

How to update credentials for finance Tab in the Wetransact Portal?

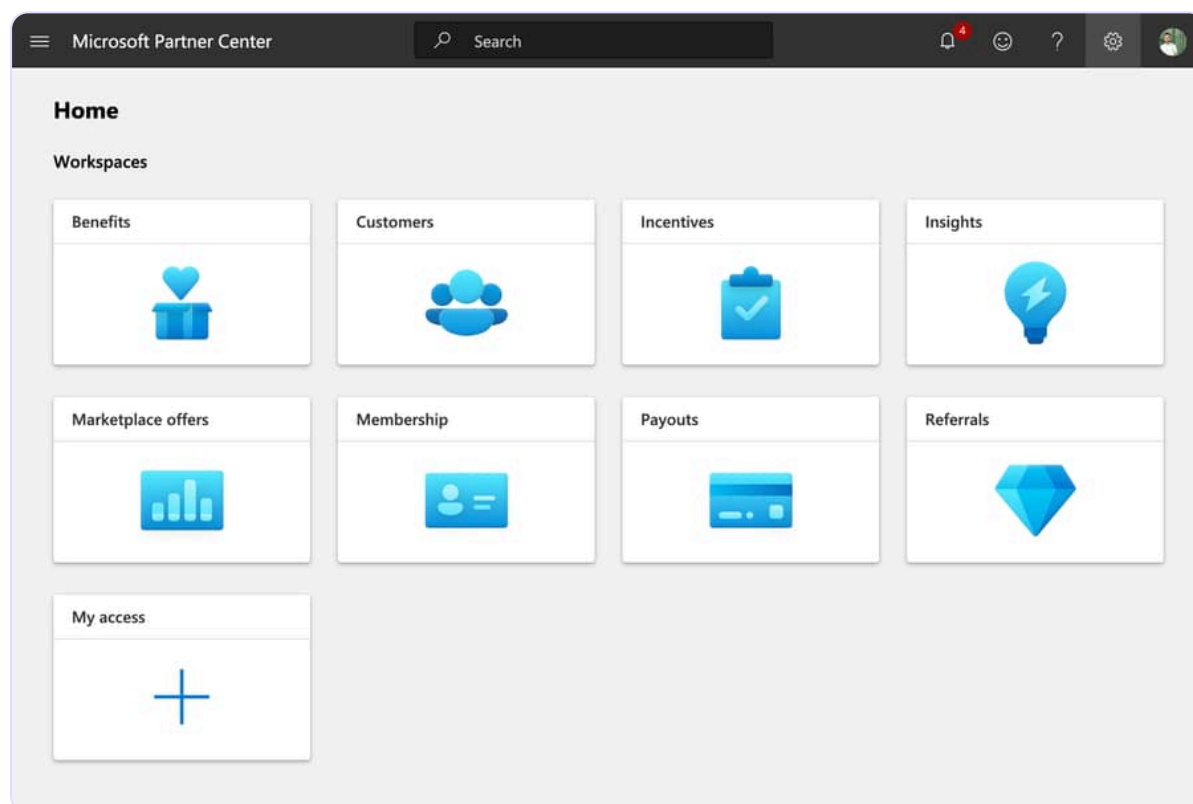

docs.wetransact.io/how-to-update-credentials-for-finance-tab-in-the-wetransact-portal

The credentials used to set up the **Finance tab** can expire over time. When this happens, the system is no longer able to retrieve your finance data from Partner Center.

