

How to update credentials for finance Tab in the Wetransact Portal?

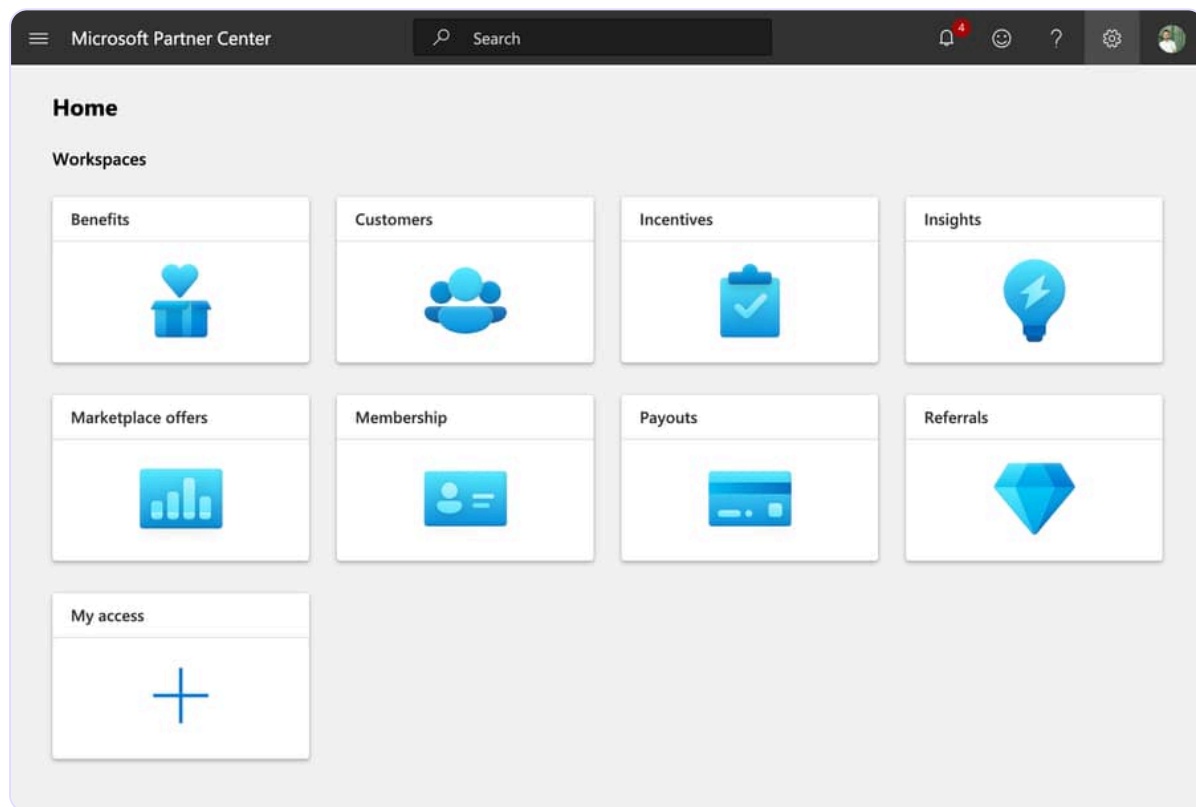

docs.wetransact.io/how-to-update-credentials-for-finance-tab-in-the-wetransact-portal

The credentials used to set up the **Finance tab** can expire over time. When this happens, the system is no longer able to retrieve your finance data from Partner Center.

