

How does a CSP resell a Marketplace Solution ? (Direct CSPs)

docs.wetransact.io/how-does-a-csp-resell-a-marketplace-solution-direct-csps

A Direct CSP can resell a Marketplace solution by purchasing it through Partner Center using their CSP tenant, then provisioning it for the customer under their subscription. The CSP manages billing, support, and customer relationship while the ISV provides the solution.

The Cloud Solution Provider logs in against their own Partner Center.

They click on Customers

They select the customer they would like to sell your Marketplace product to.

For the example we would use Contoso

Microsoft Partner Center

Name	Microsoft ID	Primary domain name	Relationship	Tags
Contoso	13cc534b-7d9a-46f6-b036-ab0a7a390c60	M3658019283.onmicrosoft.com	Cloud Reseller	

● On that page they need to click on "+ New Subscription"

The screenshot shows the Microsoft Partner Center interface. The top navigation bar includes the Microsoft Partner Center logo, a search bar, and several utility icons (notifications, profile, help, settings, and a user icon). The breadcrumb trail indicates the path: Home > Customers > Customer list > Contoso. A left-hand sidebar lists various management options: Subscriptions (highlighted), Transfers, Order history, Software, Azure reservations, Devices, Users and licenses, Admin relationships, Service management, Service requests, and Account. The main content area is titled "Contoso | Subscriptions" and features two buttons: "+ New Subscription" and "Export All Subscriptions". Below the title, a message states "Transfers has moved [here](#)". A note explains a 4-hour delay between subscription activation and status updates. A filter bar shows counts for "Azure (0)", "Marketplace (1)", "Online Services (0)", and "Software (0)". A search box labeled "Search by subscription" is also present. The final message in the main area states, "This customer doesn't have any online services subscriptions."

Click on Marketplace

The screenshot shows the Microsoft Partner Center interface. The top navigation bar includes the Microsoft Partner Center logo, a search bar, and icons for notifications, help, and settings. The breadcrumb trail indicates the path: Home > Customers > Customer list > Contoso > Subscriptions > Add new. The left sidebar contains a vertical menu with 'Select', 'Review', and 'Confirm' options. The main content area is titled 'Add new | Select' and features tabs for 'Azure', 'Marketplace', 'Online Services' (which is selected), and 'Software'. A 'Special Offers' section contains an informational message about commercial offers. Below this, the 'Segment' is set to 'Commercial'. A search bar labeled 'Search by name or ID' is present, along with filters for 'Billing type: Any', 'Category: Any', and 'Product type: Any'. A 'View SKU list' link is located above the product list. The product list table has columns for 'Products', 'Quantity', and 'Action'. The products listed are '10-year audit log retention', 'Advanced Communications', and 'ADR - Advanced Data Residency', each with a 'New Commerce Experience' badge and a dropdown arrow in the 'Action' column. On the right side, a 'Your cart' section shows a message that the cart is empty and provides 'Review' and 'Cancel' buttons.

Type the name of your solution.

For the example we'll use ourselves "WeTransact"

Review order history

Manage additional areas of your customer's account from the navigation menu under the customer's name.

Click on Subscriptions

The screenshot shows the Microsoft Partner Center interface. In the left sidebar, the 'Subscriptions' menu item is highlighted with an orange box. The main content area displays the 'Contoso | Order history' page. The page includes a header with 'Contoso | Order history', '+ New Order', and '↓ Export Order'. A note states: 'Note: There is a delay of up to 15 minutes between the time an order is submitted and when it will appear in a list of a customer's orders.' Below the note is a table of orders with columns: Order id, Date and time, Billing frequency, Number of items, Currency, Total price, Order status, and Action. The table contains five rows of order data.

Order id	Date and time	Billing frequency	Number of items	Currency	Total price	Order status	Action
64f6ed0c7937	Tue, 05 Mar 2024 09:13:56 UTC	Monthly	1	EUR	--	Pending	--