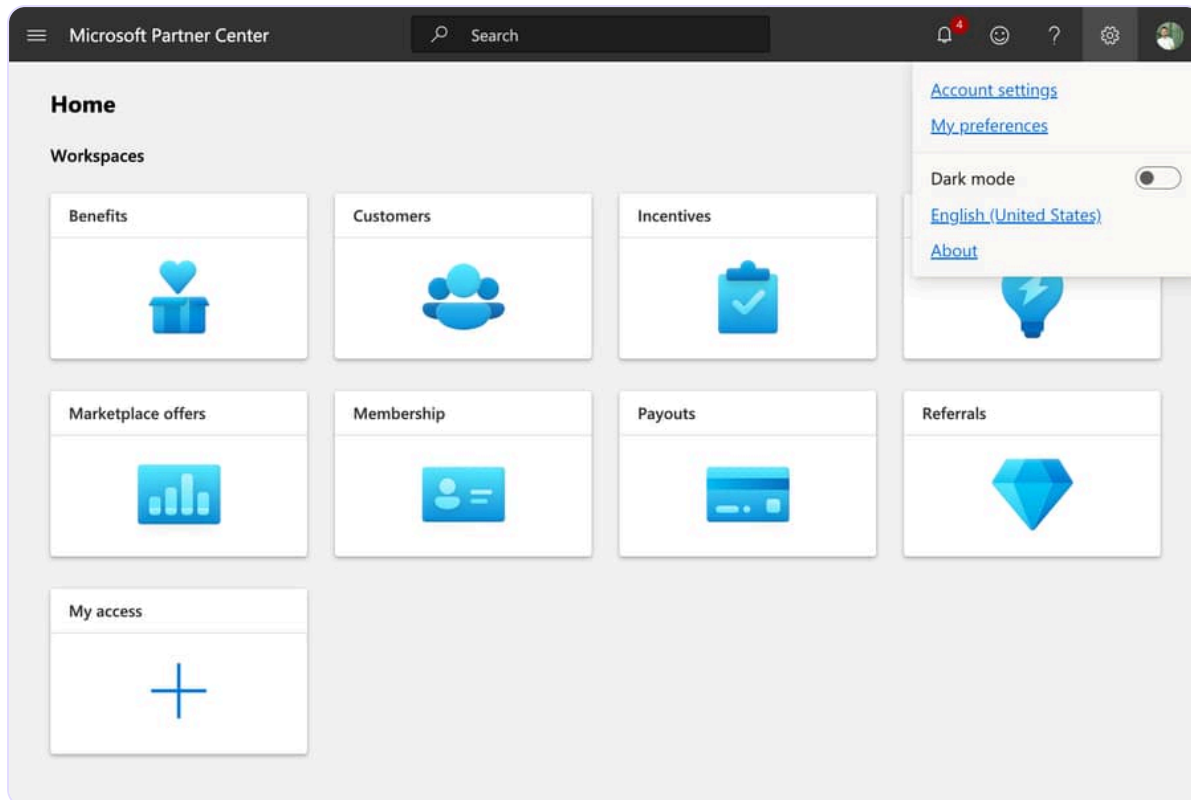

To fix this, you'll simply need to **create new credentials** and update them in the Finance tab. Once the new credentials are added, finance data will start syncing again as expected.

