

How to configure multiple Publisher IDs in WeTransact portal?

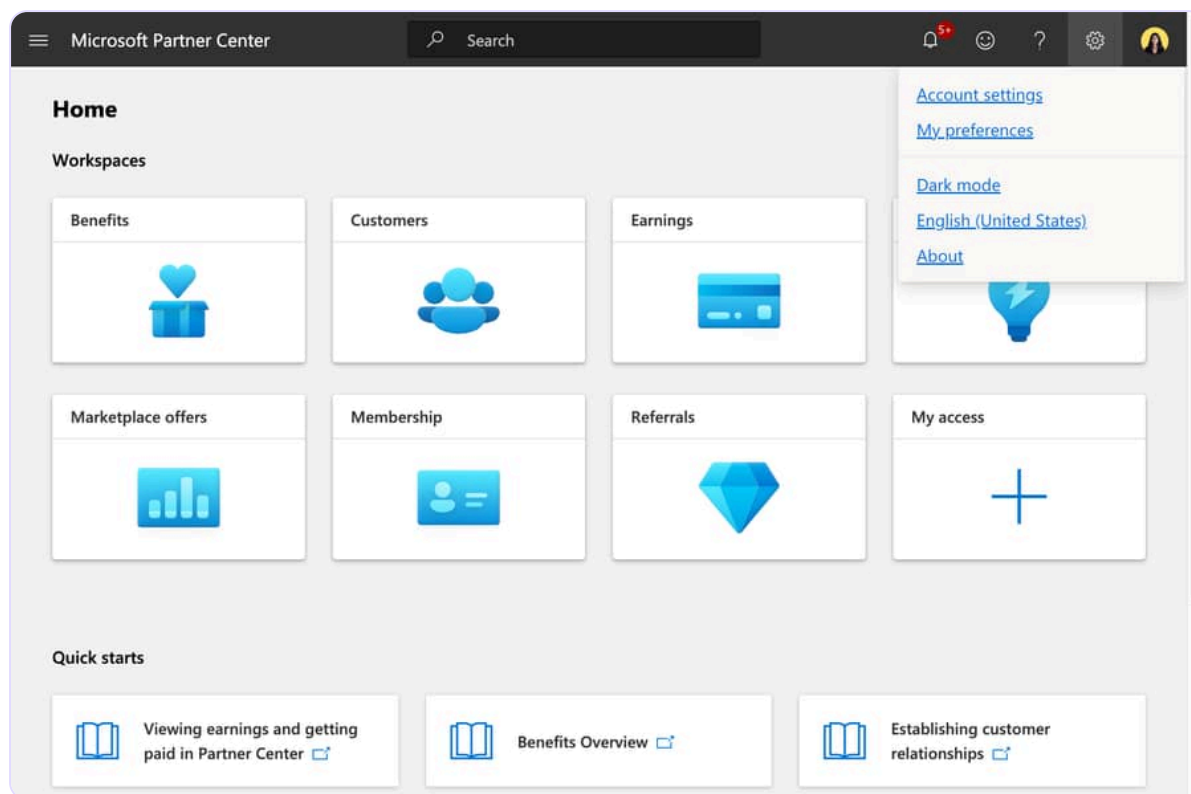

docs.wetransact.io/how-to-configure-multiple-publisher-ids-in-wetransact-portal

Configuring additional Publisher IDs in WeTransact by adding credentials allows you to manage multiple locations or entities under one account, enabling seamless offer management and compliance across different regions.

