

How to configure multiple Publisher IDs in WeTransact portal?

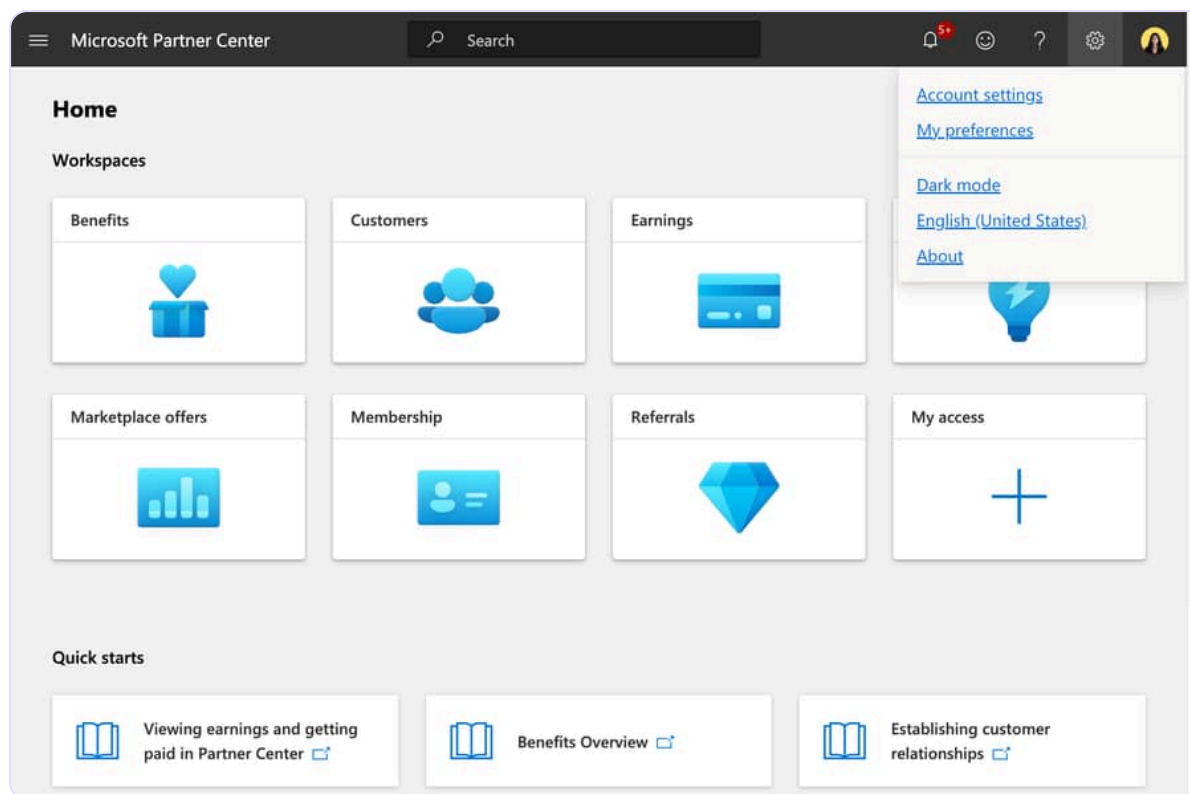

docs.wetransact.io/how-to-configure-multiple-publisher-ids-in-wetransact-portal

Configuring additional Publisher IDs in WeTransact by adding credentials allows you to manage multiple locations or entities under one account, enabling seamless offer management and compliance across different regions.

