Add new key

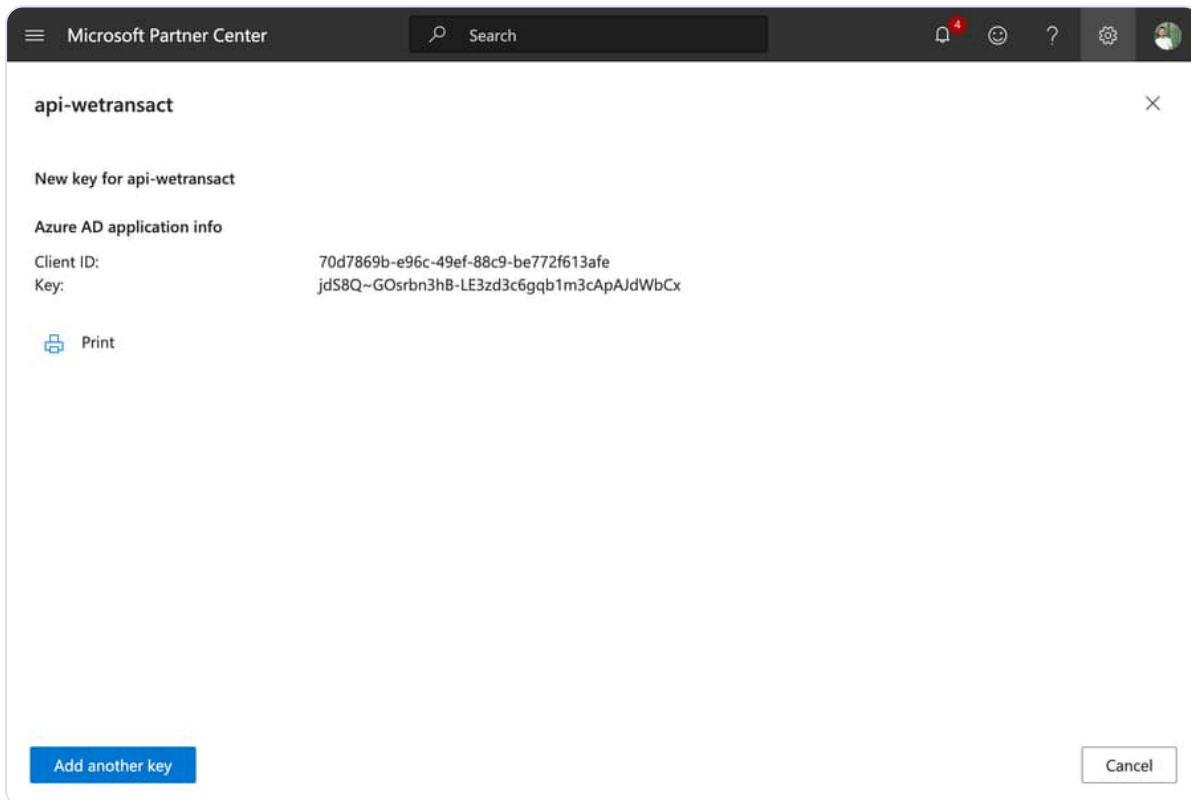

The screenshot shows a modal window titled "api-wetransact" with a close button (X) in the top right corner. The window has a dark header bar with the Microsoft Partner Center logo, a search bar, and several utility icons (notifications, smiley face, question mark, settings, and user profile). The main content area is titled "Keys" and contains the text: "Keys you have created for this Azure AD application are shown below. [Learn more](#)". To the right of this text is a link labeled "Add new key". Below the text is a table with four columns: "Created", "Expires", "Key value", and "Action". The table is currently empty. At the bottom left of the modal is a "Cancel" button.