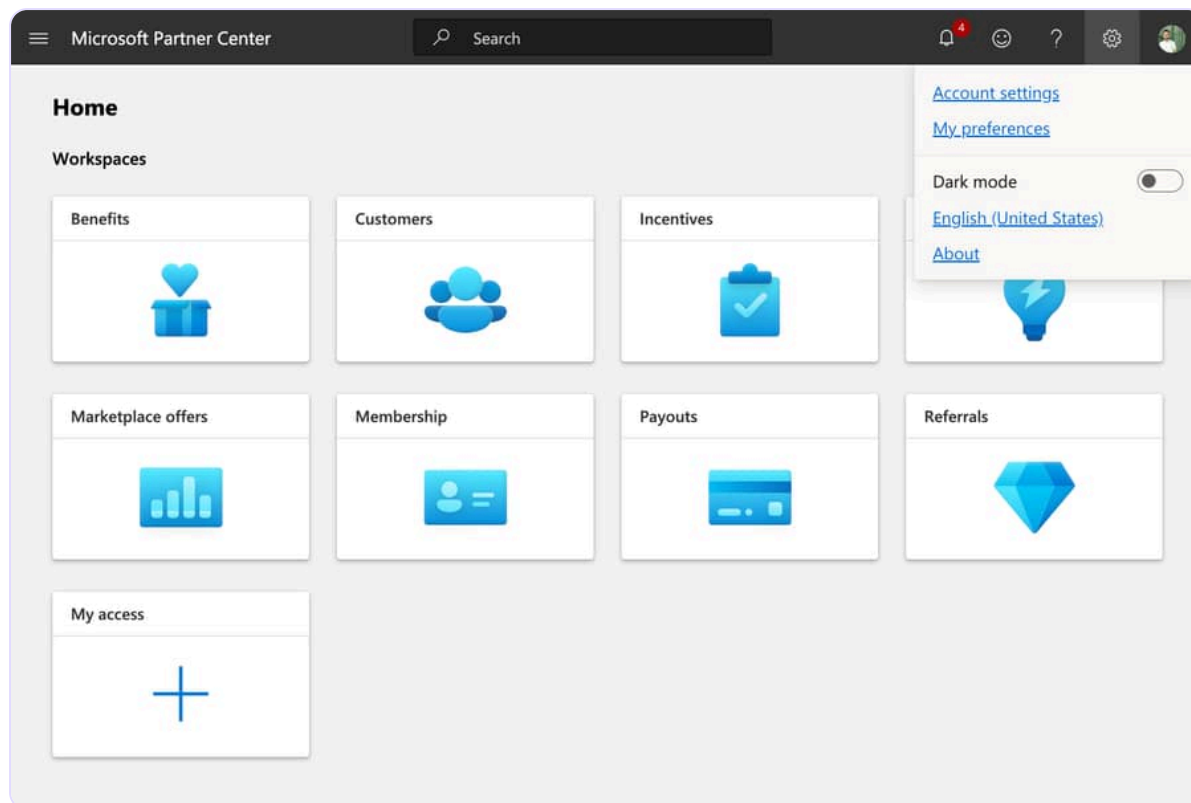

To fix this, you'll simply need to **create new credentials** and update them in the Finance tab. Once the new credentials are added, finance data will start syncing again as expected.

