Review the information and hit Submit Request...

The screenshot shows the 'Create a support request' form in the Microsoft Partner Center, specifically the 'Review' step (Step 3 of 3). The left sidebar contains 'Home' and 'Workspaces' sections with 'Benefits', 'Insights', and 'Referrals' cards. The main content area is titled 'Create a support request' and includes links for 'Change topic' and 'Start over'. The 'Review' section is divided into two parts: 'Request info' and 'Additional details', each with an 'Edit' link. The 'Request info' section contains 'Problem summary', 'Problem type', and 'Problem details'. The 'Additional details' section contains 'Details' and a checkbox for 'In order for Microsoft to make you an Owner of this publisher account, read the following. By checking the box, you: (i) represent and warrant that you:'. The 'Submit request' button is at the bottom right.
