To access benefits seamlessly on Windows OS, please use Windows 10 or a higher version.

New Marketplace Rewards benefits will be shown each time you publish a new List, Trial, or consulting service Proof of Concept offer or when your Transact offers achieve a new billed sales tier. For more information, please click [here](#).

Marketing benefits is your gateway to GTM benefits & Marketplace rewards benefits at Microsoft. Marketing benefits give you access to exclusive sales and marketing resources that can help you accelerate your time to market, generate leads, and expand your business.

Marketing contacts

To activate marketing benefits, please add at least one marketing contact from your organization to whom we can send marketing communications.

You may add up to 3 contacts.
