

How to update credentials for finance Tab in the Wetransact Portal?

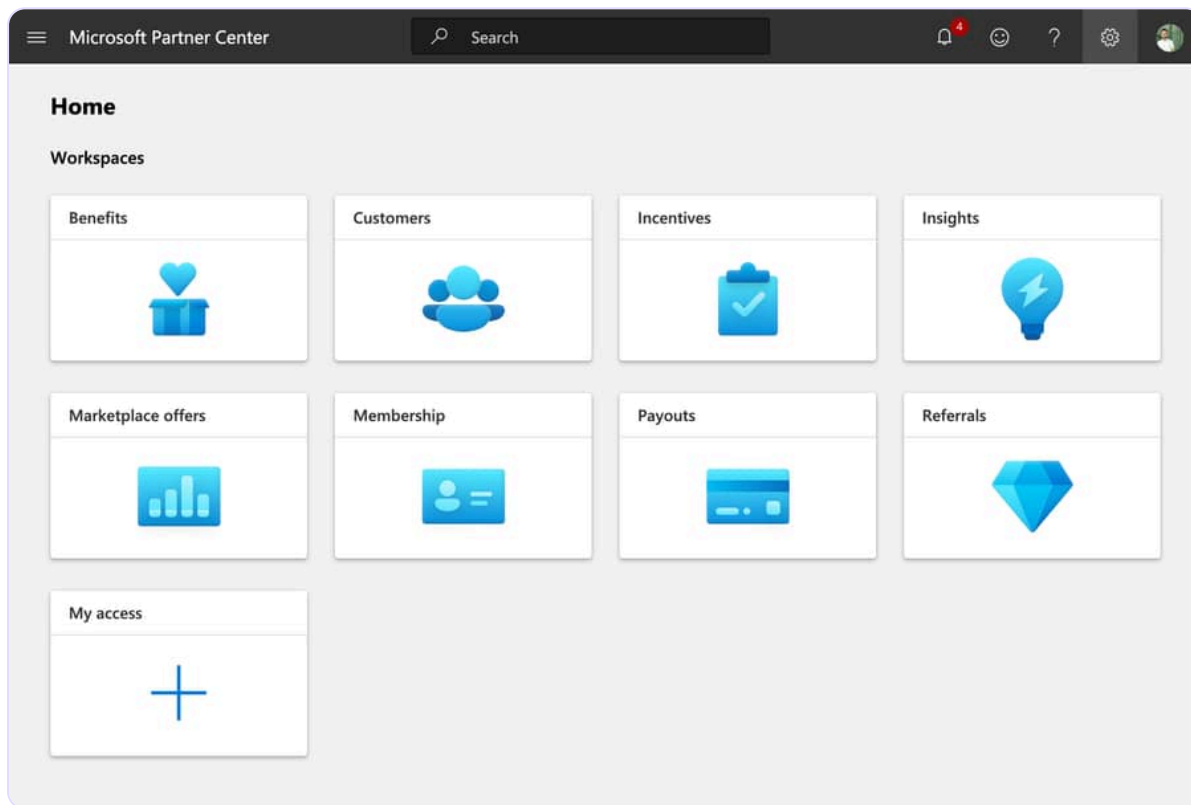

docs.wetransact.io/how-to-update-credentials-for-finance-tab-in-the-wetransact-portal

The credentials used to set up the **Finance tab** can expire over time. When this happens, the system is no longer able to retrieve your finance data from Partner Center.

