How to use existing terms and conditions for the product listing?

Using existing terms and conditions for the product listing allows you to quickly publish your offer by reusing approved legal content, ensuring consistency and compliance without creating new documents from scratch.

 [Read More>](#)

How to Create New Pricing Options?

Creating new pricing options in the WeTransact portal allows you to offer flexible purchase choices for your solution.

 [Read More>](#)

How do I add a subscription ID to the supplemental tab in the WeTransact portal?

Adding a Subscription ID to the **Supplemental** tab in the WeTransact portal links the customer's Azure subscription to their purchase, ensuring proper provisioning, tracking, and billing for the Marketplace solution.

 [Read More>](#)

How to Set Up the Finance Tab in the Wetransact Portal?

Some information needs to be fetched in real time from Microsoft. We do connect through APIs to revert back this data in an easy way in your WeTransact UI.

Deal Registration: Create a New Co-sell Deal

The Deal Registration tab is designed to facilitate the creation and management of co-sell deals with Microsoft. This tool allows users to input the country and company name to generate a list of potential customers. It reduces the time and effort required to

identify and engage with potential customers, particularly those who are managed accounts or MACC eligible.

How to configure multiple Publisher IDs in WeTransact portal?

Configuring the publisher location in your product listing ensures your offer displays the correct legal entity and regional details, helping Microsoft and customers identify your business accurately and meet compliance requirements.

 [Read More>](#)

How do I select a publisher location for the product listing?

When you have multiple publisher locations configured in Partner Center, it's important to select the correct one before publishing your offer. Choosing the right publisher location ensures your product listing is associated with the intended regional entity. Follow the steps below to confirm and publish your offer to the correct location.
