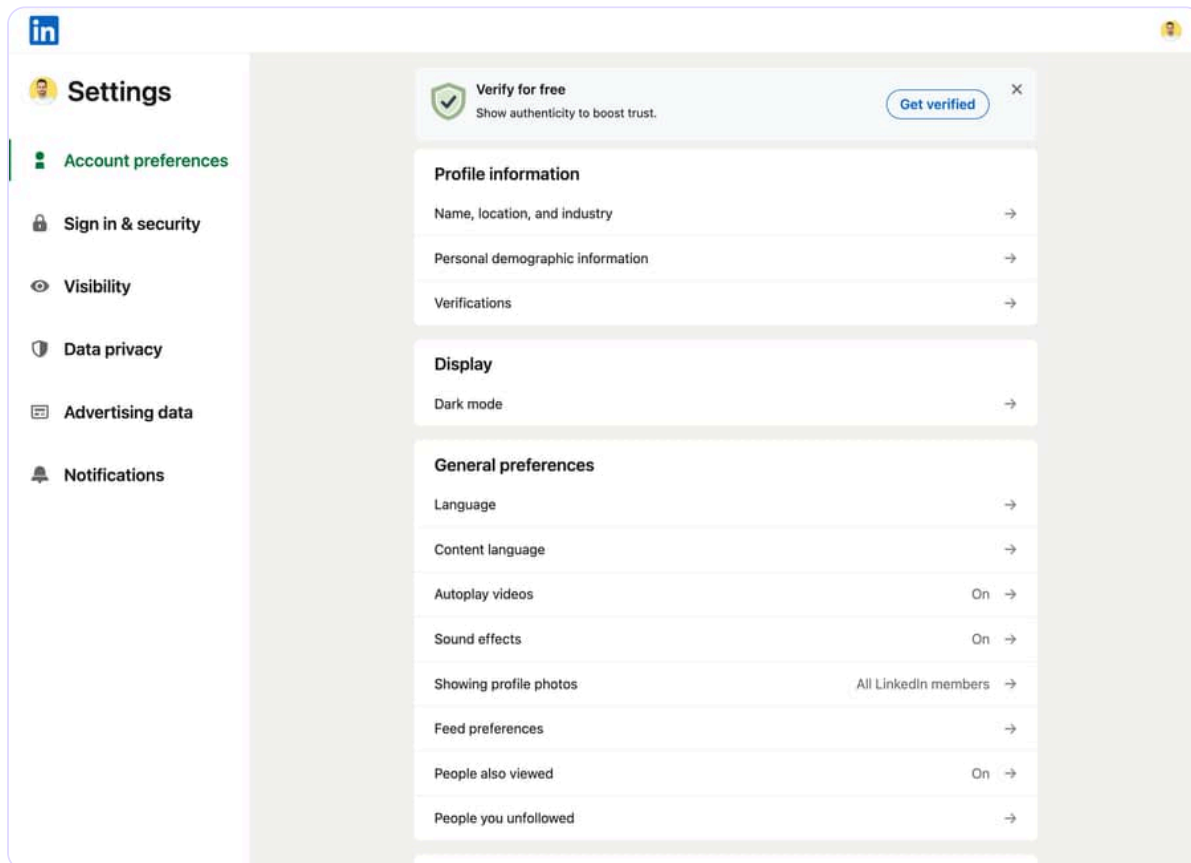

Then we're going to make sure everybody receives notifications when something new is posted on the page.