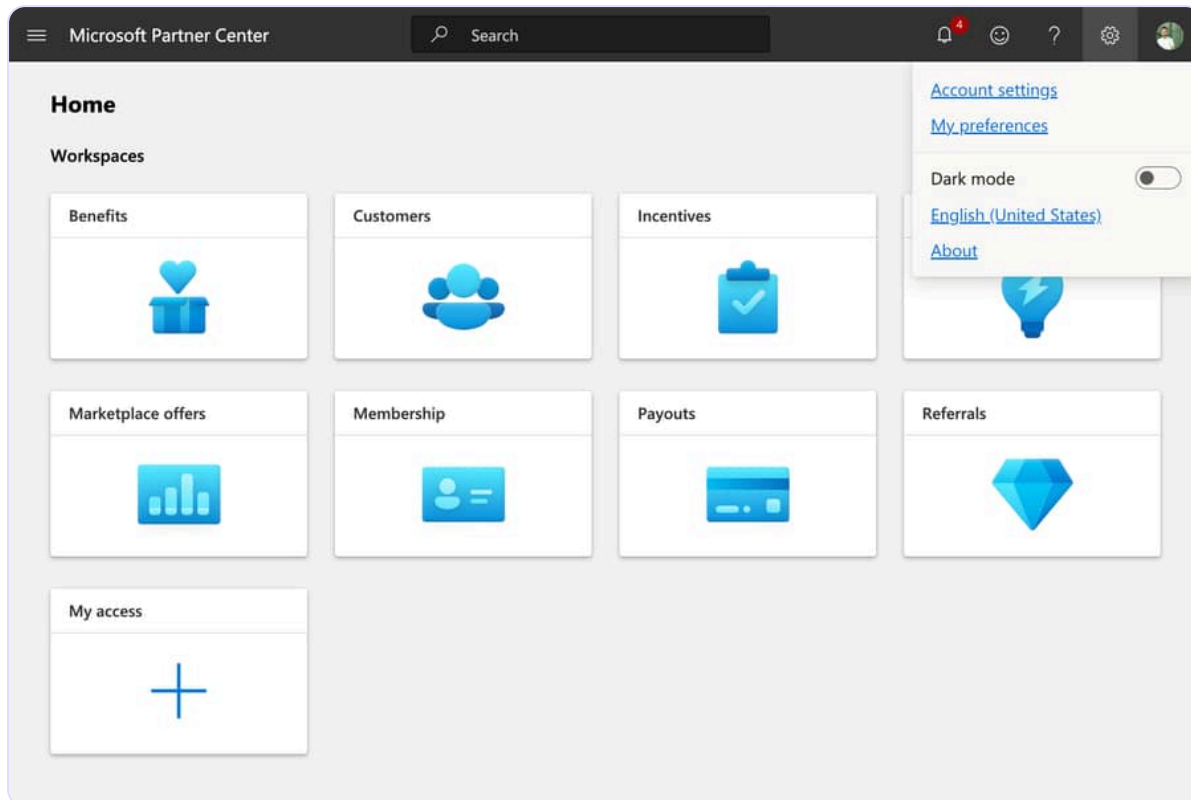

To fix this, you'll simply need to **create new credentials** and update them in the Finance tab. Once the new credentials are added, finance data will start syncing again as expected.