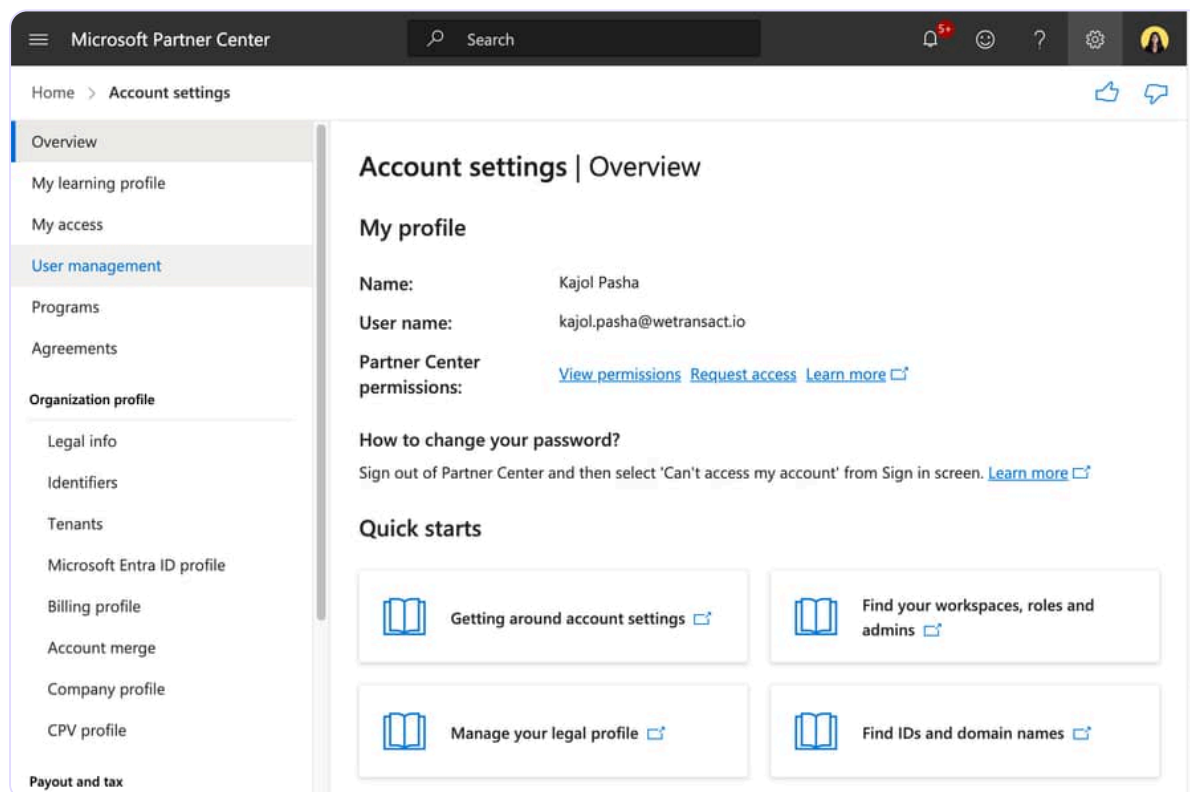

Click on Settings

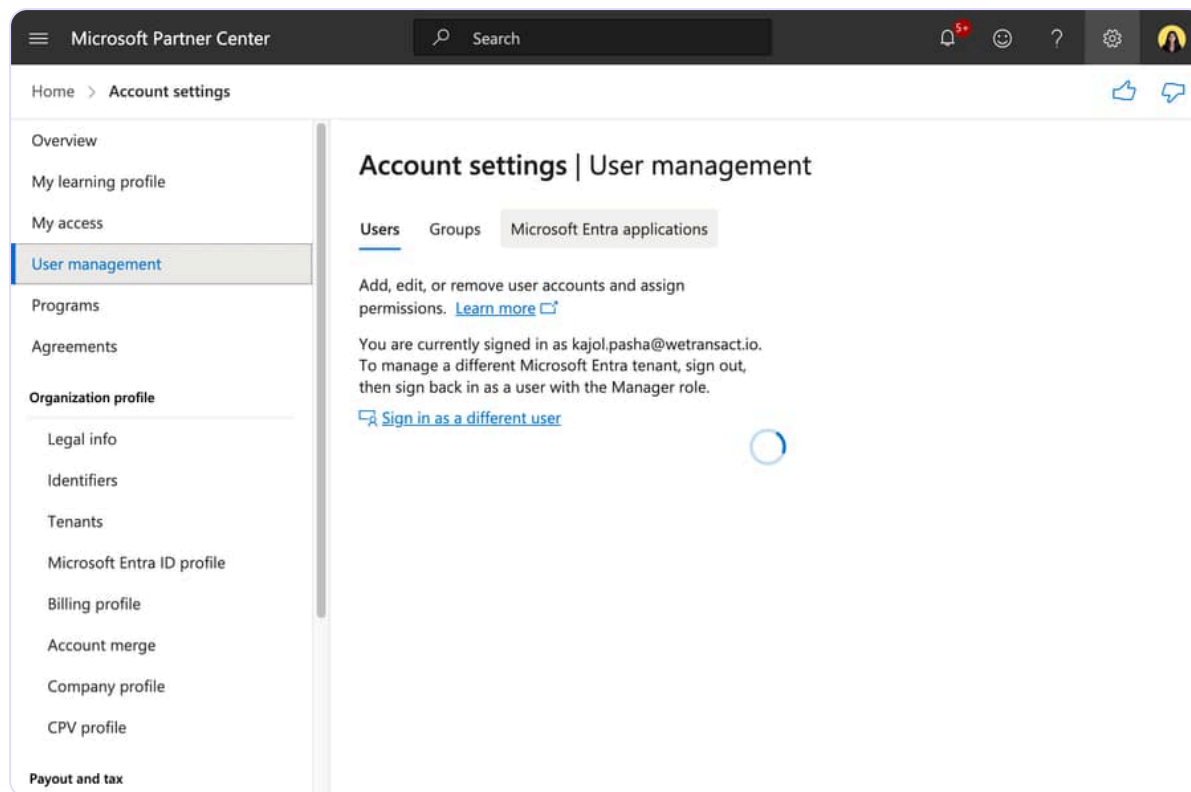

Click on Account settings

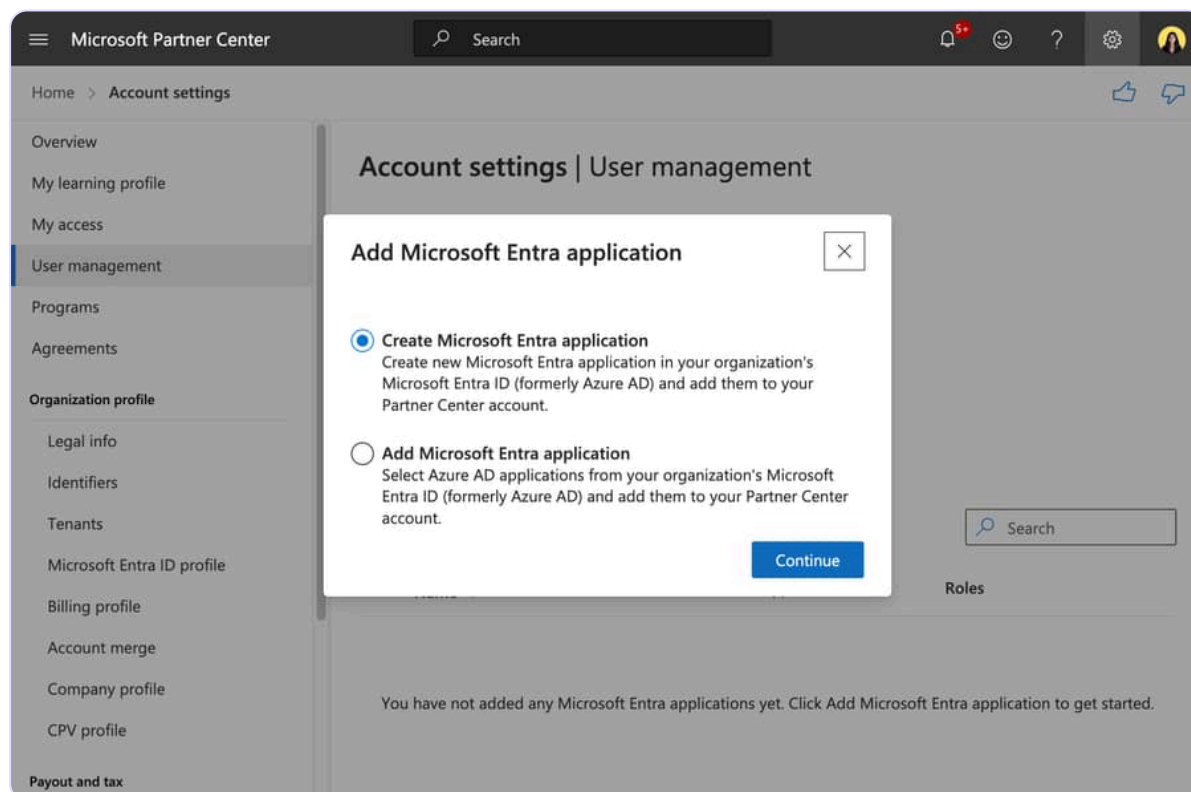

Click on User management

● Click on Microsoft Entra applications

● Click on Create Microsoft Entra application, then click continue

● Fill the following fields - replace "yourcompany" by your company name

Name: api-yourcompanywetransact Reply URL: <https://www.yourcompanywetransact.io> App ID URI: api://yourcompanywetransact

● Head to your WeTransact portal and click on settings.

