

How to find your marketplace invoice?

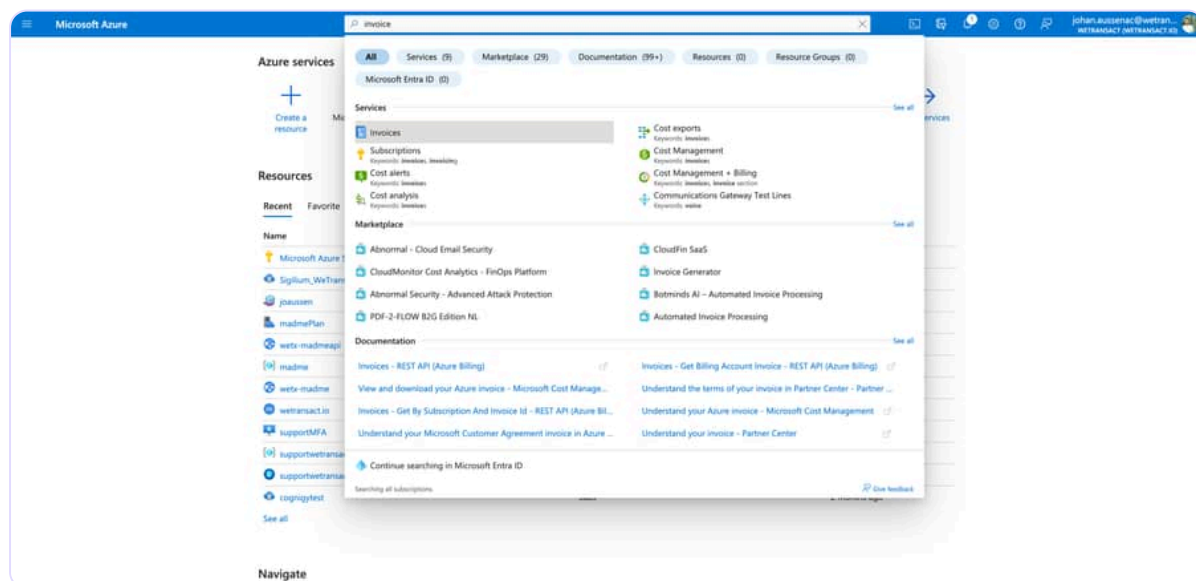

docs.wetransact.io/how-to-find-your-marketplace-invoice

Finding your Marketplace invoice in Partner Center lets you review charges for your Marketplace transactions, helping you track payments, reconcile accounts, and maintain accurate financial records. Please follow the steps below to find the invoice:

Sign in to Azure and Type "invoice"

Click on Invoices

Click on Your Billing Account

The screenshot shows the 'Billing scopes' page in the Microsoft Azure portal. The page title is 'Cost Management + Billing | Billing scopes'. On the left, there is a sidebar with navigation links: 'Billing scopes', 'Cost Management', 'Management groups', 'Diagnose and solve problems', 'Support + troubleshooting', and 'New support request'. The main content area has a search bar, 'Refresh', 'Export to CSV', and 'Feedback' buttons. Below these, there is a table listing billing scopes. The table has columns: 'Billing scope', 'Billing scope type', 'Billing account', 'Billing account type', and 'My Role'. The table contains two rows of data for the 'WeTransact.io' billing account.

Billing scope	Billing scope type	Billing account	Billing account type	My Role
WeTransact.io	Billing account	WeTransact.io	Microsoft Customer Agreement	Billing account owner
johan.aussenac@wetransact.io	Billing account	johan.aussenac@wetransact.io	Microsoft Online Services Program	Account administrator

Click on Invoices
