

How to Activate/Accept Order?

docs.wetransact.io/how-to-activateaccept-order

Activating or accepting an order in the WeTransact portal confirms the customer's purchase and triggers the provisioning process. Follow the steps below:

- **Click on Orders Tab on the left menu.**

● You will see the new order, Scroll on the right to see the action button.

The screenshot shows the Wetransact dashboard with a list of orders. The 'New' filter is selected, and the 'Excel-erate Analytics' order is highlighted. The order details are as follows:

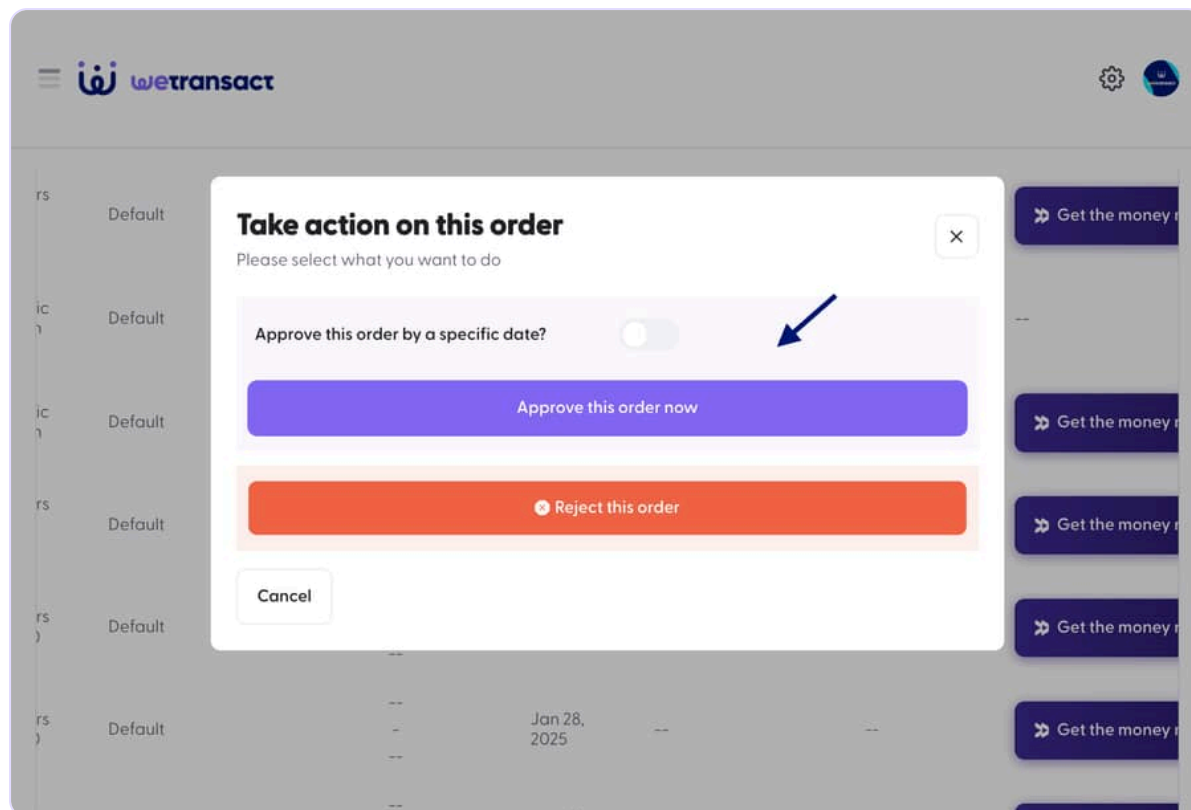

Status	Company Name	Contact Email	Unknown	BlueWhiteBytes	Basic Plan	Default
Approved	Excel-erate Analytics	denfira@excel-erate.com	Unknown	BlueWhiteBytes	Basic Plan	Default

● Click on Take action button

The screenshot shows the Wetransact dashboard with a list of orders. The 'Take action' button is highlighted for the 'Excel-erate Analytics' order. The order details are as follows:

rs	Default	Jan 30, 2025	--	--	Get the money n
ic	Default	Jan 29, 2025	in 1 days	Take action	--
ic	Default	Jan 29, 2025	--	--	Get the money n
rs	Default	Jan 29, 2025	--	--	Get the money n
rs	Default	Jan 29, 2025	--	--	Get the money n
rs	Default	Jan 28, 2025	--	--	Get the money n

● A window will pop up, Click on 'Approve this order now' option.