User Rights: You will need a **Global Admin** Role to perform this task

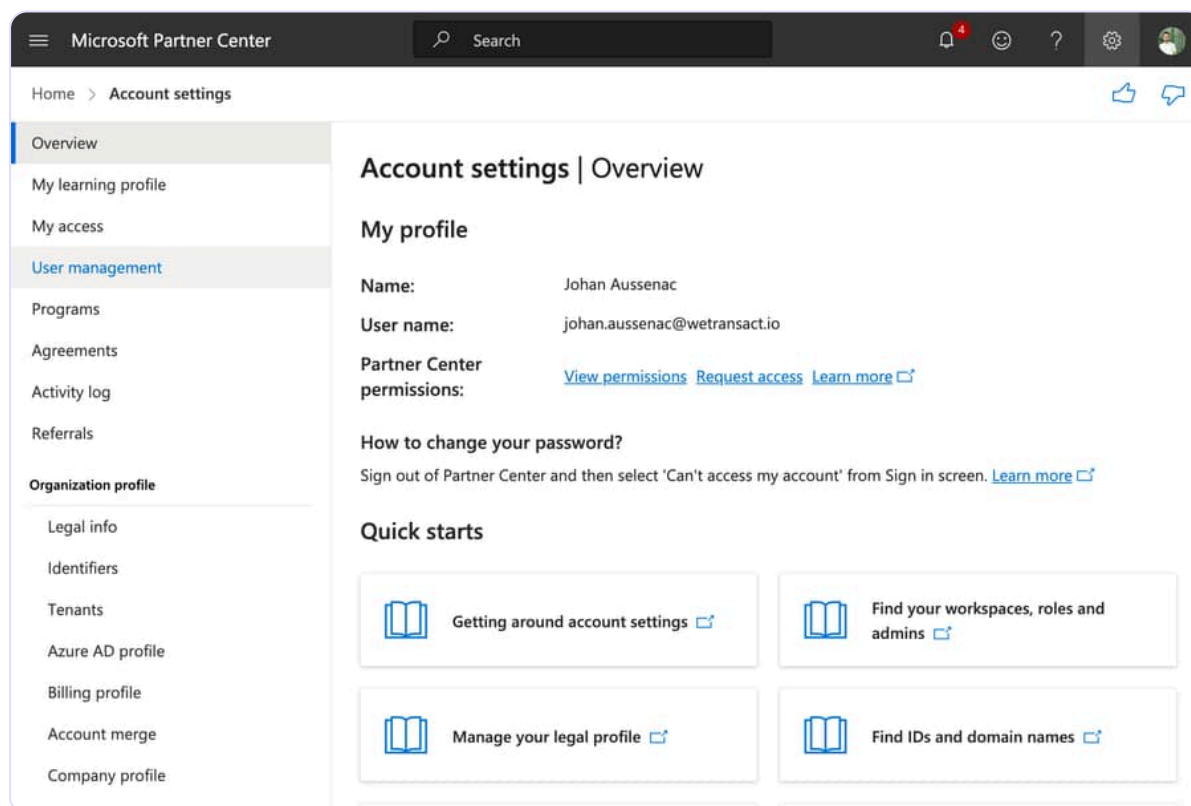

● On Partner Center click on the little wheel on the top right.

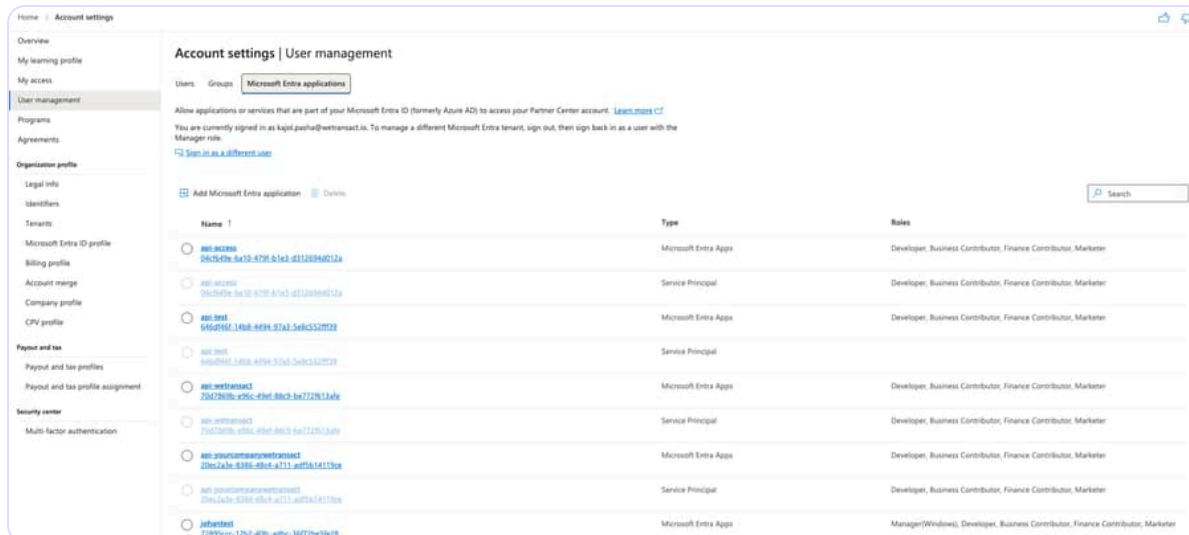

Click on Account settings

Click on User management

Click on Microsoft Entra Applications

Home > Account settings

Account settings | User management

Users Groups **Microsoft Entra applications**

Allow applications or services that are part of your Microsoft Entra ID (formerly Azure AD) to access your Partner Center account. [Learn more](#) [Sign in as a different user](#)

