

How to Check if a Legal Profile is Verified?

docs.wetransact.io/how-to-check-if-a-legal-profile-is-verified

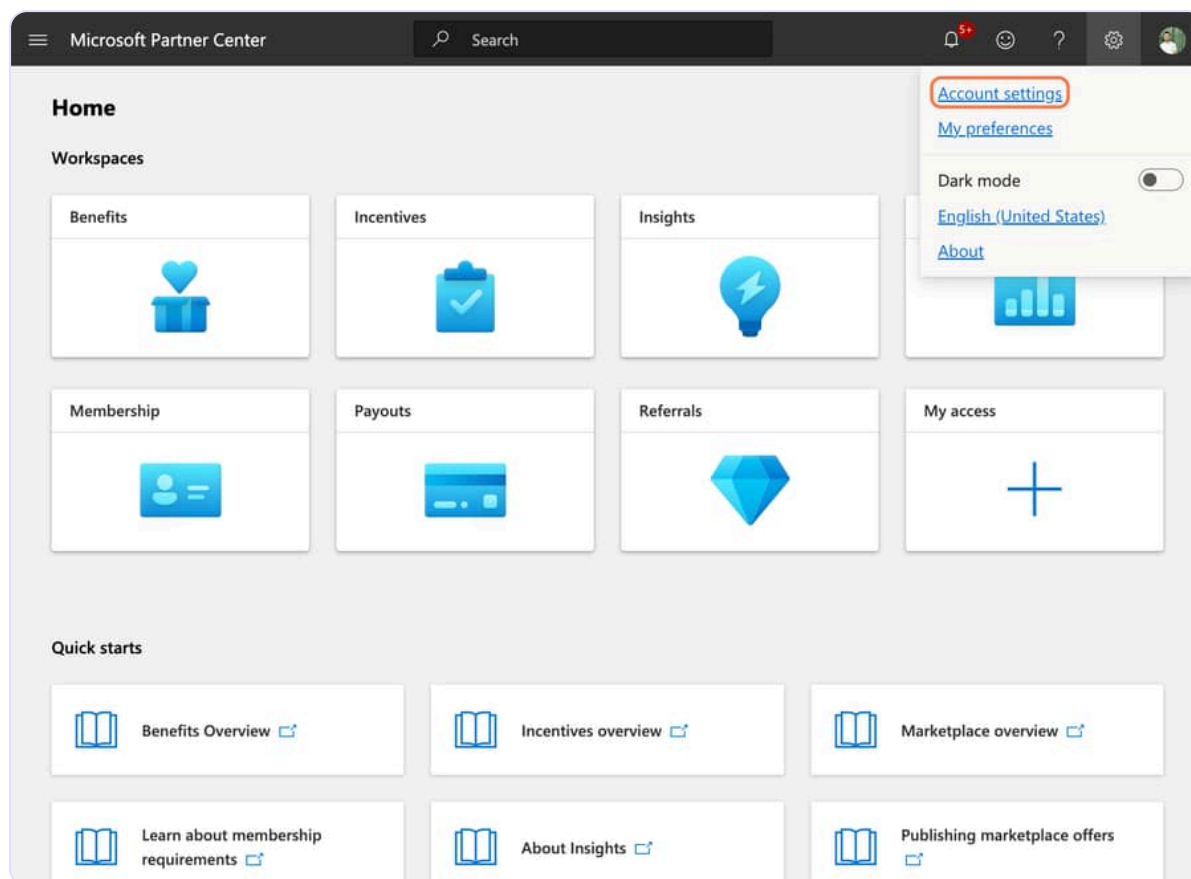

Checking if your legal profile is verified ensures your organization's identity and business information have been approved by Microsoft, allowing you to publish offers and transact in the Marketplace. Please follow the steps below:

● [Go to partner.microsoft.com](https://partner.microsoft.com)

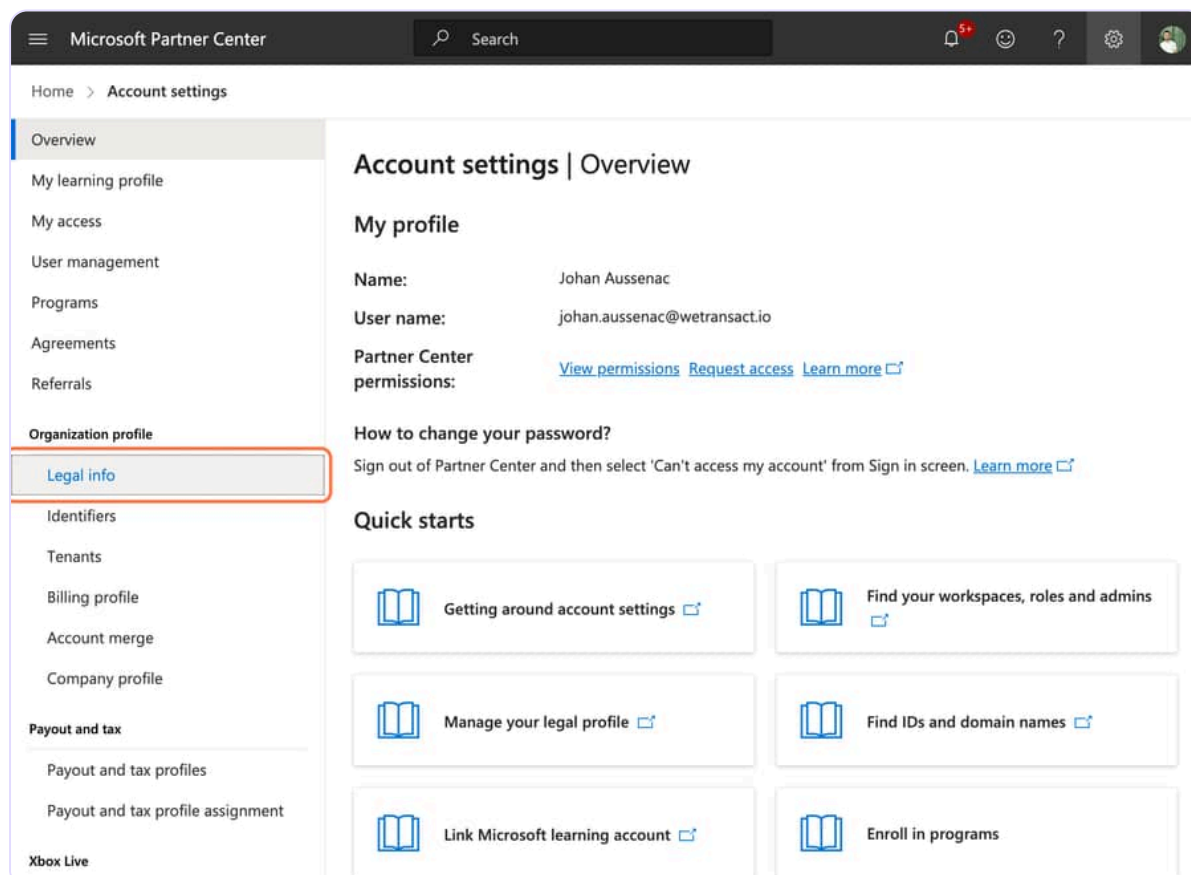

● Click on Settings

Click on Account settings

Click on Legal info

● Verify that the "Partner" & "Developer" tabs are ticked with the green symbol.

Microsoft Partner Center

Home > Account settings

Overview