User Rights: You will need a **Global Admin** Role to perform this task

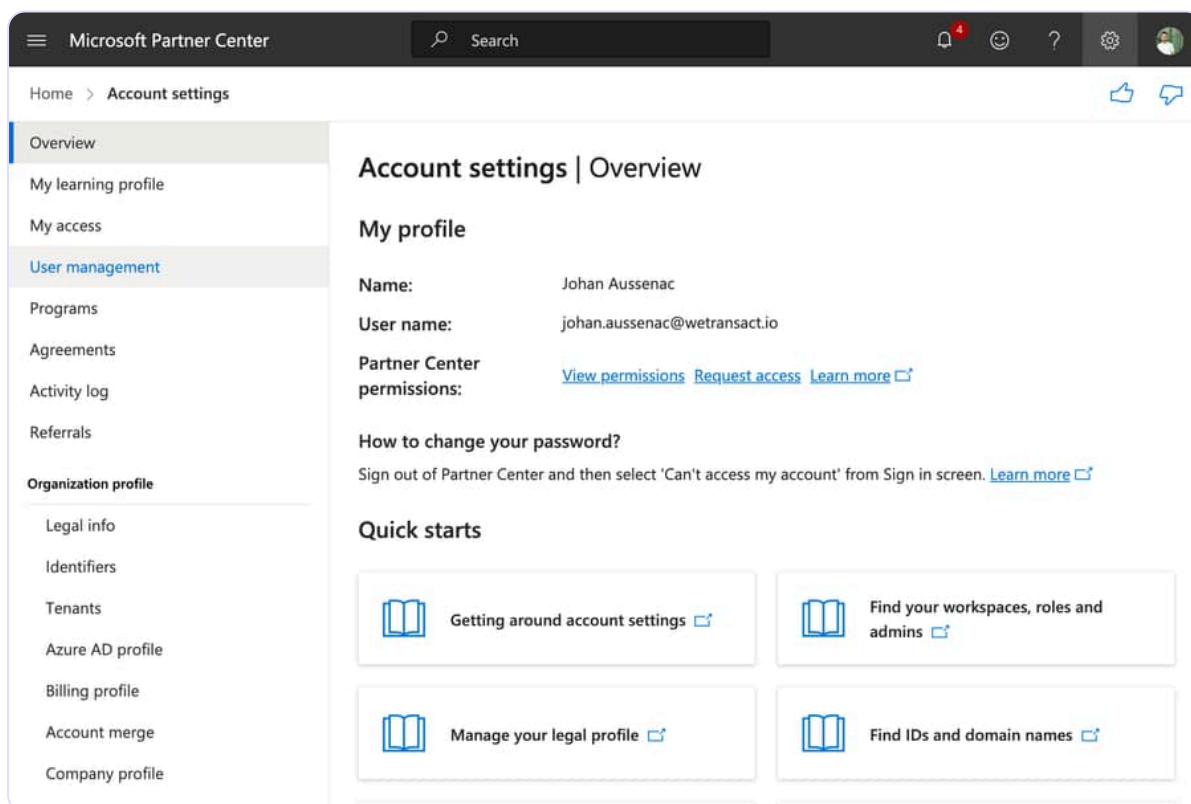

● On Partner Center click on the little wheel on the top right.

Click on Account settings

Click on User management

Click on Microsoft Entra Applications

The screenshot shows the 'Account settings | User management' page. The left sidebar contains navigation links: Overview, My learning profile, My access, User management (selected), Programs, Agreements, Organization profile, Legal info, Identifiers, Tenants, Microsoft Entra ID profile, Billing profile, Account merge, Company profile, CPU profile, Payout and tax, Payout and tax profiles, Payout and tax profile assignment, Security center, and Multi-factor authentication. The main content area has tabs for Users, Groups, and Microsoft Entra applications (selected). Below the tabs, there is a message: 'Allow applications or services that are part of your Microsoft Entra ID (formerly Azure AD) to access your Partner Center account. [Learn more](#).' It also states: 'You are currently signed in as kajol.pasha@wetransact.io. To manage a different Microsoft Entra tenant, sign out, then sign back in as a user with the Manager role. [Sign in as a different user](#).' Below this is a button 'Add Microsoft Entra application' and a 'Delete' link. A table lists the applications:

Name	Type	Roles
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Microsoft Entra App	Developer, Business Contributor, Finance Contributor, Marketer
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Service Principal	Developer, Business Contributor, Finance Contributor, Marketer
api-test 645d9f6e-1468-4698-87a2-5e6c520729	Microsoft Entra App	Developer, Business Contributor, Finance Contributor, Marketer
api-test 645d9f6e-1468-4698-87a2-5e6c520729	Service Principal	Developer, Business Contributor, Finance Contributor, Marketer
api-wetransact 75d780b6-e96c-d8ef-88c3-ba772813a6	Microsoft Entra App	Developer, Business Contributor, Finance Contributor, Marketer

jehar-test 72895ec-32d1-409c-a6dc-3d770e19a28	Microsoft Entra App	Manager(Windows), Developer, Business Contributor, Finance Contributor, Marketer

Click Add Microsoft Entra Application

Click on Existing Extra application for instance - '*api-yourcompanywetransact*'

This screenshot is a closer view of the 'Account settings | User management' page. The 'Add Microsoft Entra application' button is highlighted with a red rectangle. Below it, the 'Name' column of the table is visible, showing two entries: [api-access](#) (04cf649e-6a10-479f-b1e3-d312694d012a) and [api-access](#) (04cf649e-6a10-479f-b1e3-d312694d012a). The first entry is also highlighted with a red rectangle.

● Click on Api-Access and click on add new key

Microsoft Partner Center

Search

api-wetransact

Keys

Keys you have created for this Azure AD application are shown below. [Learn more](#)

[Add new key](#)

Created	Expires	Key value	Action
---------	---------	-----------	--------

Cancel

● This page will appear with your Client Id and the Key. Copy and save it.

Leave that page open—if you close it, you won't be able to access your key again.

