

How to use existing terms and conditions for the product listing?

docs.wetransact.io/how-to-use-existing-terms-and-conditions-for-the-product-listing

If you already have your own Terms and Conditions, you can easily use them while setting up your product listing.

Select I want to use my existing terms and conditions....

Add Terms & Conditions

☐ I want to create my contract with **Cloud Contracts 365**. **Most Protected**
This option offers expert legal solutions for Microsoft Partners, making Cloud Contracts 365 the easiest, most reliable choice for hassle-free contracts.

☒ I want to use my existing terms and conditions.
Upload your own terms and conditions. Perfect for publishers who have their own set of agreements that they want to include.

☐ I want to use Microsoft's standard contract.
This option is the most efficient and widely used, as it allows publishers to quickly publish on the marketplace with Microsoft pre-written terms and conditions.

Next >

● Select Or paste your link to your contract here:...

Click on Terms And Conditions Link

The screenshot shows the 'Add Terms & Conditions' modal in the Wetransact dashboard. The modal has a title bar with a close button (X). Below the title, there are two sections: 'Upload Your Contract' and 'Or paste your link to your contract here:'. The 'Upload Your Contract' section has a radio button and a text input field with a placeholder 'Add file' and 'Click to upload.'. The 'Or paste your link to your contract here:' section has a radio button and a text input field with a placeholder 'https://' and 'www.your-website.com/termsandconditions'. At the bottom of the modal, there are two buttons: 'Back' and 'Submit'.