User Rights: You will need a **Global Admin** Role to perform this task

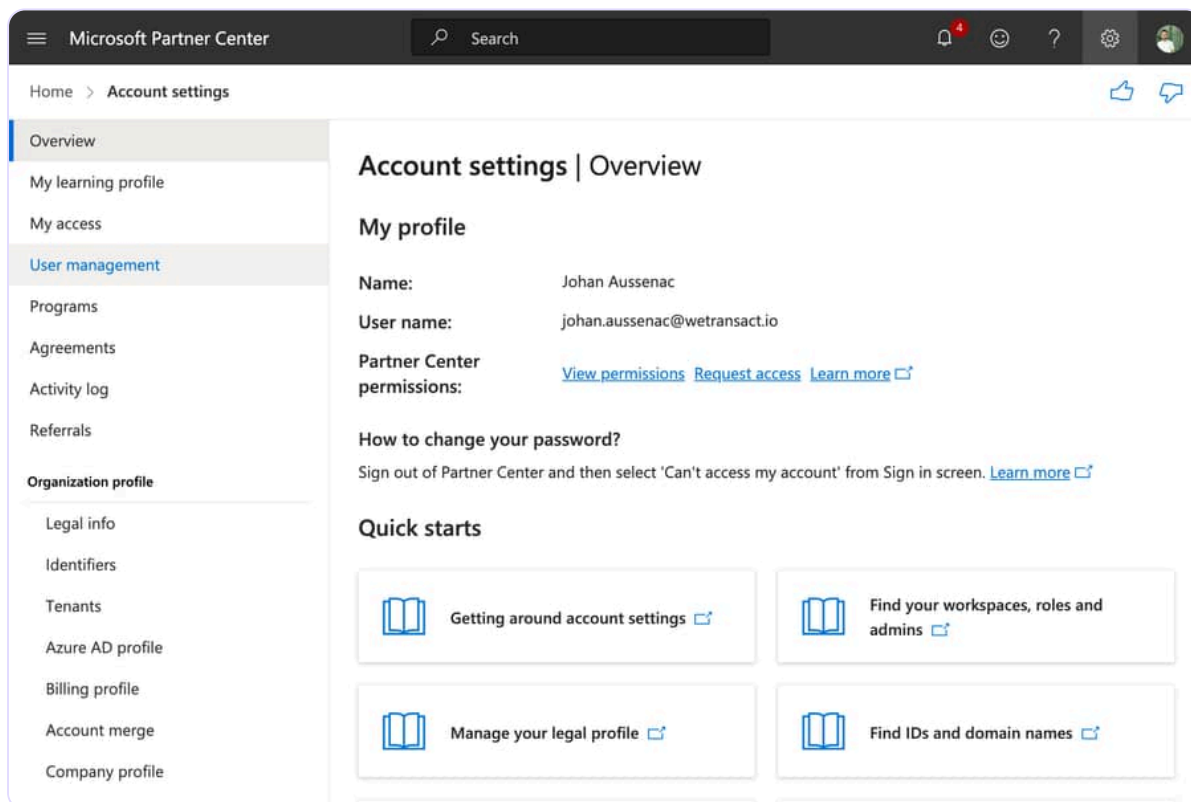

● On Partner Center click on the little wheel on the top right.

Click on Account settings

Click on User management

Click on Microsoft Entra Applications

The screenshot shows the 'Account settings | User management' page. The left sidebar contains navigation links: Overview, My learning profile, My access, User management (selected), Programs, Agreements, Organization profile, Legal info, Identifiers, Tenants, Microsoft Entra ID profile, Billing profile, Account merge, Company profile, CPU profile, Payout and tax, Payout and tax profiles, Payout and tax profile assignment, Security center, and Multi-factor authentication. The main content area has tabs for Users, Groups, and Microsoft Entra applications (selected). Below the tabs, there is a message: 'Allow applications or services that are part of your Microsoft Entra ID (formerly Azure AD) to access your Partner Center account. [Learn more](#).' Below this, there is a link: 'Sign in as a different user'. A table lists the applications with columns for Name, Type, and Roles. The table contains 10 rows of applications, including 'api-access' and 'api-yourcompanywetrasact'.

Name	Type	Roles
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Microsoft Entra Apps	Developer, Business Contributor, Finance Contributor, Marketer
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Service Principal	Developer, Business Contributor, Finance Contributor, Marketer
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Microsoft Entra Apps	Developer, Business Contributor, Finance Contributor, Marketer
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Service Principal	Developer, Business Contributor, Finance Contributor, Marketer
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Microsoft Entra Apps	Developer, Business Contributor, Finance Contributor, Marketer
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Service Principal	Developer, Business Contributor, Finance Contributor, Marketer
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Microsoft Entra Apps	Developer, Business Contributor, Finance Contributor, Marketer
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Service Principal	Developer, Business Contributor, Finance Contributor, Marketer
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Microsoft Entra Apps	Developer, Business Contributor, Finance Contributor, Marketer
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Service Principal	Developer, Business Contributor, Finance Contributor, Marketer

Click Add Microsoft Entra Application

Click on Existing Extra application for instance - '*api-yourcompanywetrasact*'

The screenshot shows the 'Account settings | User management' page. The left sidebar is the same as in the previous screenshot. The main content area has tabs for Users, Groups, and Microsoft Entra applications (selected). Below the tabs, there is a message: 'Allow applications or services that are part of your Microsoft Entra ID (formerly Azure AD) to access your Partner Center account. You are currently signed in as kajol.pasha@wetrasact.io. To manage a different Microsoft Entra tenant, sign out, then sign back in as a user with the Manager role. [Sign in as a different user](#)'. Below this, there is a button 'Add Microsoft Entra application' which is highlighted with a red box. Below the button, there is a table with columns for Name and Type. The table contains 2 rows of applications, including 'api-access' and 'api-yourcompanywetrasact'.

Name	Type
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Microsoft Entra Apps
api-access 04cf649e-6a10-479f-b1e3-d312694d012a	Service Principal

● Click on Api-Access and click on add new key

Microsoft Partner Center

Search

api-wetransact

Keys

Keys you have created for this Azure AD application are shown below. [Learn more](#)

[Add new key](#)

Created	Expires	Key value	Action
---------	---------	-----------	--------

Cancel

● This page will appear with your Client Id and the Key. Copy and save it.

Leave that page open—if you close it, you won't be able to access your key again.

