

How do I select a publisher location for the product listing?

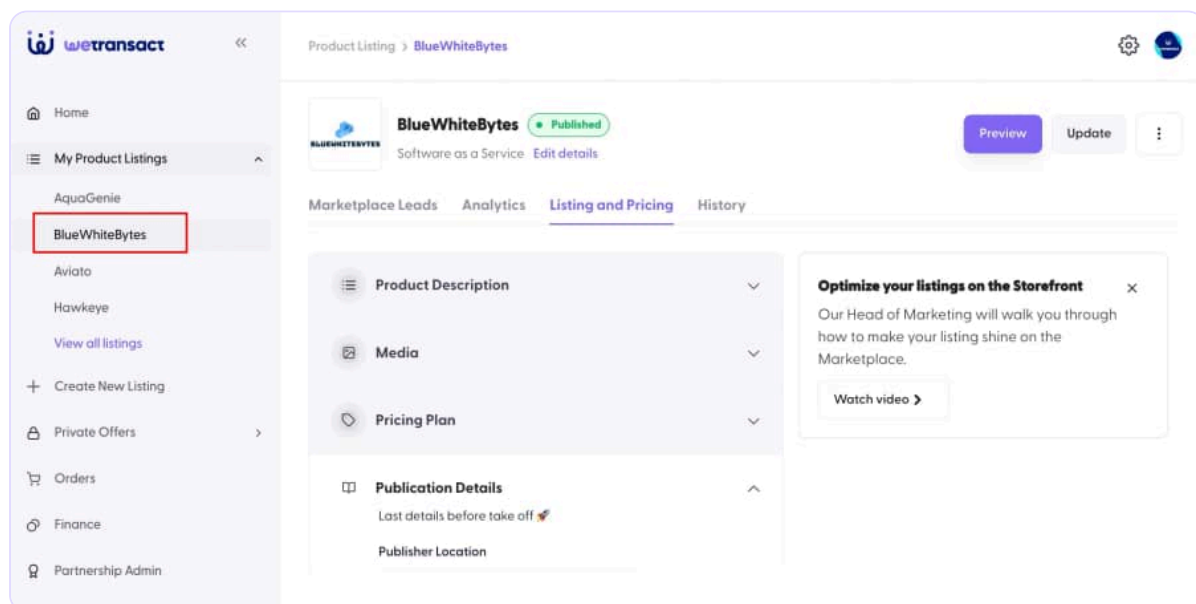

docs.wetransact.io/how-do-i-select-a-publisher-location-for-the-product-listing

When you have multiple publisher locations configured in Partner Center, it's important to select the correct one before publishing your offer. Choosing the right publisher location ensures your product listing is associated with the intended regional entity. Follow the steps below to confirm and publish your offer to the correct location.

Click on " My Product Listings".

Select your listing

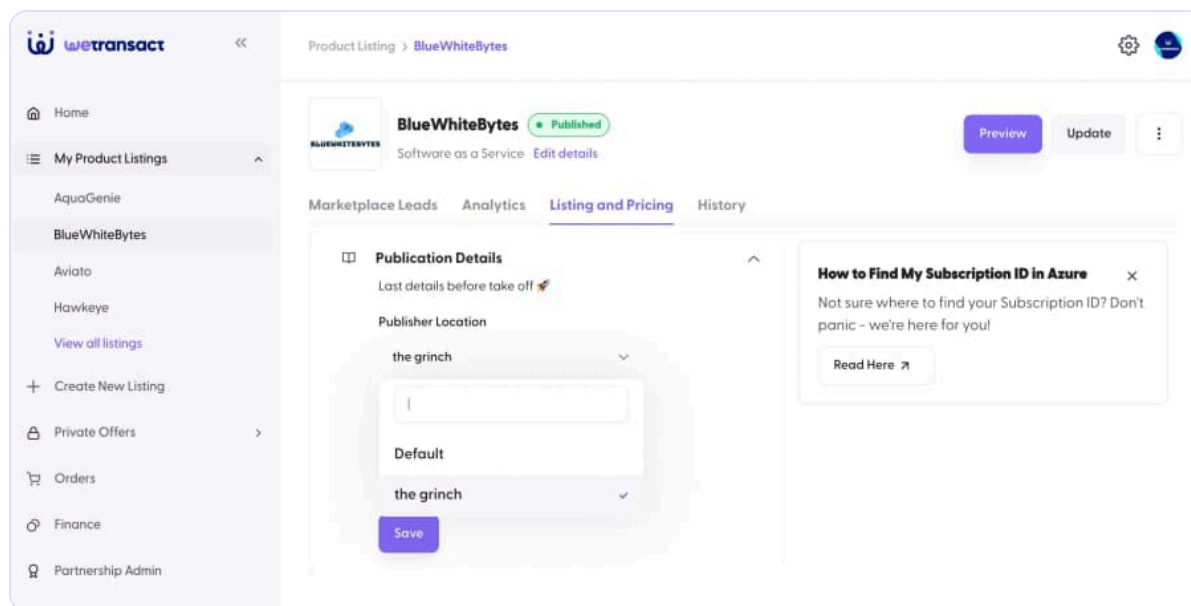

Go to Listing and pricing and scroll down to Publication Details

The screenshot shows the Wetransact dashboard for the 'BlueWhiteBytes' product listing. The left sidebar contains navigation links: Home, My Product Listings (expanded), AquaGenie, BlueWhiteBytes (selected), Aviato, Hawkeye, View all listings, Create New Listing, Private Offers, Orders, Finance, and Partnership Admin. The main content area shows the product listing for 'BlueWhiteBytes' with a 'Published' status. The 'Listing and Pricing' tab is active, and the 'Publication Details' section is highlighted with a red box. Other tabs include Marketplace Leads, Analytics, and History. A 'How to Find My Subscription ID in Azure' notification is visible on the right.

Click on Publisher Location drop down.
