

# The steps to be followed by your global admin to give you the necessary level of rights.

[docs.wetransact.io/the-steps-to-be-followed-by-your-global-admin-to-give-you-the-necessary-level-of-rights](https://docs.wetransact.io/the-steps-to-be-followed-by-your-global-admin-to-give-you-the-necessary-level-of-rights)

Your Global Admin can assign you the required roles and permissions in Partner Center, ensuring you have the access needed to manage offers, enroll in programs, and perform Marketplace transactions. Follow the steps below:

1. [Go to partner.microsoft.com](https://partner.microsoft.com)

2. Click on Settings

### 3. Click on Account settings

### 4. Click on User management

## 5. Click on the User you need to elevate rights

The screenshot shows the Microsoft Partner Center interface. The left sidebar contains navigation links: Overview, My learning profile, My access, User management (highlighted), Programs, Agreements, Referrals, Organization profile, Legal info, Identifiers, Tenants, Billing profile, Account merge, Company profile, Payout and tax, and Xbox Live. The main content area is titled 'Account settings' and shows a list of users. The user 'Marketplace Support support@wetransact.io' is highlighted with a red box. The user list has columns for Name and Roles. The roles for the highlighted user are: Global admin, Report viewer, Incentive admin, Co-sell Solution Admin, Account admin, MPN partner admin, Business profile admin, Manager(Windows), Developer, Business Contributor, Finance Contributor, Marketer.

## 6. There are two levels of rights one regarding to general partner programs and one related to Marketplace Program.

Working with us - you should be able to know which right is asked.

The screenshot shows the Microsoft Partner Center interface. The left sidebar is the same as in the previous screenshot. The main content area is titled 'Account settings' and shows the 'Roles applicable to partner programs' section. The user 'Marketplace Support support@wetransact.io' is selected. The roles are listed as follows:

- ☐ Manages your organization's account as
  - ☐ Global admin (has full access to all administrative and Partner Center features)
- ☐ Account admin (can manage your organization's users and locations)
- ☐ MPN partner admin (can administer your organization's Microsoft Cloud Partner Program relationship.)
- ☐ Co-sell Solution Admin (can administer your organization's Co-sell Solutions)
- ☐ Business profile admin (manages the customer facing business profiles for your organization.)
- ☐ Manages your organization's referrals for one or more locations
- ☐ Manages your organization's incentives for one or more locations ( select how this user manages incentives for your organization's locations. )

7. If this is related to the Marketplace program please check the boxes associated to "Roles applicable to developer programs"

The screenshot shows the Microsoft Partner Center interface. The top navigation bar includes the Microsoft Partner Center logo, a search bar, and user profile icons. The left sidebar contains a menu with categories: Overview, My learning profile, My access, User management (highlighted), Programs, Agreements, Referrals, Organization profile, Payout and tax, and Xbox Live. The main content area is titled 'Account settings' and contains several sections. The 'User management' section includes checkboxes for roles like 'Business profile admin', 'Manages your organization's referrals', 'Manages your organization's incentives', and 'View data and reports'. Below this, the 'Roles applicable to developer programs' section is highlighted, showing checkboxes for 'Manager(Windows)', 'Developer', 'Business Contributor', 'Finance Contributor', and 'Marketer'. Each role has a brief description of its permissions.
