

How can I verify a user's rights to complete a purchase?

docs.wetransact.io/how-can-i-verify-a-users-rights-to-complete-a-purchase

To complete a purchase on Azure Marketplace, a user must have either **Owner** or **Contributor** rights on the target subscription. You can quickly verify whether a user has the correct permissions by following these steps:

● **Log in to your Azure portal, search Subscriptions and click on it.**

● **Click on the subscription you want to use for the purchase.**

Select Access Control (IAM)

Click on View my access

You can see the roles assigned to this user.

To complete a purchase you will need either **owner** or **contributor** rights.