 **This page will appear with your Client Id and the Key. Copy and save it.**

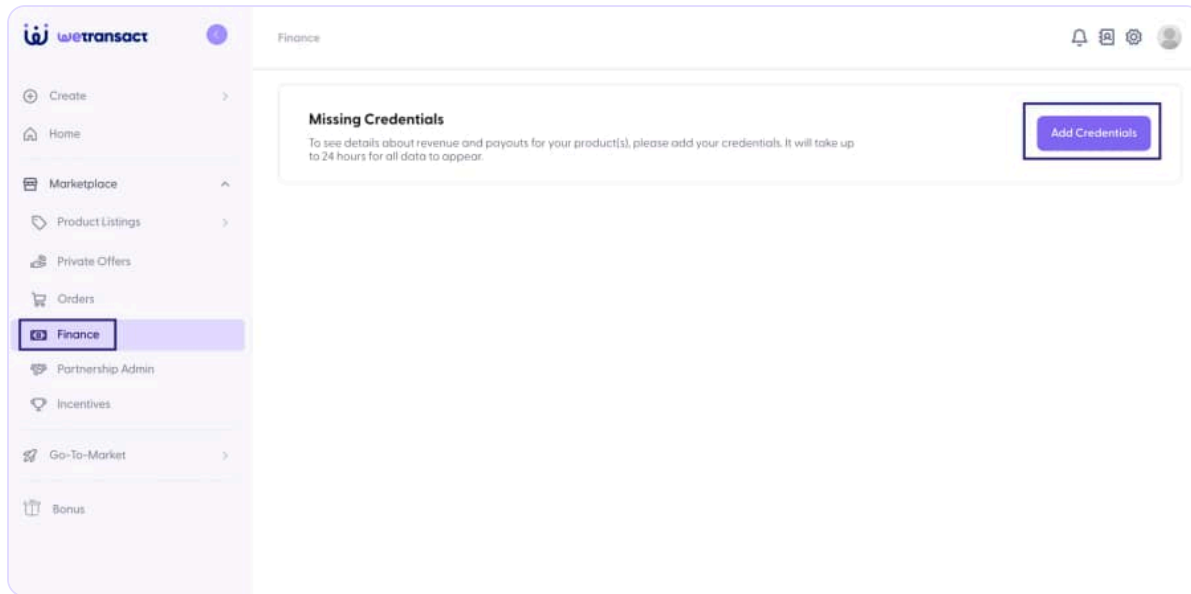

Leave that page open—if you close it, you won't be able to access your key again.

If you're in doubt, save these values

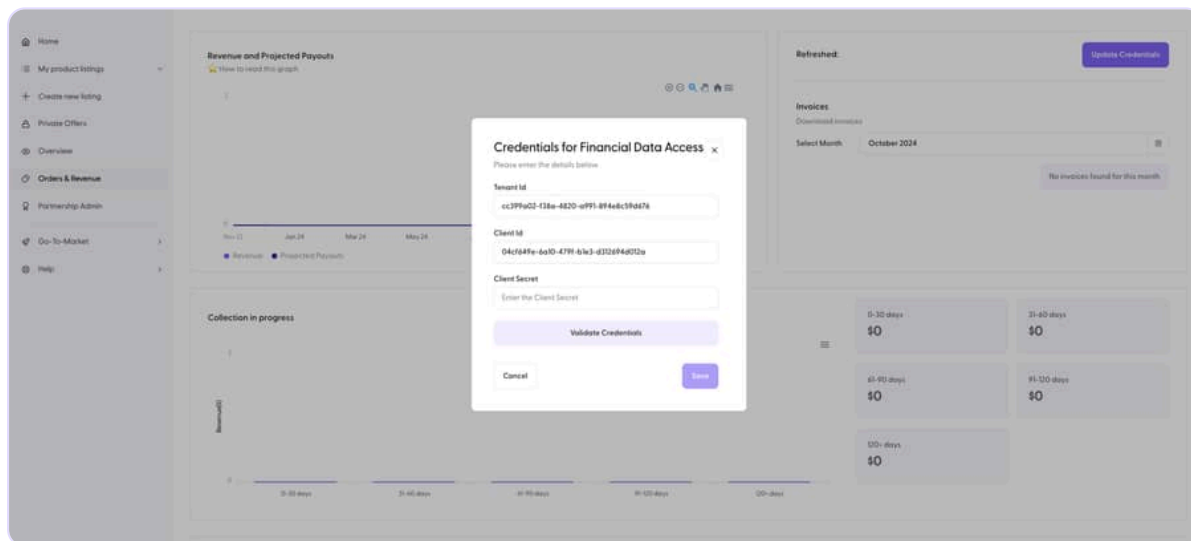

The screenshot shows a modal window titled "api-wetransact" with a close button (X) in the top right corner. The window has the same dark header bar as the previous screenshot. The main content area is titled "New key for api-wetransact" and contains the text "Azure AD application info". Below this, it displays the "Client ID:" and "Key:" with their respective values. The Client ID is "70d7869b-e96c-49ef-88c9-be772f613afe" and the Key is "jdS8Q~GOsrbn3hB-LE3zd3c6gqb1m3cApAjdWbCx". Below the key value is a "Print" button with a printer icon. At the bottom left of the modal is a blue button labeled "Add another key", and at the bottom right is a "Cancel" button.
