

How to Set Up the Finance Tab in the Wetransact Portal?

docs.wetransact.io/how-to-set-up-the-finance-tab-in-the-wetransact-portal

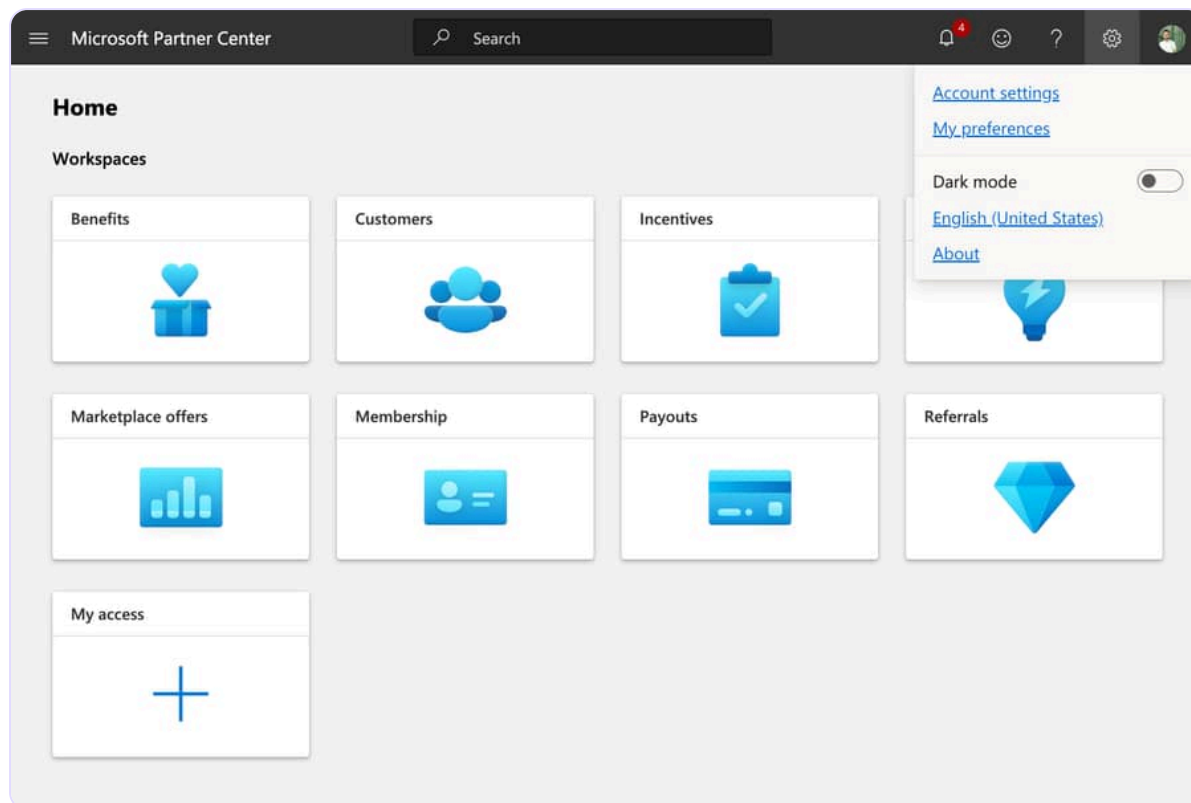

Some informations need to be fetch real time from Microsoft. We do connect through APIs to revert back these data in an easy way in your WeTransact UI.