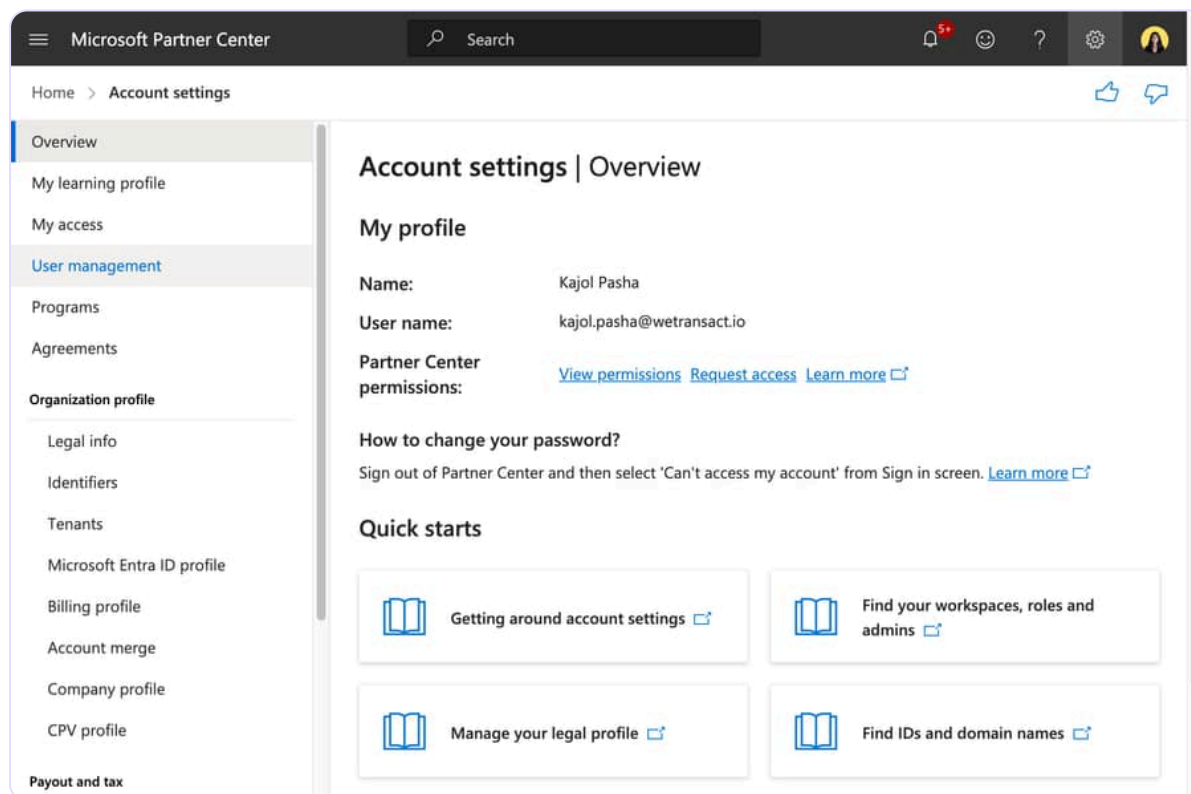

Click on Settings

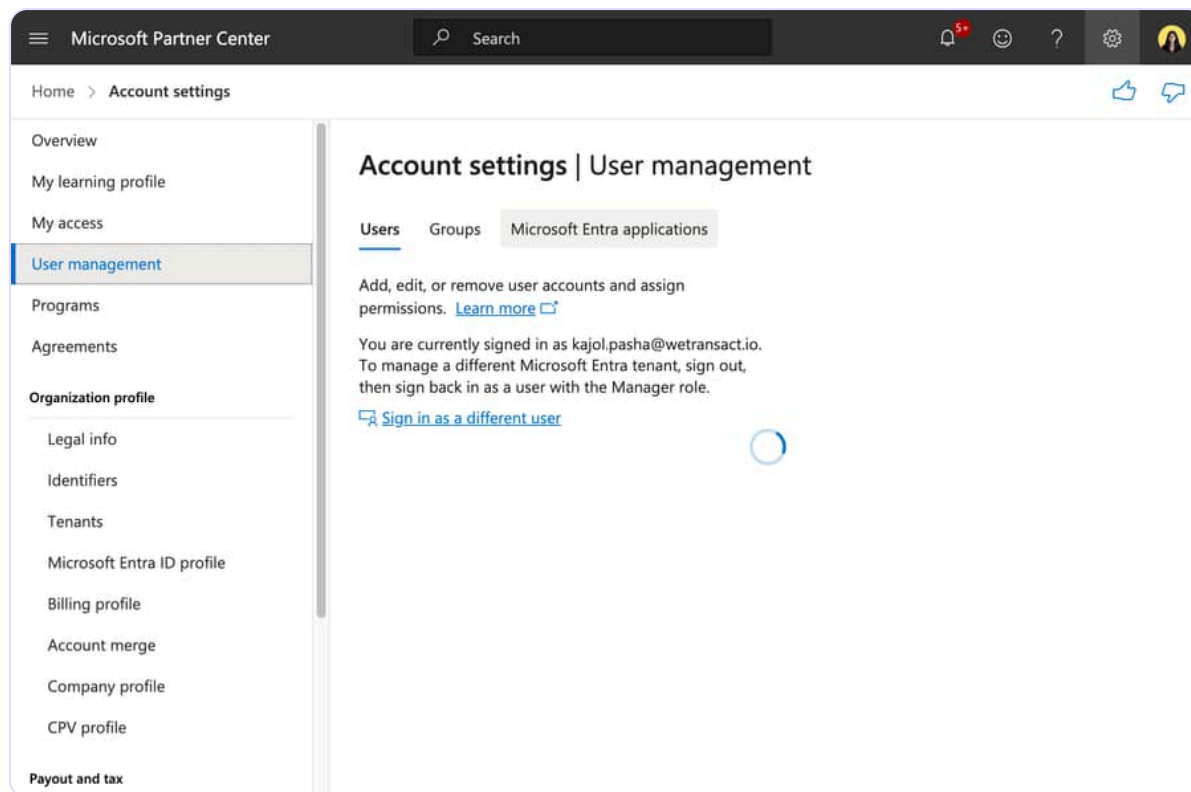

Click on Account settings

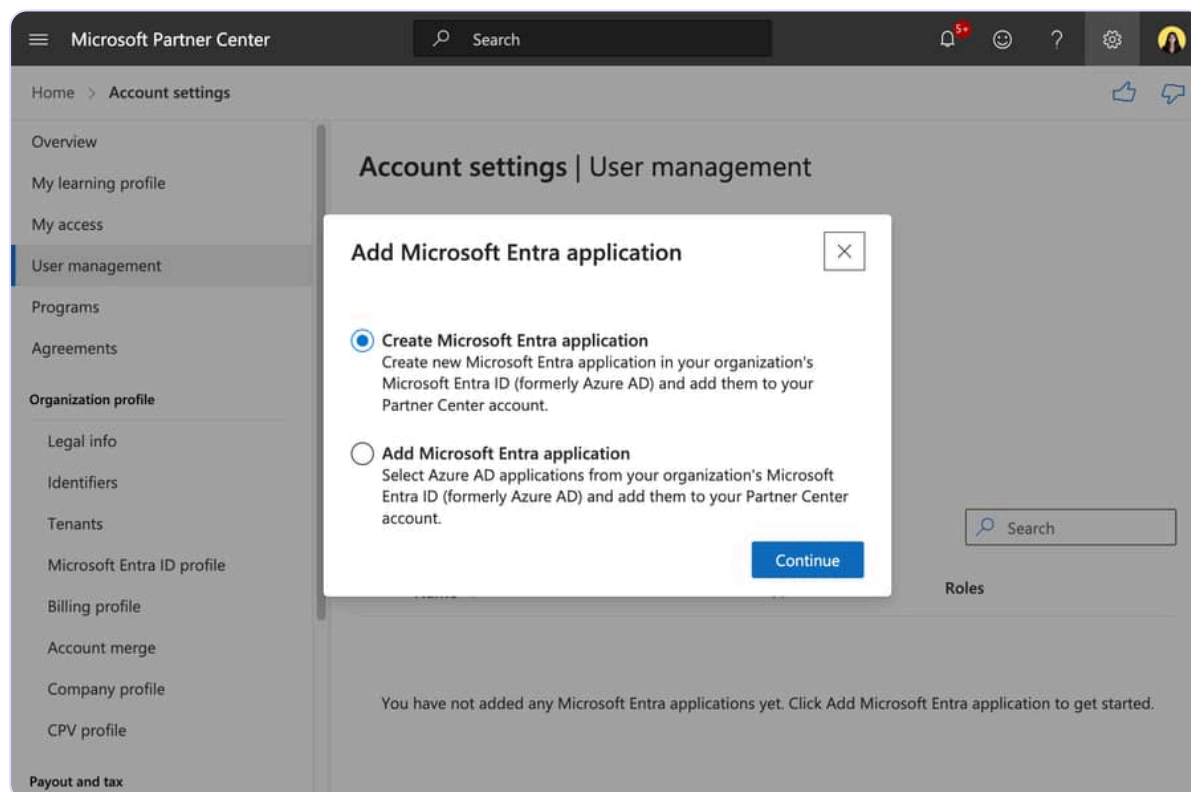

Click on User management

● Click on Microsoft Entra applications

● Click on Create Microsoft Entra application, then click continue

● Fill the following fields - replace "yourcompany" by your company name

Name: api-yourcompanywetransact Reply URL: <https://www.yourcompanywetransact.io>

Microsoft Partner Center

Search

Create Microsoft Entra application

Roles applicable to developer programs

Select one or more roles to grant the appropriate permissions. [Learn more](#)

☐ Manager(Windows)
Has complete access to account features except tax and payout settings. Can manage users, roles, and tenants in Partner Center.

☒ Developer
Can upload packages and submit apps and add-ons, and can view the Usage report for telemetry details. Can't access financial info or account settings.

☒ Business Contributor
Can access financial info, and can set pricing details. Can't create or submit new apps and add-ons.

☒ Finance Contributor
Can view payout reports. Can't make changes to apps or settings.

☒ Marketer
Can respond to customer reviews and view non-financial reports. Can't make changes to apps or settings.

BLUENHITESBV

VAT Number: FR9876543211 | Bank Account Number: FR98765432123456

Address: 31 Main Street

City: Antwerp | Country: Belgium

Region: EMEA | Zipcode: 75543

Multiple Locations

If your company has multiple locations, and you want to publish specific offers to these locations, please list them here:

Publisher Name	Description	Region	Currency	Credentials
Default	Default Publisher	EMEA	EUR	ⓘ

+ Add Publisher

● Name the Publisher ID and add credentials that you got from Partner center

- **Publisher Name:** like EMEA, Americas, APAC etc this is internal for you to recognise the location
- **Description:** You can add the same as the Publisher Name
- **Region :** Add region like Emea, Apac, US
- **Currency:** Add currency according to the location, like USD, Euro, GBP, INR
- **Tenant ID:** Please add tenant ID
- **Client ID:** You will get this from partner center
- **Client Secret :** You will get this from Partner Center

You will need to create separate credentials for each location.

- **Seller ID:** Please make sure to add the seller ID of each location.

Add Publisher

Please enter the details below