● Click on Organization and scroll down

Click on Add another Publisher

The screenshot shows the WeTransact Settings page. On the left is a sidebar with navigation links: Home, My Product Listings, Create New Listing, Private Offers, Orders, Finance, Partnership Admin, Incentives, Referral Tab, Go-To-Market, and Help. The main content area is titled 'Settings' and contains a section for 'Multiple Locations'. This section includes a 'Default' dropdown set to 'EMEA' and a 'Default Publisher' dropdown set to 'EUR'. Below these are two 'Credentials' boxes, each with a 'Publisher Name' (e.g., 'the grinch') and a 'Publisher ID' (e.g., 'publisher id 2'). A red box highlights the '+ Add another Publisher' button at the bottom of this section, with a red arrow pointing to it. To the right of the 'Multiple Locations' section is a 'Notifications' section with buttons for 'Add Notifications Receiver' and 'Send a Test Notification', and a list of email addresses with a search bar and a pagination control.

Name the Publisher ID (ex. EMEA, Americas, APAC etc)

This screenshot shows the same WeTransact Settings page, but with a different focus. A red box highlights the 'Publisher Name' and 'Description' fields in the 'Credentials' section. A red arrow points to the 'Publisher Name' field. The 'Publisher ID' field is also visible, showing 'publisher id 2'. The 'Add another Publisher' button is still present at the bottom of the section. The 'Notifications' section on the right remains unchanged.

Click on Credentials

The screenshot shows the 'Settings' page in the Wetransact interface. On the left is a sidebar with navigation links: Home, My Product Listings, Create New Listing, Private Offers, Orders, Finance, Partnership Admin, Incentives, Referral Tab, Go-To-Market, and Help. The main content area is titled 'Settings' and contains a section for configuring publishers. A red arrow points to the 'Credentials' tab of a publisher named 'the grinch'. The 'Credentials' tab is highlighted with a red box. Below it, there are input fields for 'Publisher Name' and 'Description', and dropdown menus for 'EMEA' and 'EUR'. A 'Save Configuration' button is at the bottom right of the publisher configuration section. To the right of the publisher configuration is a 'Send a Test Notification' section with a search bar and an email address field containing 'test@wetransact.io'.

Paste the client ID and Key into input fields

This screenshot shows the same 'Settings' page as the previous one, but with a modal dialog box open in the center. The modal is titled 'Credentials for this Publisher' and contains the following fields: 'Tenant Id' (pre-filled with 'cc399a02-f38a-4820-a991-894e8c59d676'), 'Client Id' (with a red box and a red arrow pointing to it), and 'Client Secret' (with a red box and a red arrow pointing to it). Below these fields is a 'Validate Credentials' button, and at the bottom are 'Cancel' and 'Save' buttons. The background of the settings page is dimmed.

● Click on Validate Credentials and save it.

The screenshot shows the 'Settings' page in the Wetransact portal. A modal titled 'Credentials for this Publisher' is open, prompting the user to enter details. The modal contains three input fields: 'Tenant Id' (with the value 'cc399a02-f38a-4820-a991-894e8c59d676'), 'Client Id' (with the placeholder 'Enter the Client Id'), and 'Client Secret' (with the placeholder 'Enter the Client Secret'). Below these fields are two buttons: 'Validate Credentials' and 'Cancel'. A red rectangle highlights the 'Validate Credentials' button, and a red arrow points to it from the bottom right. The background shows the 'Settings' page with a sidebar on the left and a search bar on the right.

● Click on Save Configuration

The screenshot shows the 'Settings' page in the Wetransact portal. The 'Credentials' section is active, showing a list of publishers. The first publisher is 'the grinch' with 'publisher id 2'. Below this, there are two rows of 'Credentials' with 'EMEA' and 'EUR' region selectors. A red rectangle highlights the 'Save Configuration' button at the bottom right of the 'Credentials' section, and a red arrow points to it from the bottom left. The background shows the 'Settings' page with a sidebar on the left and a search bar on the right.
