

How do I check who has 'Owner' status?

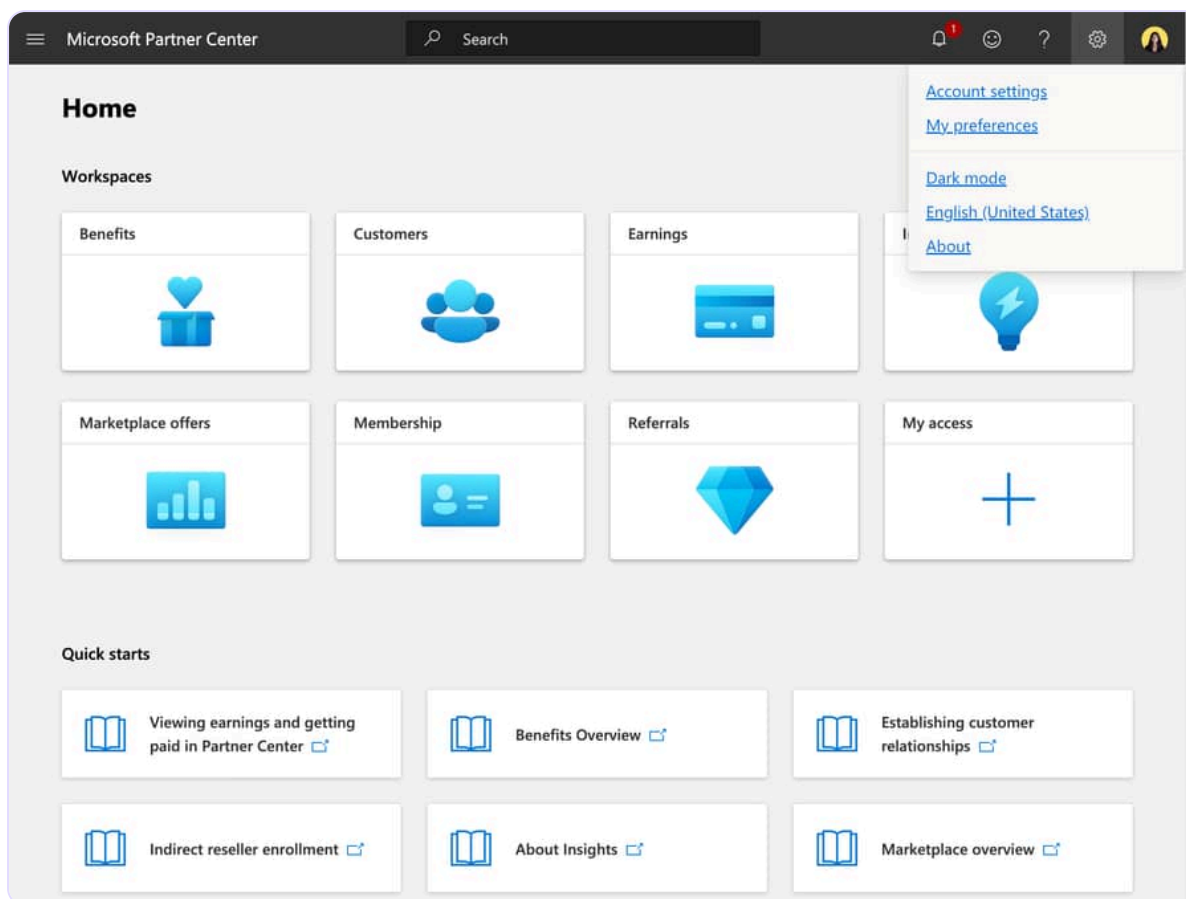

docs.wetransact.io/how-do-i-check-who-has-owner-status

Determining who has 'Owner' status in Partner Center helps you identify the users with full administrative control, ensuring you know who can manage accounts, offers, users, and program enrollments. Please follow the steps below:

● Click on Settings

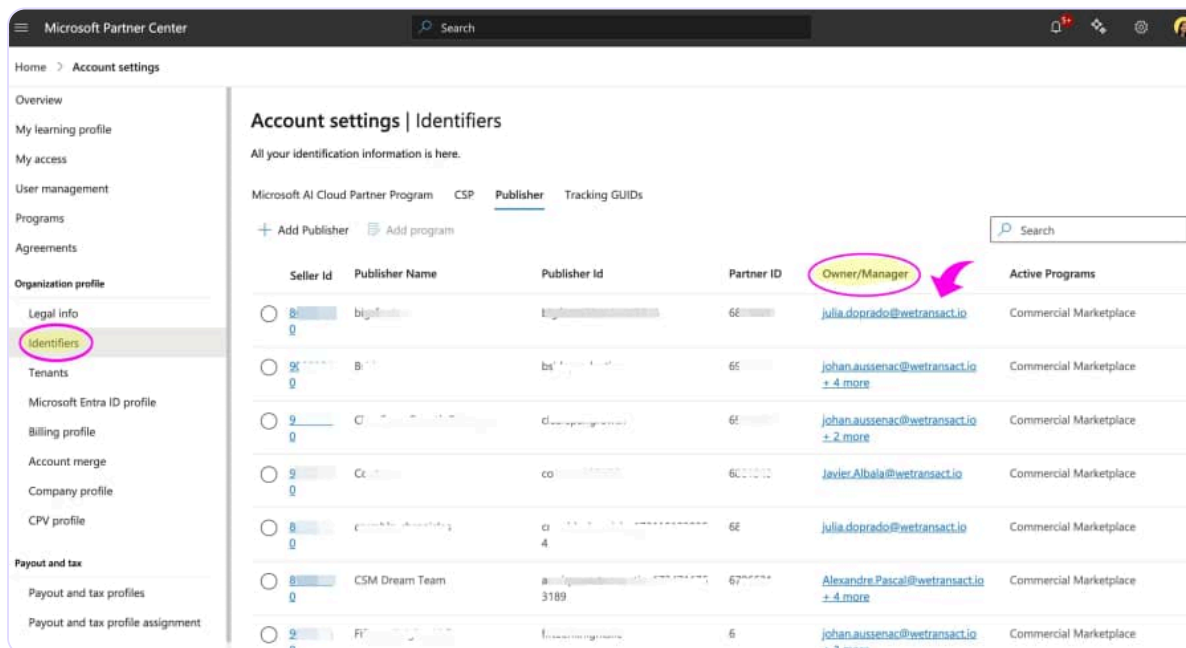

Click on Account settings

Click on identifier

You will list of all publisher Id under this tenant along with the owner's emails. This will help you determine who within your company you will need to reach out to if any user rights updates are required.