If you're in doubt, save these values

Add another key

Cancel

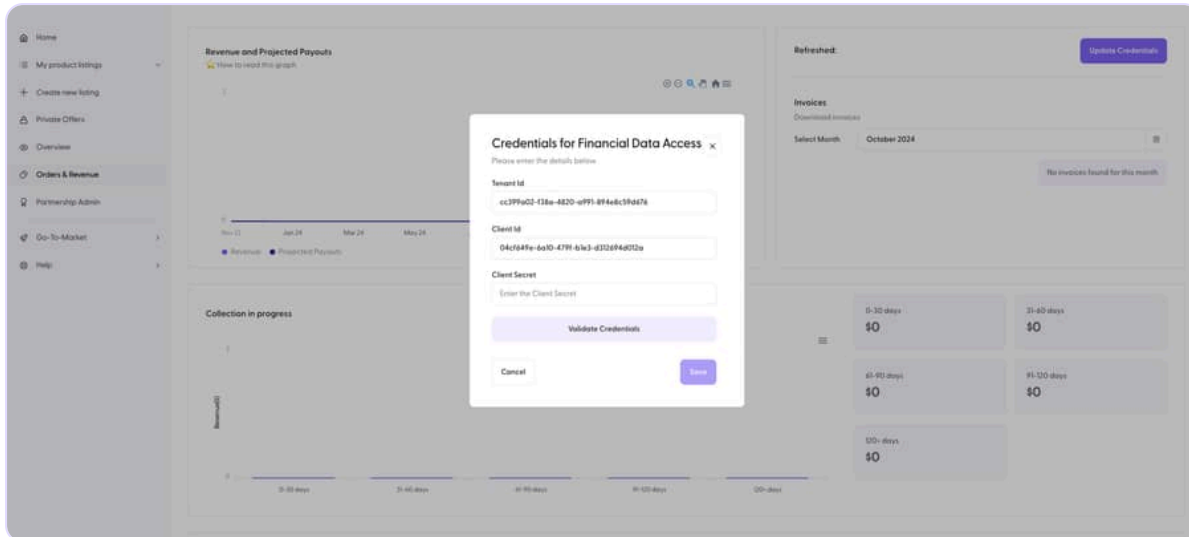

● Sign in to the WeTransact portal and click on settings

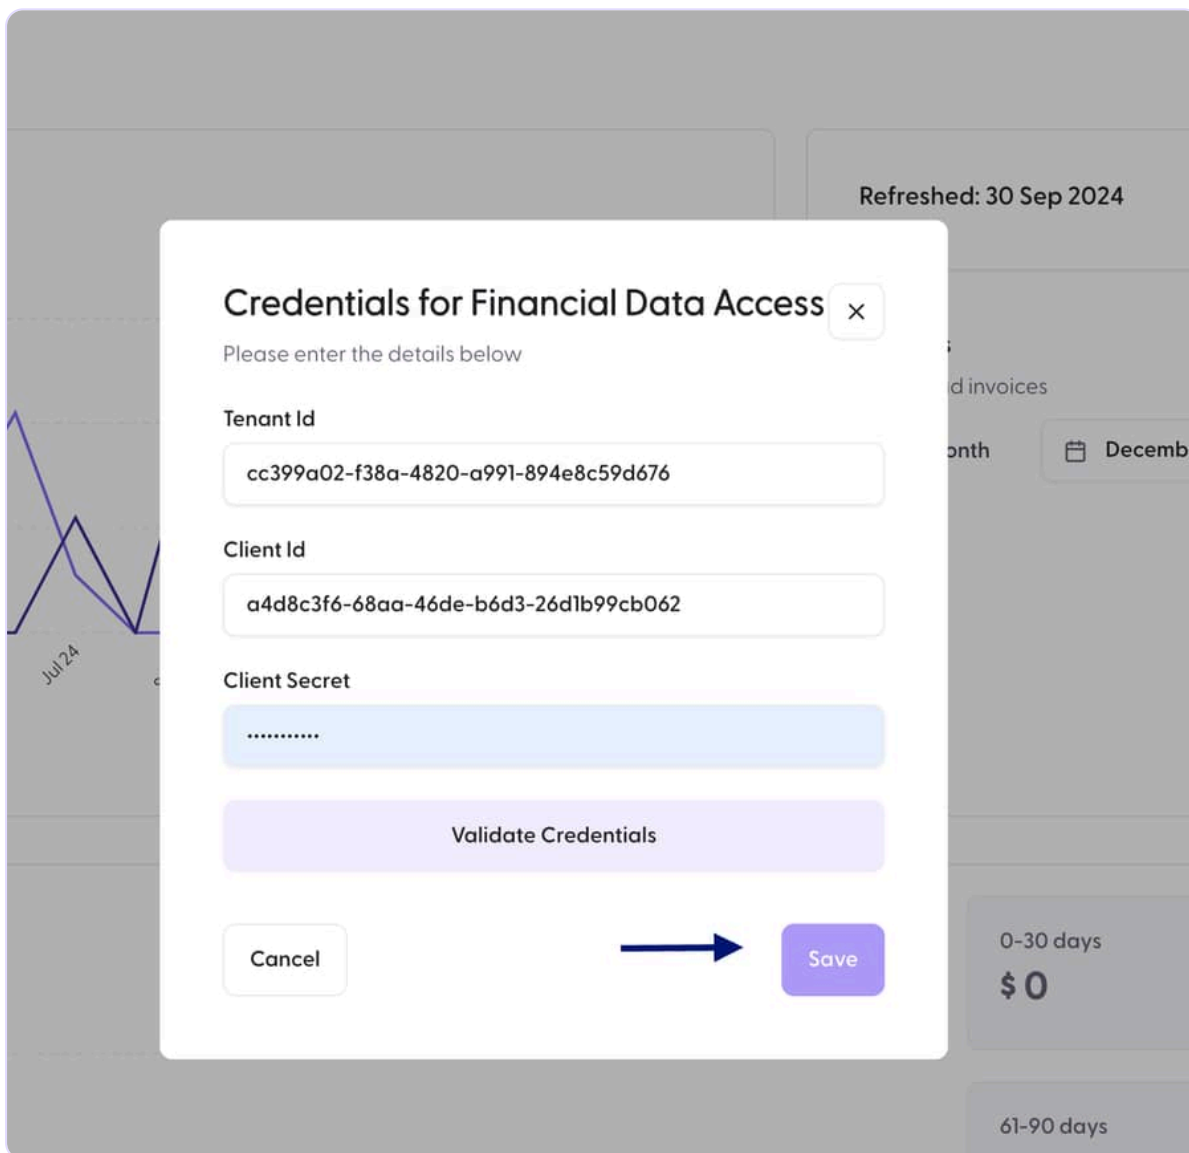

● You will see Multiple Locations sections. Click on Credentials

● You will see a pop up, Please replace client ID and key then click Validate Credentials.

● Click on Save.

Now, click on save configuration

The screenshot shows the 'Settings' page in the Wetransact portal, specifically the 'Multiple Locations' tab. The left sidebar contains navigation links: Create, Home, Marketplace, Go-To-Market, and Bonus. The main content area has a header 'Multiple Locations' with a sub-header 'If your company has multiple locations, and you want to publish specific offers to these locations, please list them here'. Below this are fields for 'Default', 'Default Publisher', and a dropdown menu set to 'EMEA'. There is a 'Select...' dropdown and a 'Credentials' button. A red arrow points from the 'Credentials' button to a 'Save Configuration' button, which is circled in red. At the bottom of the main content area is a '+ Add another Publisher' button. On the right side, there is a 'Notifications' section with a sub-header 'Manage your notification preferences'. It lists several notification types with toggle switches: All Notifications, Private Offers, Orders, Leads, Co-Sell Status, Product Listings, and Finance. A 'Save' button is at the bottom right of the notifications section.

The Finance Tab is all set with new credentials !

The screenshot shows the 'Finance' tab in the Wetransact portal. The left sidebar contains navigation links: Home, My product listings, Create new listing, Private Offers, Orders, Finance (highlighted with a red circle), Partnership Admin, Incentives, Go-To-Market, Help, and Community. The main content area has a header 'Finance'. Below this is a 'Revenue and Projected Payouts' section with a line graph. The graph shows 'Revenue' (blue line) and 'Projected Payouts' (purple line) over time from May 24 to July 25. The y-axis ranges from 0 to 600,000. To the right of the graph is a 'Refreshed: 30 Jan 2025' status and an 'Update Credentials' button. Below this is an 'Invoices' section with a sub-header 'Download invoices'. It has a 'Select Month' dropdown set to 'February 2025' and a 'Generate Invoice' button. At the bottom, there is a 'Collection in progress' section with two boxes: '0-30 days' showing '\$ 0.00' and '31-60 days' showing '\$'.
