

Assign Global Admin to another user in Partner Center

docs.wetransact.io/assign-global-admin-to-another-user-in-partner-center

This guide will help Global Admin to assign other users Global Admin. permissions.

Sign in to Microsoft Partner Center (<https://partner.microsoft.com/>)

● Click on Settings

Click on Account Settings

The screenshot shows the Microsoft Partner Center Home page. The top navigation bar includes the Microsoft Partner Center logo, a search bar, and user account icons. The main content area is titled "Home" and features a grid of "Workspaces" including Benefits, Customers, Earnings, Insights, Marketplace offers, Membership, Referrals, Security, and My access. A "Quick starts" section is at the bottom. The user's profile dropdown menu is open, showing links for Account settings, My preferences, Color mode, English (United States), and About.

The screenshot shows the Microsoft Partner Center Account settings | Overview page. The left sidebar contains a navigation menu with options like Overview, My learning profile, My access, User management (selected), Programs, Agreements, Activity log, Organization profile, Legal info, Identifiers, Tenants, Microsoft Entra ID profile, Account merge, Company profile, CPV profile, Payout and tax, and Security center. The main content area displays the "My profile" section with user details: Name (Ruby Sran), User name (ruby.sran@wetransact.io), and Partner Center permissions (View permissions, Request access, Learn more). It also includes a "How to change your password?" section with a link to "Learn more". The "Quick starts" section at the bottom provides links for Getting around account settings, Find your workspaces, roles and admins, Manage your legal profile, Find IDs and domain names, Link Microsoft learning account, and Enroll in programs.