If you're in doubt, save these values

Microsoft Partner Center

Search

Add another key

Cancel

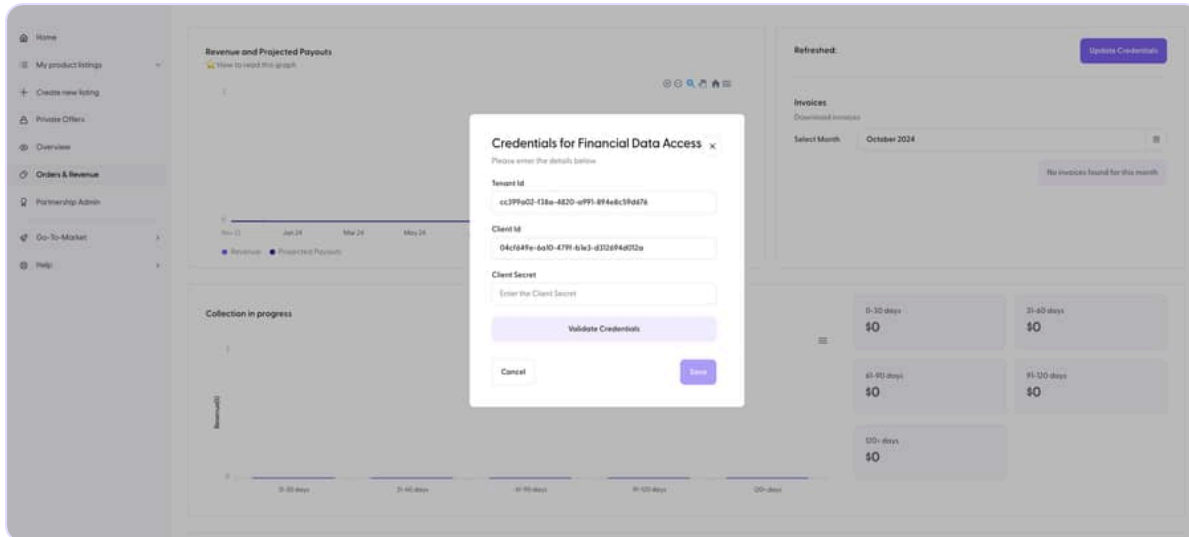

● Sign in to the WeTransact portal and click on settings

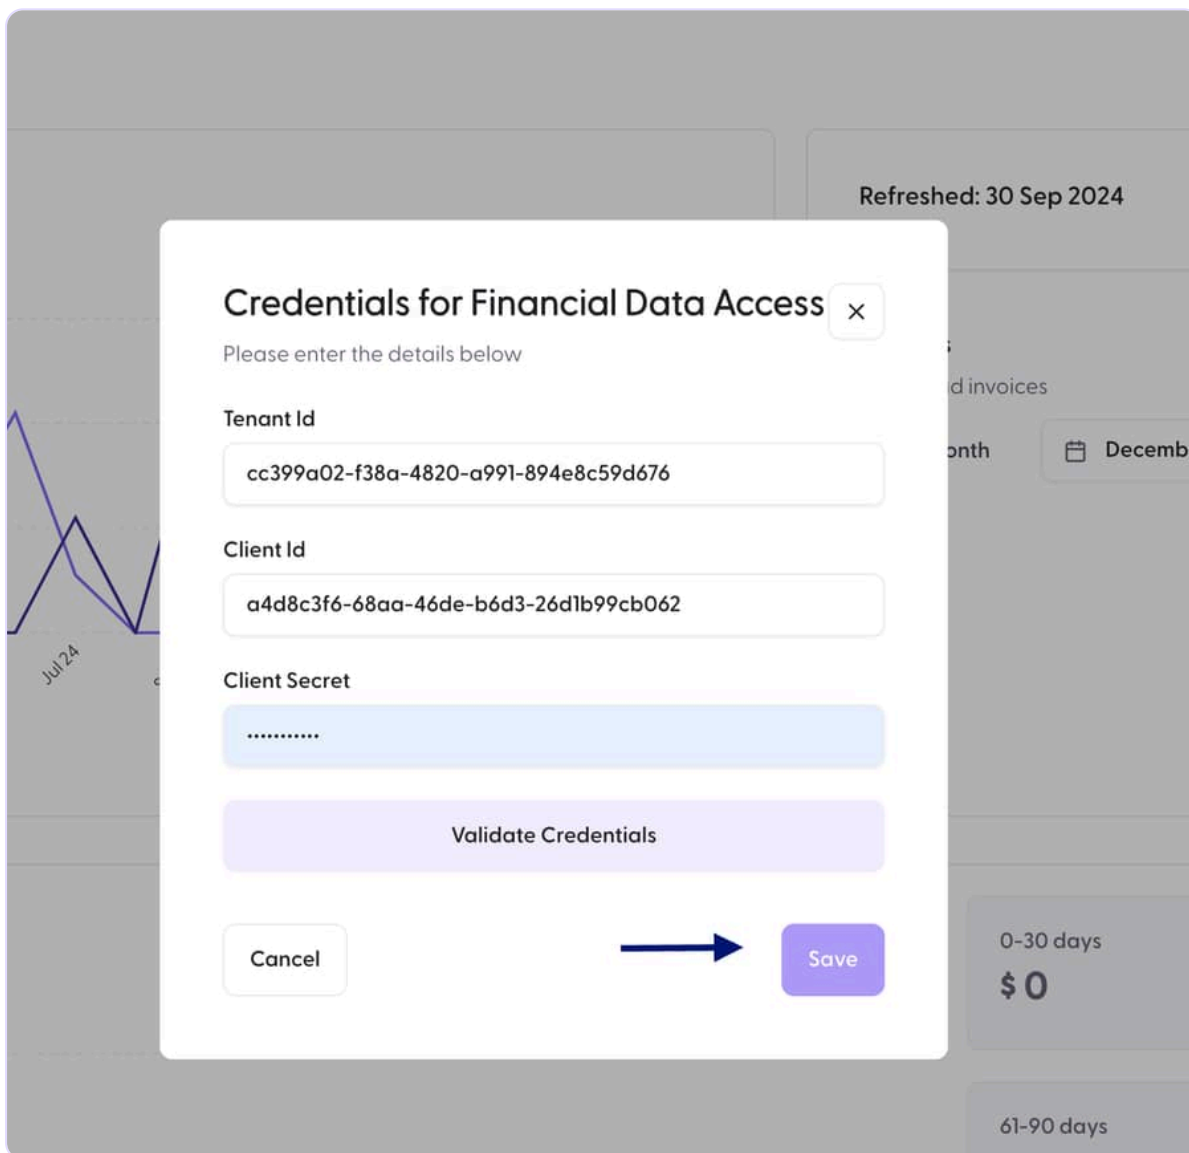

● You will see Multiple Locations sections. Click on Credentials

● You will see a pop up, Please replace client ID and key then click Validate Credentials.

● Click on Save.

Now, click on save configuration

The screenshot shows the Wetransact Settings page. On the left is a sidebar with navigation links: Create, Home, Marketplace, Go-To-Market, and Bonus. The main content area is titled 'Settings' and contains two sections: 'Multiple Locations' and 'Notifications'. The 'Multiple Locations' section has a sub-header 'Multiple Locations' and a description: 'If your company has multiple locations, and you want to publish specific offers to these locations, please list them here'. Below this are three tabs: 'Default', 'Default Publisher', and 'EMEA'. The 'Default Publisher' tab is selected, showing a 'Select...' dropdown and a 'Credentials' button. Below the tabs is a '+ Add another Publisher' button. A red arrow points from the 'Save Configuration' button, which is circled in red, to the 'Save' button at the bottom right of the 'Notifications' section. The 'Notifications' section has a sub-header 'Notifications' and a description: 'Manage your notification