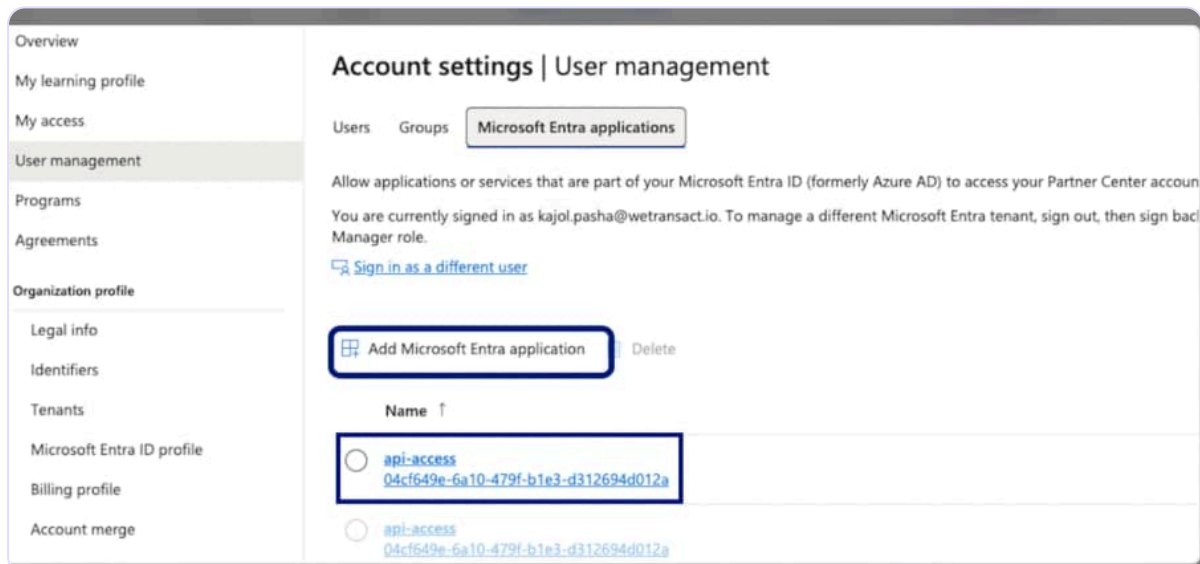

You are currently signed in as kajol.pasha@wetransact.io. To manage a different Microsoft Entra tenant, sign out, then sign back in as a user with the Manager role.

