Please follow these instructions carefully. The Microsoft Team that validates Legal profiles is very picky and will need to have documentation that exactly match the information from your profile. Otherwise, it can result in a lot of back and forth.

The screenshot shows the Microsoft Partner Center interface. The top navigation bar includes the Microsoft Partner Center logo, a search bar, and user account icons. The left sidebar contains a list of navigation items: Overview, My learning profile, My access, User management, Programs, Agreements, Activity log, Organization profile, Legal info (highlighted), Identifiers, Tenants, Microsoft Entra ID profile, Billing profile, Account merge, Company profile, CPV profile, Payout and tax, and Security center. The main content area is titled 'Account settings | Overview' and contains sections for 'My profile' (Name: Johan Aussenac, User name: johan.aussenac@wetransact.io, Partner Center permissions: View permissions, Request access, Learn more), 'How to change your password?' (Sign out of Partner Center and then select 'Can't access my account' from Sign in screen. Learn more), and 'Quick starts' (Getting around account settings, Find your workspaces, roles and admins, Manage your legal profile, Find IDs and domain names, Link Microsoft learning account, Enroll in programs).

Here all the Partner | Developer have to be Green. The reseller part is optional and may not apply to you.