User Rights: You will need a **Global Admin** Role to perform this task

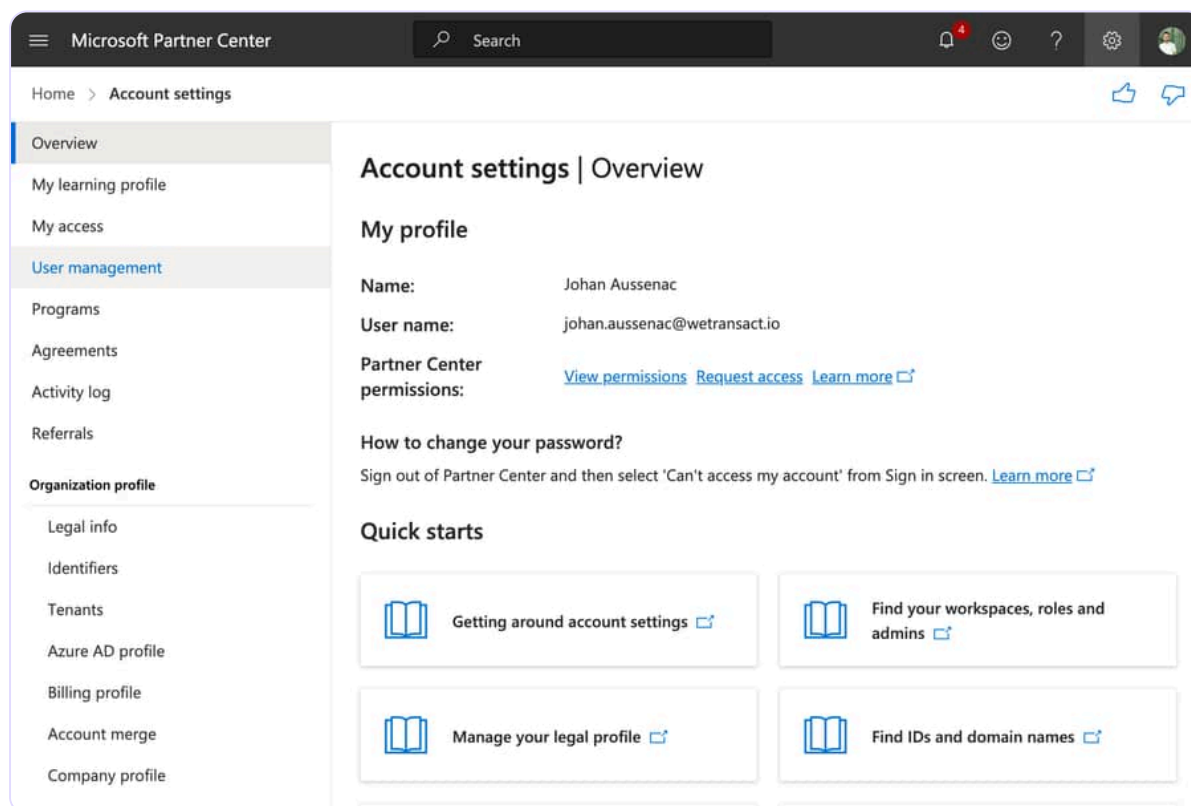

● On Partner Center click on the little wheel on the top right.

Click on Account settings

Click on User management

Click on Microsoft Entra Applications

The screenshot shows the 'Account settings | User management' page in the Microsoft Entra admin center. The 'Microsoft Entra applications' tab is selected. Below the navigation pane, there is a table listing existing applications. The table has columns for Name, Type, and Roles.

Name	Type	Roles
API-ACERES	Microsoft Entra Apps	Developer, Business Contributor, Finance Contributor, Marketer
API-ACERES	Service Principal	Developer, Business Contributor, Finance Contributor, Marketer
API-TEST	Microsoft Entra Apps	Developer, Business Contributor, Finance Contributor, Marketer
API-TEST	Service Principal	Developer, Business Contributor, Finance Contributor, Marketer
API-WETTRANSACT	Microsoft Entra Apps	Developer, Business Contributor, Finance Contributor, Marketer
API-WETTRANSACT	Service Principal	Developer, Business Contributor, Finance Contributor, Marketer
API-YOURCOMPANYWETRANSACT	Microsoft Entra Apps	Developer, Business Contributor, Finance Contributor, Marketer
API-YOURCOMPANYWETRANSACT	Service Principal	Developer, Business Contributor, Finance Contributor, Marketer
JOHNTEST	Microsoft Entra Apps	Manager(Windows), Developer, Business Contributor, Finance Contributor, Marketer

Click Add Microsoft Entra Application

The screenshot shows the 'Account settings | User management' page with the 'Add Microsoft Entra application' dialog box open. The dialog box has two options: 'Create Microsoft Entra application' (selected) and 'Add Microsoft Entra application'. The 'Create Microsoft Entra application' option is selected, and the 'Continue' button is visible.

Click on Create Azure AD application and "Continue"

The screenshot shows the 'Account settings | User management' page with the 'Add Microsoft Entra application' dialog box open. The 'Create Microsoft Entra application' option is selected, and the 'Continue' button is visible.

