Marketplace Pipeline: What You'll Find in Leads and Deals

3 min
Updated04 Nov 2026
Marketplace Pipeline is the single place where sales can consume everything related to Microsoft Marketplace leads and deals, in one view. It is not meant to replicate the Partner Center experience.

How to Create a Deal in Marketplace Pipeline

11 min
Updated05 Nov 2026
Create a deal in Marketplace Pipeline so it shows up on your Deals board and can be registered with Microsoft for co-sell. Partner Center must be connected.