Cancel

● Sign in to the WeTransact portal and click on settings

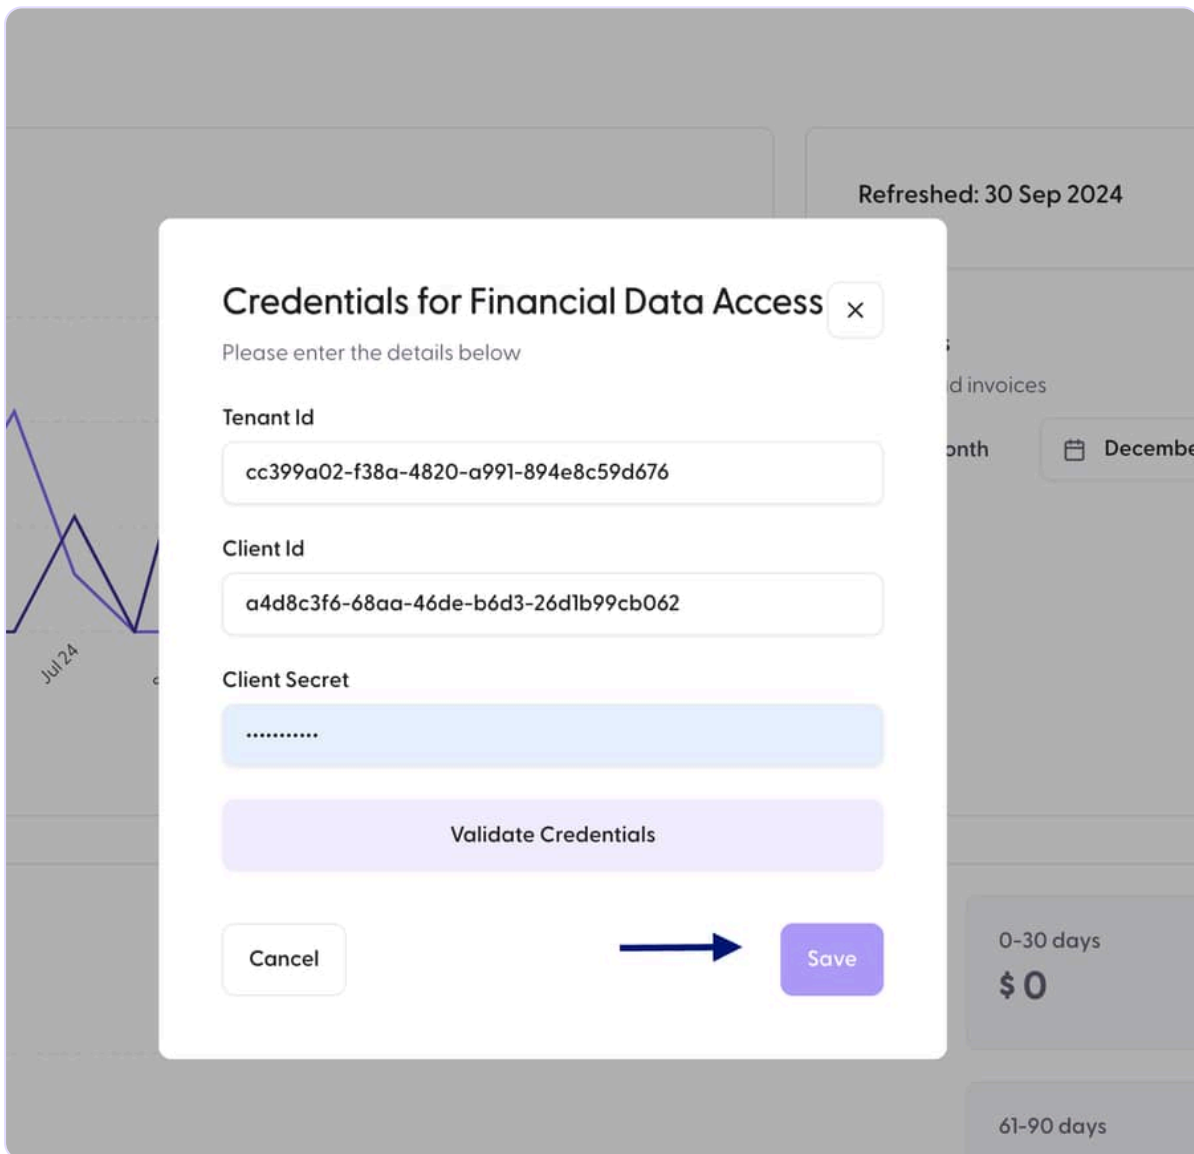

● You will see Multiple Locations sections. Click on Credentials

● You will see a pop up, Please replace client ID and key then click Validate Credentials.

● Click on Save.

Now, click on save configuration

The screenshot shows the Wetransact Settings page. On the left is a sidebar with navigation links: Create, Home, Marketplace, Go-To-Market, and Bonus. The main content area is titled 'Settings' and contains two sections: 'Multiple Locations' and 'Notifications'. The 'Multiple Locations' section has a sub-header 'Multiple Locations' and a description: 'If your company has multiple locations, and you want to publish specific offers to these locations, please list them here'. Below this are fields for 'Default', 'Default Publisher', and 'EMEA'. There is a 'Select...' dropdown and a 'Credentials' button. A red arrow points from the 'Credentials' button to the 'Save Configuration' button, which is circled in red. The 'Notifications' section on the right has a sub-header 'Notifications' and a description: 'Manage your notification preferences'. It lists several notification types with toggle switches: All Notifications, Private Offers, Orders, Leads, Co-Sell Status, Product Listings, and Finance. A 'Save' button is at the bottom right of the 'Notifications' section.

The Finance Tab is all set with new credentials !

The screenshot shows the Wetransact Finance tab. On the left is a sidebar with navigation links: Home, My product listings, Create new listing, Private Offers, Orders, Finance (highlighted), Partnership Admin, Incentives, Go-To-Market, Help, and Community. The main content area is titled 'Finance' and contains three sections: 'Revenue and Projected Payouts', 'Invoices', and 'Collection in progress'. The 'Revenue and Projected Payouts' section has a sub-header 'Revenue and Projected Payouts' and a description: 'How to read this graph'. It features a line graph with two data series: 'Revenue' (blue line) and 'Projected Payouts' (purple line). The x-axis shows dates from Mar 24 to Jul 25, and the y-axis shows values from 0 to 600,000. The 'Invoices' section has a sub-header 'Invoices' and a description: 'Download invoices'. It includes a 'Select Month' dropdown menu set to 'February 2025' and a 'Generate Invoice' button. The 'Collection in progress' section shows two boxes: '0-30 days' with '\$ 0.00' and '31-60 days' with '\$'. A 'Refreshed: 30 Jan 2025' status and an 'Update Credentials' button are at the top right of the main content area.