Fill the following fields, replace "yourcompany" by your company name

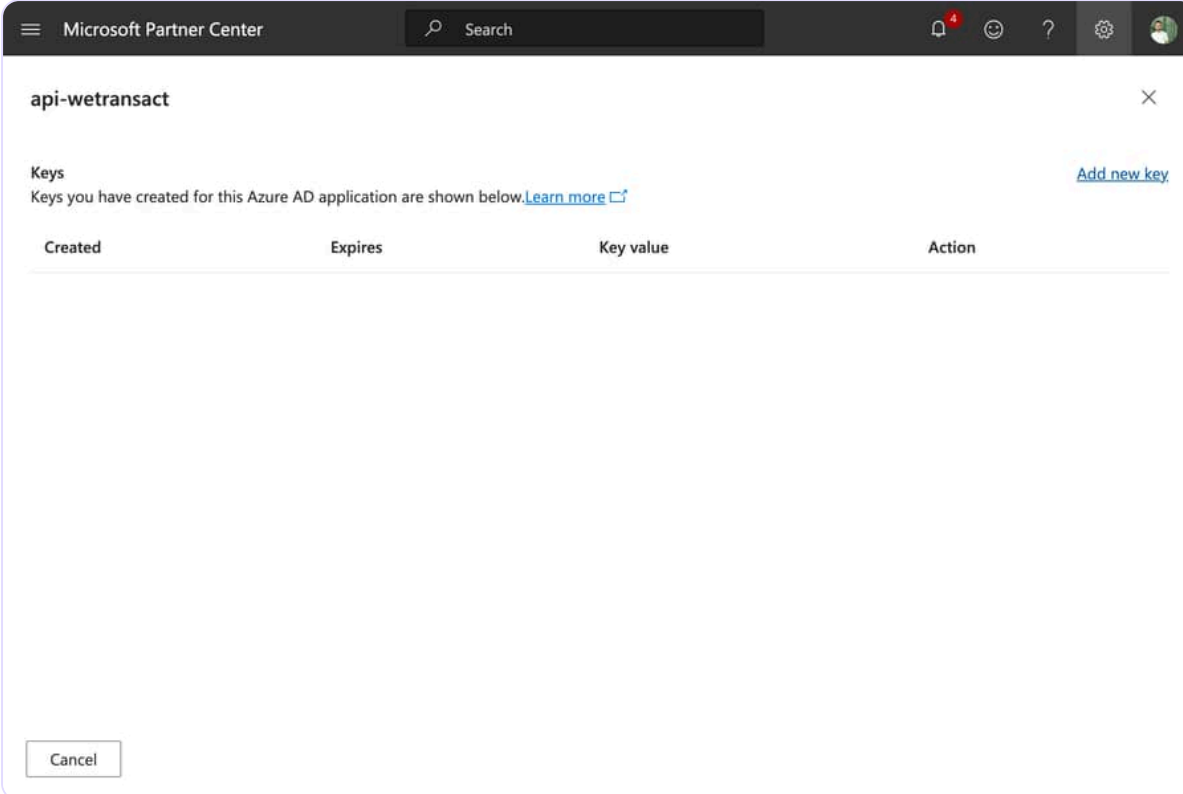

Name: `api-yourcompanywetransact` URL: <https://www.yourcompanywetransact.io>

● Check Developer, Business Contributor, Finance Contributor & Marketer roles

● Click on the newly created App Registration

Partner Developer

Current tenant associations

Global admins can associate tenants with this Partner Center account or remove them. Removing a tenant removes all associated users and their account permissions from your Partner Center account, but does not remove them from Microsoft Entra ID (formerly Azure AD).

If you are a global admin, you can associate additional tenants. The users in the new tenants will have access to programs such as Microsoft AI Cloud Partner Program benefits, incentives, and referrals. Only the users in the Cloud Solution Provider (CSP) program tenant, have access to CSP.

Sign in with the global admin credentials of the other tenant you wish to associate.

Click on Organisation

The screenshot shows the 'Settings' page with the 'Organization' tab selected. The left sidebar contains links for 'Create', 'Home', 'Marketplace', 'Go-To-Market', and 'Bonus'. The main content area is titled 'Account Settings' and includes a profile picture placeholder with the WeTransact logo. Below the profile picture are input fields for 'First Name' and 'Last Name', an 'Email Address' field, and a 'Password' field with a 'Change Password' button. Further down, there are fields for 'Role' (Super Admin), 'User Type' (Wetransact Account), 'Provider' (Wetransact (Internal)), and 'Portal Version' (2.0.39). A 'Reset Credentials' button is located at the bottom of the account settings section. At the very bottom, there is a 'Notifications' section with a toggle switch for 'All Notifications'.

Under credentials, click on symbol.

This screenshot shows the 'Organization' tab in the 'Settings' page. The 'Company Settings' section includes a company logo placeholder for 'BLUEWHITEBYTES' and various input fields for 'Company Name', 'Payout Currency Code', 'VAT Number', 'Bank Account Number', 'Address', 'City', 'Country', 'Region', and 'Postal Code'. An 'Edit' button is located at the bottom right of this section. Below the company settings is the 'Multiple Locations' section, which includes a table for listing locations. The table has columns for 'Publisher Name', 'Description', 'Region', 'Currency', and 'Credentials'. The first row is labeled 'Default' and contains the values 'Default Publisher', 'EMEA', and 'EUR'. A red arrow points to the 'Credentials' column, which contains an eye icon. To the right of the table is a button labeled 'Ask Octavia'.

Publisher Name	Description	Region	Currency	Credentials
Default	Default Publisher	EMEA	EUR	

Enter tenant ID, Client ID and secret with Seller ID

The Seller ID can be found in Partner Center under **Account settings** → **Legal info** → **Developer** tab.