preferences'. It lists several notification types with toggle switches: All Notifications, Private Offers, Orders, Leads, Co-Sell Status, Product Listings, and Finance. A 'Save' button is at the bottom right of this section.

The Finance Tab is all set with new credentials !

The screenshot shows the Wetransact Finance page. On the left is a sidebar with navigation links: Home, My product listings, Create new listing, Private Offers, Orders, Finance (highlighted with a red circle), Partnership Admin, Incentives, Go-To-Market, Help, and Community. The main content area is titled 'Finance' and contains a line graph titled 'Revenue and Projected Payouts'. The graph shows two lines: 'Revenue' (blue) and 'Projected Payouts' (purple). The x-axis represents time from May 24 to July 25, and the y-axis represents monetary values from 0 to 600,000. The graph shows a significant increase in both revenue and projected payouts starting around September 24, peaking in January 25, and then declining. To the right of the graph is a section titled 'Invoices' with a sub-header 'Download invoices'. It includes a 'Select Month' dropdown menu set to 'February 2025' and a 'Generate Invoice' button. Below the graph is a section titled 'Collection in progress' with two columns: '0-30 days' showing '\$ 0.00' and '31-60 days' showing '\$'. The top right of the page shows 'Refreshed: 30 Jan 2025' and an 'Update Credentials' button.
